Instructions For Parents

Register My Athlete allows parents to register their athletes for sports online. Here are some basic steps to follow when registering your athlete for the first time:

3. **Add a new athlete:** The next step is to add an athlete. You can do so by clicking the "My Athletes" tab on the left-hand side of the page or by clicking "Add Athlete" underneath the "My Athletes" tab. This only needs to be done once during your athlete's entire career at a school. The information entered here will carry over from year to year. This information includes your athlete's contact information and medical information.

you will be brought to their Profile page. This page is a summary of their info and involvement.

6. **Your registration checklist:** This page shows the status of your athlete's registration. You will be asked to complete several steps to complete registration including agreeing to documents, and completing the physical.

7. **Physicals:** Physical documents should be completed by the parents (or medical professionals as needed). Parents have the ability to upload these physical documents to the system. Uploaded documents will need to be verified by the admin at the school prior to be accepted as complete. (If a document upload is rejected for any reason, the parent will receive an email with the rejection reason. After the error has been corrected, parents will be able to re-upload the document for verification.)

8. **Complete registration:** Your registration is complete once all items on the checklist have been completed.
