

ST. JOHN NOTRE DAME

# ANNUAL REPORT 2022-2023

## MESSAGE FROM THE PRINCIPAL

In 2022-2023 we celebrated 60 years of Catholic education in Folsom. At St. John Notre Dame, we recognize the achievements of our students, teachers, and staff. Our school is guided by the Hallmarks of the Sisters of Notre Dame de Namur, which include faith, community, social justice, and excellence in education. As we reflect on the past year, we can see these values in action. St. Julie Billiart, the foundress of the Sisters of Notre Dame de Namur, once said, "Teach the children what they need to know for life." This quote encapsulates the mission of our school. Our dedicated teachers strive to provide our students with the knowledge, skills, and values they need to succeed in life.

At the heart of our Catholic education are the virtues of faith, hope, and love. Our students learn to deepen their relationship with God, to trust in His plan for their lives, and to love their neighbor as themselves. These virtues inspire us to be kind, generous, and compassionate, and to work for the common good. We are proud of our students' accomplishments this past year. They have excelled in academics, sports, music, and art. They have participated in service projects that have made a positive impact on our community. They have grown in their faith, and they have formed lasting friendships with their classmates.

“  
...GUIDED BY THE  
HALLMARKS OF  
THE SISTERS OF  
NOTRE DAME...  
”

I want to express my heartfelt gratitude to all who supported St. John Notre Dame School and its students this past year. Your generosity made a tangible difference in the lives of the students, enabling us to provide them with the best possible education and resources. Your support allowed us to continue to uphold our mission of academic excellence, faith formation, and service to others. We are deeply grateful for your commitment to our school and our community, and we look forward to continuing to work together to make a positive impact. Thank you again for your generosity and support. God is Good.

Yours in Notre Dame,

Mr. Keith Martin, M.A.  
Principal

# CELEBRATING 60 YEARS IN FOLSOM

60 years ago in Folsom the Sisters of Notre Dame de Namur first opened the doors of Notre Dame School (SJND). Sr. Louise O'Reilly, SNDdN hosts teacher professional development about St. Julie Billiart and the Sisters. **Chantelle '17** and **Emalynn '23 Tiu** created an original mural in honor of St. Julie and the Sisters' legacy in Folsom. The teachers take seriously St. Julie's words, "Teach the children what they need to know for life." Thank you for celebrating our 60th anniversary and please join us in our effort to create a sustainable future for Folsom's next generation who seek to know, love, and serve God.

# CATHOLIC SCHOOLS WEEK

The last Sunday of January kicks off National Catholic Schools Week. An SJND tradition during this week is Grandfriends Day, when students give campus tours to grandparents after Mass. **Robert Paylor '11** shared his remarkable story of overcoming a sports injury and paralysis to walk again. Alumni and former faculty packed Gallagher Hall to hear Paylor speak. Student Council donated over 100 diapers to the Bishop Gallegos Maternity Home in downtown Sacramento. The school led a 1.5 mile Eucharistic Procession from historic St. John the Baptist Church to the Sisters' convent, now St. Julie Billiard Hall, on our campus. Classes buddied up for a fun afternoon of STREAM.

## ST. JOHN NOTRE DAME SPONSORS

It takes a variety of revenue streams to ensure that the financial needs of SJND are met so that we may concentrate on forming disciples. The St. John Notre Dame Sponsorships, along with the school's three main fundraisers, help us to reach the \$240,000 needed to close the gap from tuition collected and the cost to educate the child.

# THE COST TO EDUCATE THE CHILD

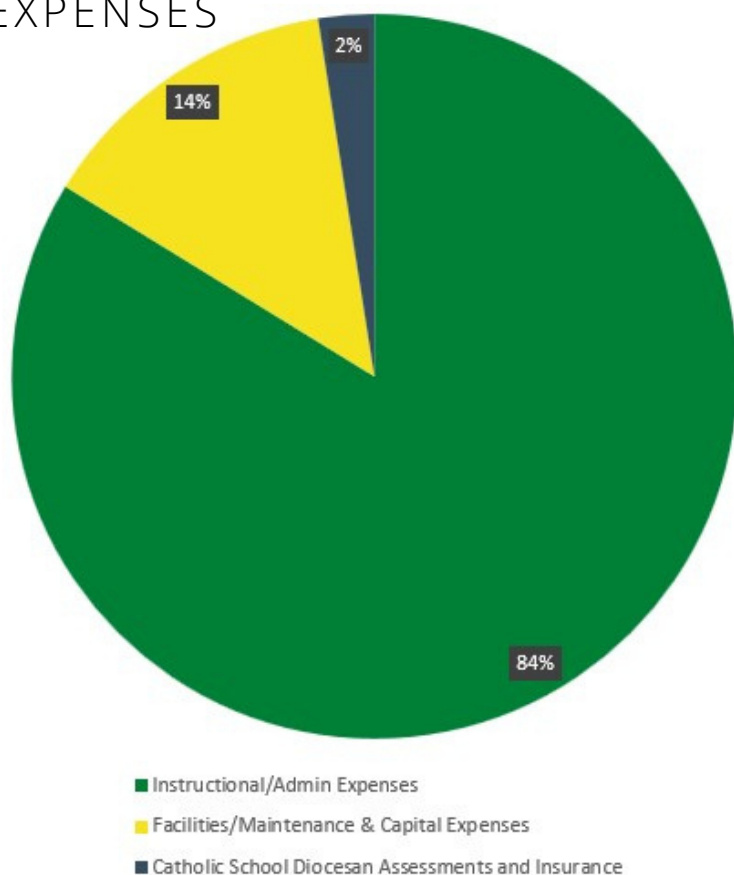

While we realize tuition makes up the majority of our revenue, the school receives additional funds through fundraising and tuition assistance, which is used to educate our students. For the 2022-23 school year the actual cost to educate the child was \$7,809; while our tuition rate for one Parishioner student was \$6,680.

If you consider the tuition that is paid for one student, you will see that each student received a discount of \$829 due to fundraising.

## EXPENSES

Once again, we would like to thank all of our families and community members who helped in any way with our fundraisers last year. Whether you chaired or attended an event, bought raffle tickets, donated time or money, we are grateful for your contribution. The success of our fundraising directly affects our tuition rates and we appreciate any and all support.
