

Marshall School

INTERNATIONAL PROGRAM

DULUTH, MINNESOTA ♦ USA

WELCOME to DISCOVERY

Marshall School is an independent, co-educational, college preparatory day and international boarding school in Duluth, Minnesota, United States of America.

Since 2004, over 200 students from more than 40 different countries have made Marshall their choice for a program that positions students for acceptance into America's top colleges and universities.

Providing a place where international students can thrive is one of our top priorities. At Marshall, class sizes are small, teachers are attentive to individual needs, and possibilities exist everywhere to grow and learn in a comfortable academic environment.

WHY MARSHALL?

International students and their families choose Marshall because the school excels in providing a challenging, rewarding, and supportive environment to youth as they study abroad.

◆ ON-CAMPUS DORMS

Most international students live in Marshall House, a 32-bed residence connected to the main school. Dedicated staff live in the dormitory to provide support, mentoring, guidance, special events, field trips, and other opportunities in a safe living environment. Marshall House features a private dining hall, global learning center, library and study areas, recreation room, and an outdoor courtyard.

◆ SCHOLARS PATHWAY

Students may apply to the STEM Scholars Pathway Program in their 10th grade year for exclusive opportunities, distinction, and rigorous requirements aimed at providing advanced preparation for college and careers in the fields of science, technology, engineering, and math.

◆ COLLEGE PREPARATION

Our College Counseling Program begins in 9th grade, and prepares students for a successful college application process and entry.

◆ EARN COLLEGE CREDITS

Students have the option to take AP courses to earn college credit.

◆ AMBASSADOR PROGRAM

Each international student is paired with a student ambassador to establish early friendships, easy transition into school in a new country, and a supportive peer throughout the school year.

◆ ESL SUPPORT

Students take specialized English as a Second Language courses to ensure their success in our American school.

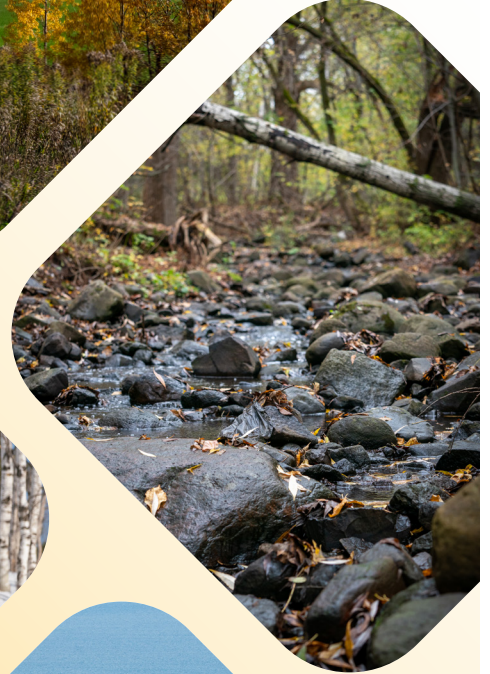

◆ CO-CURRICULAR OPTIONS

In addition to small class sizes and excellent teachers, our learners can choose to participate in many different activities such as sports, clubs, fine arts events, and more!

THRIVE *in* DULUTH
