

# 3200 -- TCCA Dual Enrollment

The organization understands that the services of one school may not be able to completely address the needs of every student and recognizes the value of dual enrollment. Given the academic structure of our school and the scheduling concerns, we do not permit students to be enrolled with the organization part-time as the result of a dual enrollment agreement, except for as allowed below.

## **A. Florida Virtual School**

Students whose academic needs require more than the course selections available within the organization will be allowed to enroll in courses through the Florida Virtual School or any similar approved program within the state.

## **B. Extracurricular Activities**

Students attending the school for academic classes may be allowed to request dual enrollment at other schools for extracurricular activities.
