

DC Everest/Lamers Bus Lines

My Stop Application

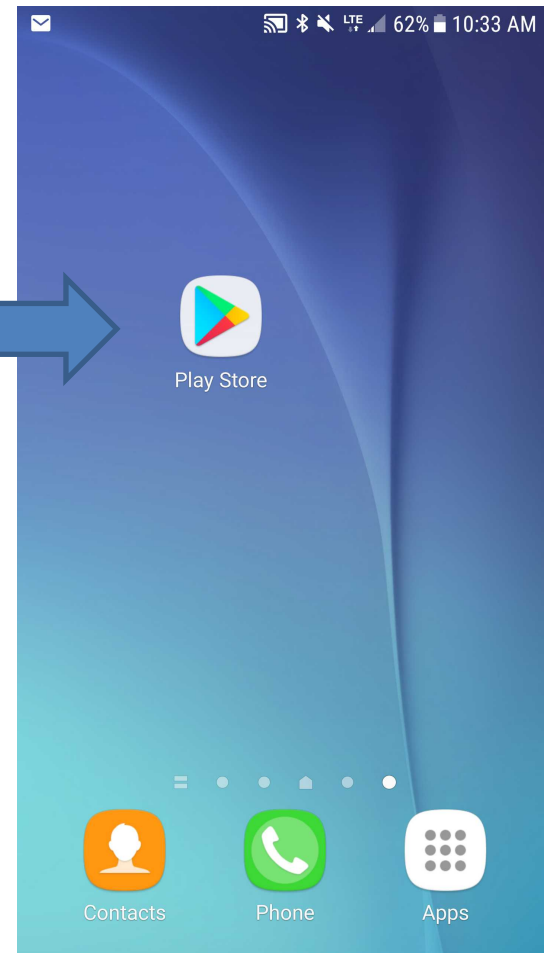

Google/Android

Download Instructions

My Stop Download – Google/Android

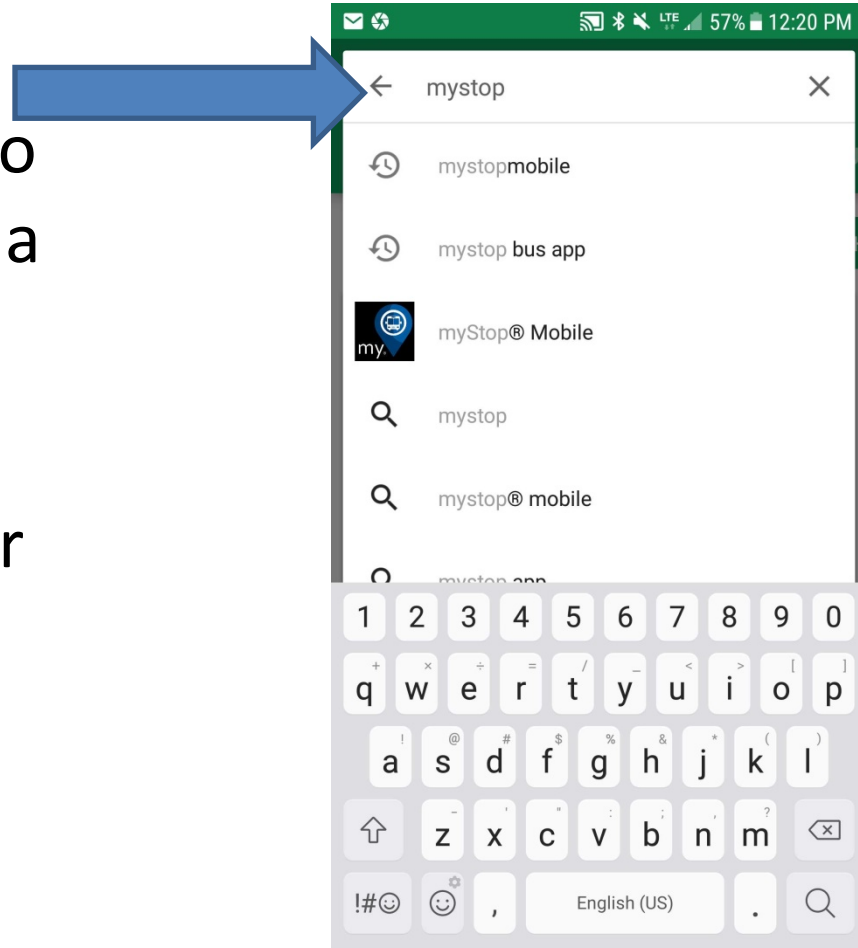

To install the My Stop Application on Google/Android phones, please go to the Google Play Store. Here is an example of what the icon looks like.

My Stop Download – Google/Android

Once you are in the Google Play Store, go to the top where there is a search bar.

At the search bar, enter “mystop”

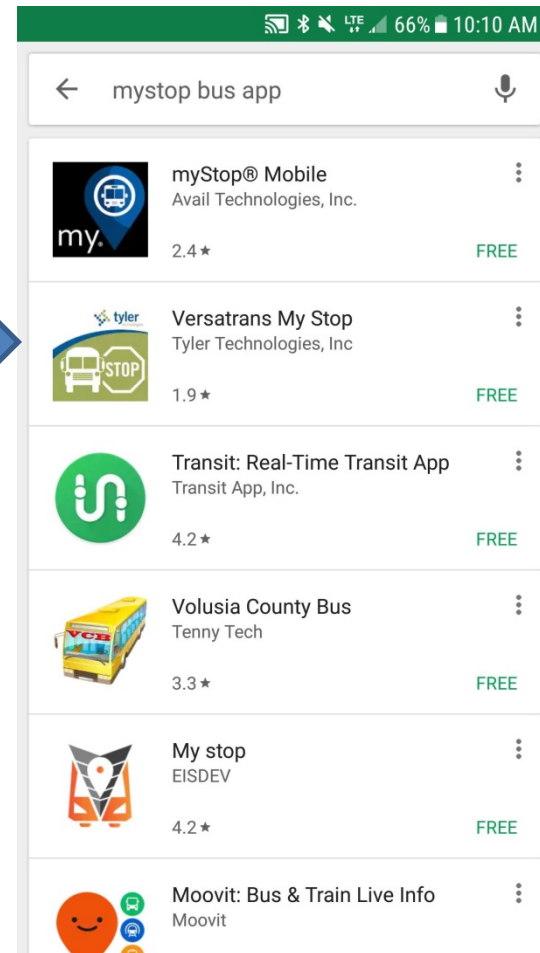

My Stop Download – Google/Android

Google Play Store will come up with several choices for the app.

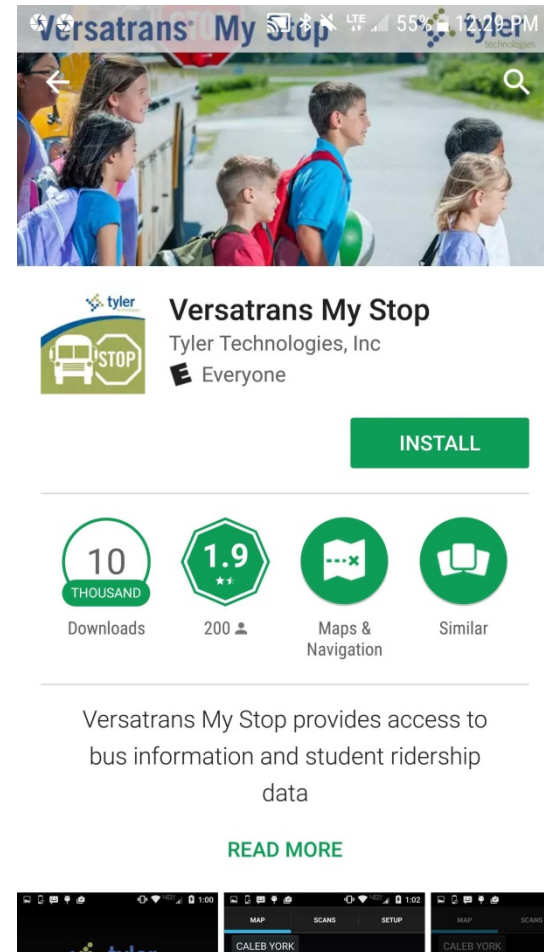

The app you need to download is “Versatrans My Stop”.

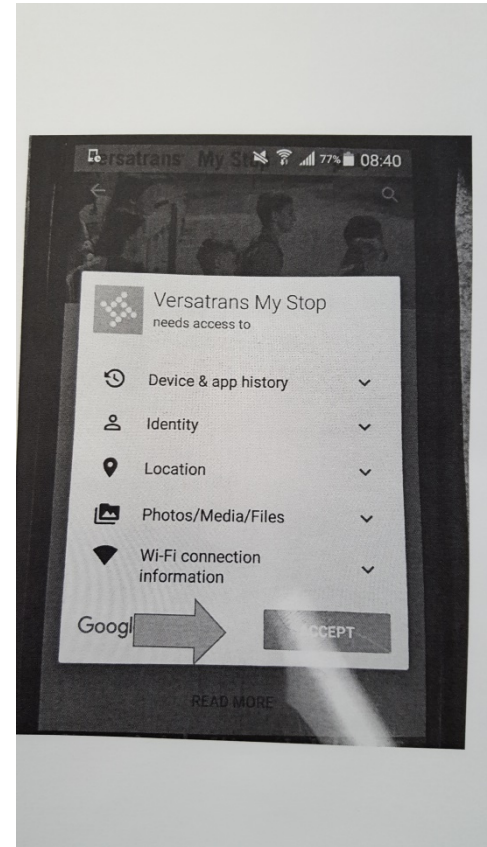

My Stop Download – Google/Android

Next you will see the
Versatrans My Stop Install
Screen.

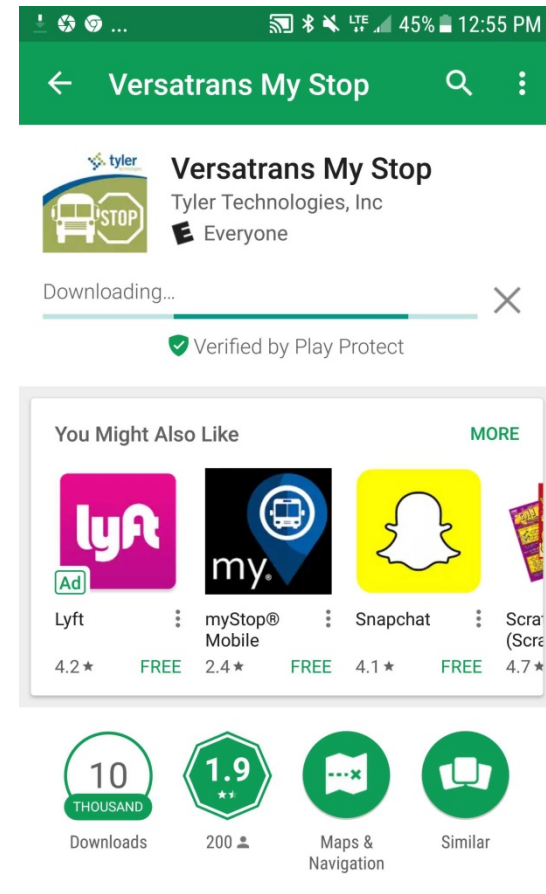

My Stop Download – Google/Android

After the install, it will show a message saying these are the items that the app needs access to—click “Accept”.

My Stop Download – Google/Android

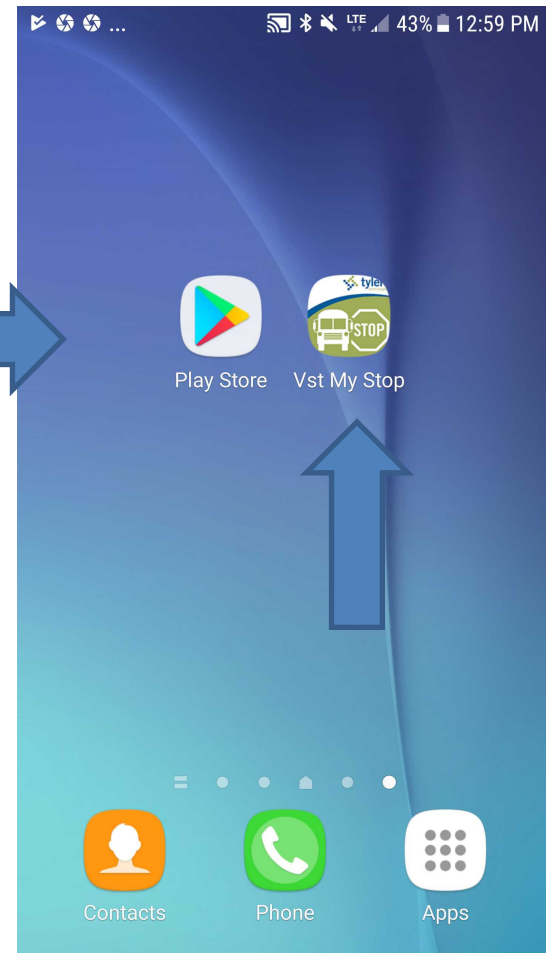

The Google Play Store will download the app to your Google/Android phone.

Versatrans My Stop provides access to

My Stop Download – Google/Android

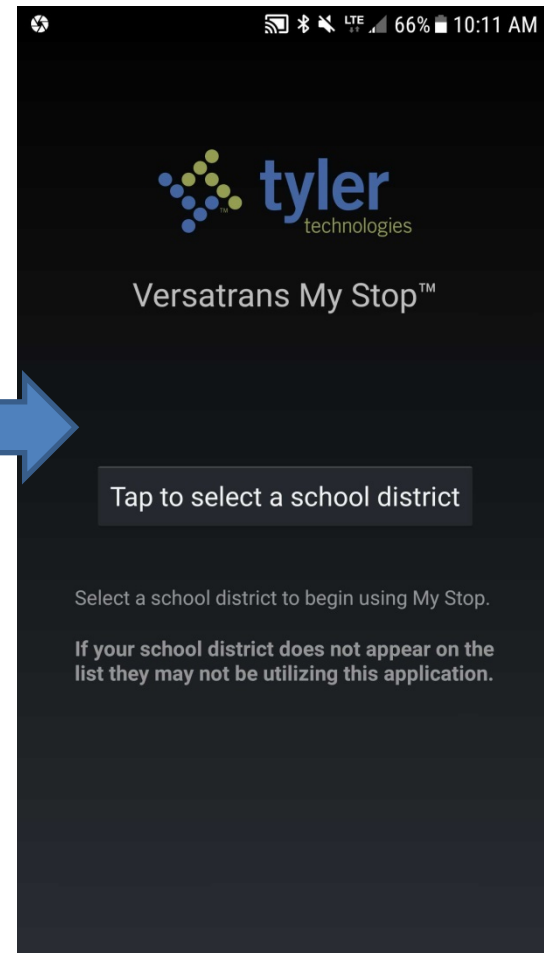

Once the download is complete, the “Vst My Stop” Icon will appear on your screen.

My Stop Download – Google/Android

Once on your phone,
press on the app and it
will take you to this
screen.

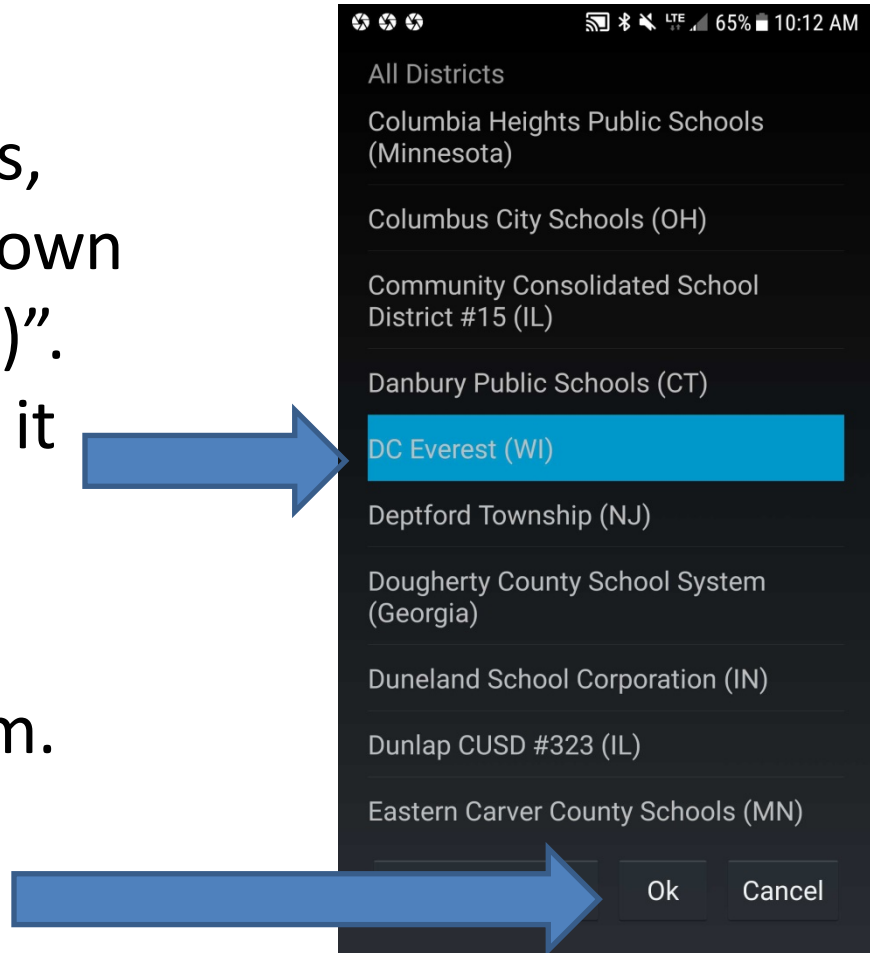

Tap on the label that says
“Tap to select a school
district”.

My Stop Download – Google/Android

The app will provide a listing of school districts, you will have to scroll down to find “DC Everest (WI)”. Choose this option and it should be highlighted.

Click “Ok” at the bottom.

My Stop Download – Google/Android

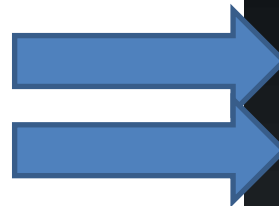

Once “DC Everest” has been chosen in the app, it will show the log in screen.

A screenshot of a mobile application interface. At the top, there is a status bar with icons for signal, Wi-Fi, battery, and time (10:12 AM). Below the status bar is the Tyler Technologies logo, consisting of a cluster of blue and yellow dots followed by the text "tyler technologies". Underneath the logo is the text "Versatrans My Stop™". Below that is the text "DC Everest". There are two input fields: "Username" and "Password", each with a light blue underline. Below the password field is a dark grey button with the text "Login" in white. At the bottom left, there is a link that says "Not your school" in blue text.

My Stop Download – Google/Android

The “Username” should be your student's Student ID.

The “Password” field should be the password that was provided to you for the bus tracking system.

A screenshot of the Tyler Technologies Versatrans My Stop app login screen. The screen is dark-themed. At the top, the status bar shows icons for camera, flash, LTE, 65% battery, and 10:12 AM. Below the status bar is the Tyler Technologies logo, followed by the text 'Versatrans My Stop™' and 'DC Everest'. There are two input fields: 'Username' and 'Password'. Below these fields is a 'Login' button. At the bottom, there is a link that says 'Not your school'.
