# CONTINUOUS IMPROVEMENT PLAN (2023-2024)

## NARRATIVE - TEMPLATE PART 1

The Notus School District involves parents and stakeholders through Notus Elementary and Notus Jr. Sr. High School Parent Advisory Committees, PTO, and Notus Boosters Club, FFA Alumni Association, Hispanics in Action Parent Group, etc. during the school year. The parent committees review and discuss the district plan and give feedback regarding implementation and needs assessments. The Board of Trustees and public participation is solicited throughout the entire process through board created committees that meet regularly throughout the school year. Information is provided through our district website and through other forms of social media. Parents are also provided with information and a chance to add comments at annual events that are held at both schools. Those events include parent teacher conferences, literacy night, STEM night, senior project presentation night as well as senior project planning night for parents. Additionally, the Board of Trustees maintains a Continuous Improvement Committee that will meet regularly to discuss data checkpoints relative to the performance targets in order to provide ongoing feedback and support to staff as they work to meet performance targets.

**Please proceed to the Continuous Improvement Plan Metrics – Template Part 2.**

Performance Metrics Instructions:

Provide your report card link, Progress Report, and set Benchmarks (performance targets) using the **2023-24 Continuous Improvement Plan Metrics – Template Part 2**. The template includes two (2) tabs: Instructions and Examples and Metrics. Please review the Instructions and Examples tab before entering your data into the Metrics tab.
