All students are automatically enrolled in the Tutoring Team in Microsoft Teams.

Resources for Dual Enrollment Parents

If you have questions regarding your high school student's dual enrollment status or course enrollments, please contact the Admissions Office at 410-386-8430 or email Admissions@CarrollCC.edu

Parents of Dual Enrollment parents are in a unique situation. Their students have a foot in high school and a foot in college. It's two sets of rules, guidelines, instructional formats, and administrators. At Carroll, we recognize the wonderful opportunity that these students have to engage in college coursework and we want to make the best possible environment for them. We encourage dual enrollment students to get as involved on campus as they can. There are so many clubs, organizations, and events. The possibilities are endless...

Specific to Dual Enrollment students

MIDTERM GRADES: Dual students will be issued a midterm report. Midterm grades will also be sent to your high school counselor. Midterm reports and final grades are issued to CCPS dually-enrolled students and their school counselors.

ENROLLMENT: The College will send a roster to your high school (CCPS only) detailing the names and classes of dually enrolled students before the semester begins and after the drop period.
