**2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)**

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Our school is a beautifully designed campus. It is named after Sandra Tovar Medeiros who was a former teacher in the Turlock Unified School District. She was born on September 5, 1959 and died on August 1, 1998 following a battle with cancer. She loved reading and providing books for children. Medeiros is designed to be a community-oriented campus where families enjoy recreational activities after school hours and on the weekends. Our multipurpose room is used extensively for a variety of community functions during the evenings and weekends.

The mission of Sandra Tovar Medeiros Elementary School: All Medeiros Stars will excel academically and socially in collaboration with families and the community. Our No Bully Motto: Medeiros Stars are Respectful and Kind!

We proudly serve an average of 730 students in our regular TK-6th grade program. In addition, we have four Autism classes, two Emotional Disturbed classes, and one State Preschool class. Our current student population includes: White-57.8% Hispanic-45.8%; Our Significant Subgroups include 0.3% Foster, 14.9% English Learners, and 55% Socio-economically Disadvantaged, and 19.7% students in special education.

At Medeiros, we take great pride in celebrating student achievements and recognizing students for good character through daily positive incentive cards, Student of the Month awards, Character Trait of the Month awards, and Rotary awards. We celebrate students every Wednesday morning at our school outside assembly. Opportunities for student leadership and extra curricular activities include: Toolbox Club, Sandy Hook Promise Club, student council, orchestra, band, and choir. We have daily social emotional learning block built in to our daily schedule so that teacher teach Toolbox lesson in every classroom. All students in grades TK-6 receive music instruction each week.

Medeiros teachers continue to seek more effective ways to differentiate their curriculum and provide appropriate academic support for each individual child. At our monthly faculty, leadership, and Professional Learning Community meetings, teachers regularly discuss summative and formative assessment data, develop common formative assessments to measure student work, and plan interventions to better meet the learning needs of all students.

Our goals for the current year:

Goal 1: We will Utilize a multi-tiered system of supports to increase academic achievement & social-emotional learning to enhance student success & well-being & promote college & career readiness among all students.

Goal 2: We will create equitable practices & experiences for all students & staff to mitigate social inequalities & embrace human diversity.

Goal 3: We will provide guaranteed & viable learning from highly qualified teachers who use adopted materials & effective instructional practices to implement standards.

Goal 4: We will expand opportunities to increase parent & family involvement to support District initiatives.

Goal 5: We will uphold policies, procedures, & maintain facilities that reflect a safe, secure environment.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. School Facility Conditions and Planned Improvements

An assessment was done in November 2023 using the Facility Inspection Tool (FIT), which was selected by TUSD staff as a suitable tool for our bi-annual safety inspections to determine that a school facility is in 'good repair'. The school buildings and grounds of Medeiros Elementary have been deemed to be 'clean, safe and functional', having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. Copies of the District Safety Inspections and Williams Inspections are maintained on file in the Turlock Unified School District Maintenance and Operations office. Safety: A safety plan is in effect. Certificated and classified staffs are vigilant in maintaining student safety. All staff wear identification badges and all visitors check in and out at the school office. Cleanliness: Medeiros Elementary employs one full-time Lead Custodian who provides students and staff with a clean and safe school environment throughout the day. Our district additionally employs two full time night custodians who are responsible for cleaning all facilities daily. All state and district guidelines governing the custodian tasks have been implemented and are followed in accordance with all applicable laws. Improvements: In the summer of 2017 Medeiros received new perimeter fencing which directs all visitors to access the school through a single point of entry during school hours. Currently, it continues to be in very good condition. Adequacy: The Turlock Unified School District prides itself in offering clean, safe, and adequate school facilities. Our buildings offer adequate heat and air and are maintained in accordance with stringent state and district guidelines. FIT Results: The FIT form dated November 2023 may list some items found during the site inspection. These items should not be confused as 'Non-functioning' or affect the overall statement of the school site that it is 'clean, safe and functional.' Work orders are input on a regular basis and are usually addressed within a two-week period of time.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	48		40		47	
Mathematics (grades 3-8 and 11)	39		25		33	

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Medeiros Elementary is committed to fostering and sustaining a strong partnership with parents and provide many opportunities for parental involvement at our school. We have the following advisory groups; English Learner Advisory Council (ELAC) and School Site Council (SSC) that meet every other month in person to discuss the various functions of the school. Our ELAC advises our SSC to help them make informed decisions regarding our budget, school site plan, safety of our campus, incentives for students and many other items that are discussed and approved by SSC. During our SSC/ELAC meetings, we seek input from parents and guardians on school and district decision making. All our representatives for ELAC and SSC are voted on by our parents and/or guardians. Parents have opportunities for support and involvement as well. We offer the opportunity to participate in literacy and academic content area parent workshops. This year we have a new community liaison that supports families with any resources they need. Our district has a new Family Resource Center to support families.

We promote parent participation through invitations via Parent Square, social media and Peachjar. We also extend invitations through teacher electronic platforms. Additionally, both the school and district utilize Parent Surveys to elicit feedback on several topics including safety and school climate, spending public funds and programs/services for students. Parents become stronger partners in the educational process by attending literacy functions that help them understand expectations for success.

In order to better communicate with parents regarding essential student learning and expectations that focus on academic, physical and mental needs; parents have the opportunity to attend several parent nights throughout the year. Additionally, we provide a parent compact, an online monthly newsletter, and post parent information on our website, social media and Parent Square via text message, call and email. Those parents interested in any of the above mentioned parent involvement activities are encouraged to contact the Medeiros School office at (209) 668-9600 for additional information.

Fiscal Year 2022-23 Types of Services Funded

Medeiros Elementary utilizes a wide variety of services available that support and assist students in our school. We provide counseling services with our school site counselor and TUSD Mental Health Clinicians. We also provide grief and loss counseling through Jessica's house. Medeiros offers English Language support for English Learners. We have two English Learner paraprofessionals who provides extra support for our English Learners. Instructional services include designated and integrated English Language Development and extra support for our "newcomer" students. Additionally, all students may receive academic support through mentor programs through the local university, cross-age tutoring, and reading tutoring from the local university students. We have an intervention block during the school day to provide both strategic and enrichment support on essential grade level standards. We have two reading intervention specialists working with students who are reading below their grade level. We have one math intervention teacher. These supports are provided during the school day.

There are supplemental programs to support students outside of the school day in reading and math. We offer online programs that include Reflex, Lexia English, and i-Ready personalized instruction in reading and math. We utilize paraprofessionals in our TK classrooms and our severe special education classrooms. We have mental health clinicians, interns, and community support groups to provide one on one intervention and small group social skills development. We have ELOP, music, summer school, and STEAM theme days.

Professional Development

Professional Development

The Turlock Unified School District Local Control Accountability Plan prioritized district-wide professional development opportunities for TK-12 to include subject matter, English language development, technology, best practices, equity, and social emotional learning. Multiple measures including CAASPP results, ELPAC achievement data, common formative assessments, and data from site walk through/educational rounds are utilized to prioritize needs. Additionally, TUSD's initiatives and staff input continue to drive the professional development offerings.

Staff is provided with weekly embedded collaboration time in addition to opportunities for extended collaboration outside of the school day. The collaboration time allows teachers to focus on the four essential questions of a PLC, 1.) What do we expect students to learn? 2.) How do we know if students have learned? 3.) What will we do if they don't learn it? 4.) What will we do if they do learn it?

Year one and year two teachers are enrolled in TUSD's Induction Program which is in the fifth year of implementation. The

Professional Development

Induction Program activities are based on the California Standards for the Teaching Profession which outlines the numerous interconnected skills that comprise the professional practices of teaching.

Professional development and support is provided in the following areas: Professional Learning Communities; Math Instruction; ELA/ELD Instruction; Advanced Placement; Technology; Small Group Instruction; Social Emotional Learning, Biliteracy, and Next Generation Science Standards. Professional development opportunities occur during a combination of the regular school day, after hours, and during the summer. TUSD has reading and math intervention teachers at all nine elementary sites to accelerate student learning.

There are several formal Special Education administrative, teacher, and parent trainings scheduled each year that include the following topics: Service delivery for special education students with various handicapping conditions, the referral process for students with special education needs, how to accurately complete the IEP documents, how to maintain legally defensible reports/IEP documents/meetings, behavioral tools/strategies for district staff, case law and disability awareness. At sites, training specific to the students and programs at each site occurs throughout the school year.
