## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22

Misassignments	0.30	0.30
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	<b>0.90</b>	<b>1.80</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	8.70	3.80
<b>Total Out-of-Field Teachers</b>	<b>8.70</b>	<b>3.80</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.6	0.2
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.8	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## School Facility Conditions and Planned Improvements

An assessment was done in August 2023 using the Facility Inspection Tool (FIT), Pitman High is currently a Williams School as such this inspection was completed by SCOE representative John Cicinato. The school buildings and grounds of Pitman High have been deemed to be 'clean, safe and functional', having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. Copies of the District Safety Inspections and Williams Inspections are maintained on file in the Turlock Unified School District Maintenance and Operations office. Safety: A safety plan is in effect. Certificated and classified staffs are vigilant in maintaining student safety. All staff wear identification badges, and all visitors check in and out at the school office. Cleanliness: Pitman High School employees 1 Operations Manager, 1 Head Custodian, 5 Custodians and 4 Groundskeepers. All state and district guidelines governing the custodian tasks have been implemented and are followed in accordance with all applicable laws. Improvements: Pitman High School was constructed in 2002 and continues to be maintained to high standards. A modernization was completed in December 2019 which included improvements to athletic fields, culinary arts, fire alarm and security fencing. An addition of 6 classrooms was completed in 2022 Adequacy: The Turlock Unified School District prides itself in offering clean, safe, and adequate school facilities. Our buildings offer adequate heat and air and are maintained in accordance with stringent state and district guidelines. FIT Results: The FIT form dated August 2023 may list some items found during the site inspection. These items should not be confused as 'Non-functioning' or affect the overall statement of the school site that it is 'clean, safe and functional.' Work orders are input on a regular basis and are usually addressed within a two week period of time.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	60		40		47	
<b>Mathematics</b> (grades 3-8 and 11)	22		25		33	

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Opportunities for parental involvement at Pitman High School include the following:

School Site Council, English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC), Superintendent's Advisory Committee, Parent Advisory Council, Freshman Orientation, Pitman Budget Committee, Back-to-School Night, Sports Information Night, Annual Parents' College Information Night, Financial Aid Night, NCAA Athletic Information Night, Band Boosters, Aquatics Boosters, Pitman Pride Boosters, Baseball Boosters, FFA Boosters, Pitman Pride Athletic Boosters, Sober Grad Night Committee, Occupational Olympics, Individual Educational Plan (IEP) Meetings, 504 Meetings, Student Study Team Meetings, Future Farmers of America (FFA), Theater/Drama Program, and virtual/in person Parent Trainings/Information Nights. Parent surveys are utilized to collect data on various school related topics (e.g. safety, involvement, services, programs, cultural responsiveness). The TUSD Family Resource Center is an opportunity for parents to have support that will provide resources, programs, and services based on the needs and interests of our diverse families.

Parents are always welcome to visit the Pitman High School campus; however, like all visitors, parents must check in at the receptionist desk located in the administration building and be approved before entering the campus. Pitman High School does afford parents the opportunity to participate in a variety of school-related curricular and co-curricular activities, and we encourage and promote parental support in meeting the needs of all students.

Contact information for formal parent organizations, including booster clubs, is available in the activities office, 209-226-6500.

## Fiscal Year 2022-23 Types of Services Funded

Pitman High School utilizes a wide variety of services that support and assist students in their academic and personal goals. Some of these include Honors and Advanced Placement classes, programs for English Learners, Visual & Performing Arts programs, Embedded intervention/enrichment (Pride Time), Mentor programs through California State University, Stanislaus, Career Technical Education (CTE) pathways, summer school, counseling groups, and after school tutoring. Pitman High School staff members are continuously working to strengthen our multi-tiered system of support (MTSS) with a focus on refining practices in each Tier of intervention. Pride Time is a block of time within the school day that provides students additional time and support in order to meet their individual needs on essential learning targets and be provided with Tier 2 and 3 intervention to close the achievement gap with skills not yet mastered. Common assessments and/or diagnostic tests are used to identify students who are in need of this additional support. The PHS Positive Behavior and Intervention Support (PBIS) team is focused on methods for increasing positive behavior and attendance through consistent interaction and support. Pitman has various supplemental materials and resources to support students (e.g., EL Paraprofessionals, Lexia, IXL, Enriching Students, Discovery Education, Albert.io). The Pitman English Learner Task Force examines student progress to determine those with critical academic needs and reviews various pathways for newcomer success. Students who wish to take Advanced Placement (AP) tests are paid for through funds provided by the district.

Pitman High School has a Bridge program that is an intensive intervention for students in tenth grade. The program includes a smaller class setting (e.g., 15 students maximum) and an online independent study component. Students qualify for enrollment based on specific, identified areas of need such as lack of academic progress, poor attendance, or behavioral concerns.

The PHS staff is developing various levels of support, not just academically but also for social, emotional, and behavioral needs. Pride Time Homeroom lessons include topics for class discussions such as digital citizenship, college and career readiness, behavioral expectations, cultural responsiveness, and PBIS. The Pitman Attendance Review Team meets regularly to review student attendance and establish plans for students in need of intervention for attendance-related concerns. Pitman works with our district CARE Program to provide support for students who may need more intense counseling intervention services.

Overall, the goal of the Pitman High School staff is to become a model professional learning community that provides specific support for all students based on their individual, identified needs. A review of progress toward this goal is conducted on a regular basis through an analysis of data and collection and input from members of the Pitman community.

## Professional Development

### Professional Development

The Turlock Unified School District Local Control Accountability Plan prioritized district-wide professional development opportunities for TK-12 to include subject matter, English language development, technology, best practices, equity, and social emotional learning. Multiple measures including CAASPP results, ELPAC achievement data, common formative assessments, and data from site walk through/educational rounds are utilized to prioritize needs. Additionally, TUSD's initiatives and staff input continue to drive the professional development offerings.

Staff is provided with weekly embedded collaboration time in addition to opportunities for extended collaboration outside of the school day. The collaboration time allows teachers to focus on the four essential questions of a PLC, 1.) What do we expect students to learn? 2.) How do we know if students have learned? 3.) What will we do if they don't learn it? 4.) What will we do if they do learn it?

Year one and year two teachers are enrolled in TUSD's Induction Program which is in the fifth year of implementation. The Induction Program activities are based on the California Standards for the Teaching Profession which outlines the numerous interconnected skills that comprise the professional practices of teaching.

Professional development and support is provided in the following areas: Professional Learning Communities; Math Instruction; ELA/ELD Instruction; Advanced Placement; Technology; Small Group Instruction; Social Emotional Learning, Bilingual, and Next Generation Science Standards. Professional development opportunities occur during a combination of the regular school day, after hours, and during the summer. TUSD has reading and math intervention teachers at all nine elementary sites to accelerate student learning.

There are several formal Special Education administrative, teacher, and parent trainings scheduled each year that include the following topics: Service delivery for special education students with various handicapping conditions, the referral process for students with special education needs, how to accurately complete the IEP documents, how to maintain legally defensible reports/IEP documents/meetings, behavioral tools/strategies for district staff, case law and disability awareness. At sites, training specific to the students and programs at each site occurs throughout the school year.

This table displays the number of school days dedicated to staff development and continuous improvement.
