Opportunities to learn, lead & serve increase each year....

A large group of students, mostly teenagers, are posed on a wide set of concrete steps in front of a large, light-colored building with a gabled roof. The students are arranged in many rows, some sitting on the steps and others standing. They are wearing various casual clothing like hoodies, t-shirts, and sweatshirts. Some of the clothing has text on it, such as "JOHN CARROLL", "VANOSKY", "CHATHAM", and "TERRAPIN". The background shows trees and a clear sky. The overall tone of the image is bright and positive.

- **Spring 2024 opportunities**
(Tennis, Golf, Baseball, Track & Field)

The background of the image shows a large group of students sitting in bleachers, likely at a school event. They are wearing grey t-shirts and plaid skirts. In the upper right corner, there is a large, faded school logo featuring a shield with a cross and a stylized figure, with the word 'CAVALIERS' written below it. The text 'Website' is written in a large, green, cursive font with a black outline.
