Deliver Sealed Proposals to:

Santa Fe ISD Purchasing P.O. Box 370 4133 Warpath Santa Fe, TX. 77510

Santa Fe ISD Purchasing Department:

Bryan Holliday Purchasing Specialist (409) 925-9026 bryan.holliday@sfisd.org

Your Proposal must be delivered in a **sealed envelope or carton** and received by the opening time and date listed. Submit one (1) hard copy marked "original", one (1) clearly marked exact copies of the original and one (1) electronic copy on USB in PDF Format.

FAX, e-mail, or other electronic Proposals will not be accepted. Proposals must be plainly marked with the RFP Number and Title above.

Be sure to submit any questions, via email, prior to the deadline. Answers provided will be via an addendum.

Notice

The Purchasing Department of Santa Fe Independent School District ("SFISD" or the "School District") is conducting this procurement to establish a contract. SFSD is seeking proposals for supplies, materials, equipment, and services for the District based on a discount from catalog/shelf price list in order to establish an approved awarded list of vendors that District departments can purchase from on an as needed basis. In order to do business with Santa Fe ISD, you MUST complete and return this proposal packet. No contract shall be executed until it has been reviewed and approved by the Board of Trustees of the School District ("Board") in a duly called and posted meeting of the Board.

This CSRFP is to be received at the time and location designated and should include all the information requested hereafter. The District reserves the right to exclude from consideration any responses that are incomplete or not received at the designated location by the due date and time listed herein.

Upon request, proposal packets will be made available to anyone who wishes to submit a response. However, it is the responsibility of the Proposer to provide the District with the appropriate company name, authorized representatives, and contact information for the purposes of receiving notices, changes, addenda, or other critical information.

The District may choose to award to a single Proposer, or multiple proposers. The District makes no guarantee that an award will be made as a result of this RFP or any subsequent RFP's and reserves the right to accept or reject any or all submittals, waive any formalities, irregularities, or minor technical inconsistencies, or delete any item/requirements from this RFP or contract when deemed to be in the District's best interest.

Submittal Requirements

A complete response will consist of one (1) clearly marked original and one (1) clearly marked exact copy using standard letter size paper (8.5" x 11") in a sealed envelope or container and one (1) electronic copy on USB in a PDF Format. Responses shall be direct, concise, and complete. Proposers failing to submit in manner as requested may be considered non-responsive and may not be evaluated. The 'original' response shall prevail in the event of a discrepancy between the Proposers submissions.

Each response should be prepared simply and economically, providing a straightforward, concise description of the Respondent's ability to meet the requirements of this RFP. Emphasis should be on completeness, clarity of content, responsiveness to the requirements, and an understanding of the District's needs.

No responses will be accepted by oral communication, telephone, electronic mail, telegraphic transmission, or fax transmission. Respondents are solely responsible for the timely delivery of their proposal response to the Purchasing Department. Responses received after the deadline will be rejected and shall be returned to the Proposers unopened. No provisions or exceptions are made for late delivery due to actions or consequences of third-party carriers.

In the event the District's offices are closed due to inclement weather or for any other unforeseen cause, the deadline for submission shall automatically be extended until the next operational business day, unless Proposer is otherwise notified. The time of day shall remain the same. Prior to the final selection, Proposers may be required to submit additional information, which the District may deem necessary to further evaluate the Proposers submission.

Responses which are incomplete or with conditional clauses, or alterations, or items not called for in the PROPOSAL documents, or irregularities of any kind, are subject to disqualification by the District, at its option. The District reserves the right to waive any irregularity or informality in a response or submittal.

Failure to comply with the requirements contained in this RFP may result in a finding that the Respondent is not qualified.

Submittal Contents

In order to facilitate the review and evaluation of RFP's the District requires that Request for Proposal's be submitted in the standard format outlined herein. Although each submitted RFP should, at a minimum, contain the sections outlined below, submissions may include other pertinent or supporting information in the form of Appendices. All submitted Proposals must contain the following:

PLEASE COMPLETE THE FOLLOWING FORMS INCLUDED IN THIS RFP:

Vendor Response Form
Vendor Certifications Addendum
Conflict of Interest Form
1295 Form
Vendor Packet
Other attachments - To be determined by Individual Respondent

Selection Process:

The District will evaluate the RFP's and may select multiple vendors to provide the supplies and service(s). Each Respondent will be ranked based on the published selection criteria. The vendor will be selected on the basis of the published selection criteria and on its ranking evaluations.

Proposals will be evaluated for each criterion listed below. Offeror's shall address each criterion in their proposal. Due to time constraints for school start-up, special emphasis will be given to the job completion date. Each of the following criteria will be weighted with values as follows:

| Criteria | Points |
|--|-----------|
| Purchase Price. | 50 points |
| The reputation of the vendor and of the vendor's goods and services. | 10 points |
| The quality of the vendor's good or services. | 10 points |
| The extent to which the goods or services meet the District's needs. | 10 points |
| The vendor's past relationship with the District. | 5 points |
| The impact on the ability of the District to comply with laws relating to historically underutilized businesses. | 5 points |
| The total long-term cost to the District to acquire the goods or services. | 5 points |
| Any other relevant factor specifically listed in the request for bids or proposals. | 5 points |

Education Code 44.031{b}

Award will be made to the offeror, who, after negotiations, and submission of Best and Final Offer, has, in the opinion of the SFISD, submitted the CSRFP deemed to be the best interest of the SFISD.

SPECIFICATIONS

SCOPE

The intention of this Request for Proposal (RFP) is to purchase Food Service Equipment, a turn-key project for Santa Fe Independent School District. All applicable warranty information must be included in your proposal packet. Installation and all accessories must be included in proposal cost submitted.

For information regarding the proposal process, or, for technical information concerning the products and or services described in this RFP, contact Bryan Holliday, Purchasing Specialist at (409) 925-9026.

*Alternate brand name of items offered for bid submission for the items listed above will be considered if an equivalent is submitted. Equivalents will be evaluated by SFISD personnel to ensure the equivalent equipment meets the standards of the original specified item. Bidder must provide exception to specifications if requested. State your brand for each item if different on the bid submission price sheet. *

DESCRIPTION

The awarded vendor shall furnish, and deliver as required, Food Service Equipment, in the estimated quantities indicated. Materials and equipment shall be delivered, set in place, and installed in accordance with the manufacturer's recommendations. SFISD also request that old equipment be removed and placed at designated place for disposition. Awarded company will work with SFISD Child Nutrition Maintenance Supervisor to ensure correct hook-up of all electrical, plumbing that may be involved. The awarded company shall have a project manager overseeing the delivery and installation of equipment. A final walk thru and testing of installed equipment shall be performed and completed prior to final payment of requested job. This will be a turn-key project of the equipment awarded. The quantities listed will be ordered and shipped to various locations within Santa Fe ISD. The prices must remain firm for the timeframe of the proposal.

This proposal will be awarded on an all award basis award. Provide any information which your company deems necessary for SFISD in good judgement to make a decision for award.

Any deviation from stated terms and conditions must be noted on a deviation sheet.

AWARD

Evaluation of the proposals will be made by a committee of SFISD personnel, consisting of the: Chief Financial Officer
Purchasing Specialist
Director of Nutrition Services

Terms and Conditions:

1 Applicability

- 1.1 All items listed under the general terms and conditions apply unless otherwise stated in the specifications.
- 1.2 These conditions are applicable and form a part of the contract documents in each commodity and/or service contract and a part of the terms of each purchase order for commodity and/or service included in the specifications and Proposal forms issued herewith.

2 Use of District Documents

- 2.1 Proposal responses must be submitted on forms provided by the District. No alteration to the District forms will be permitted, including substitutions, additions, deletions, or interlineations, without written consent of the District.
- 2.2 Reproduction of District documents is permitted, so long as reproduced copies are exactly the same in size, format, and content as forms prepared by the District. Any response submitted in altered form may result in rejection of such response at the option of the District.

3 Withdrawal or Modification of Submitted Response

- 3.1 Any response, which has been submitted, may be withdrawn prior to the deadline. A request to withdraw a Proposal response must be in writing and be received by the District prior to the receiving deadline.
- 3.2 No amendment, addendum, or modification shall be accepted after the deadline for submitting a Proposal response to the District. If a change to a response that has been submitted is desired, the submitted response must be withdrawn and the replacement response submitted prior to the receiving deadline.
- 3.3 No Proposer may have more than one Proposal response on file with the District.
- 3.4 After the scheduled time for receiving Proposal responses, responses may not be withdrawn for a period of sixty (60) days.
- 3.5 Any contract entered into can be modified or rescinded only by a written document signed by both of the parties or their duly authorized agents.

4 Delivery and Materials

- 4.1 The Proposer shall store and protect materials and equipment in accordance with the manufacturer's recommendations.
- 4.2 The Proposer, in the event of damage, shall immediately make all repairs and replacements necessary to the approval of Santa Fe ISD, with no additional cost to the District.
- 4.3 All deliveries will be made to the address(es) specified on the purchase order during normal working hours of 8:00 a.m. to 4:00 p.m. Monday through Friday, unless authorized by the Purchasing Coordinator or designee.
- 4.4 The District shall not be responsible for any "hidden damage" for a period dating from the date of delivery until statute of limitations as provided by the Uniform Commercial Code.
- 4.5 If applicable, delivery shall provide, at no cost, at least one copy of any applicable Manufacturer's Safety Data Sheets (SDS) with each shipment, and upon request. If OSHA, federal, or state laws provide for additional requirements, those requirements are in addition to the SDS requirement.
- 4.6 The Proposer shall retain all portable and detachable parts or portions of installation until final completion of work. These parts shall be delivered to the Santa Fe Independent School District 's Representative or designated District site and acknowledged as itemized receipts to obtain request for final payment.

5 Invoices, Payment and Inspection

- 5.1 The Proposer shall provide an invoice showing labor hours performed by labor description and the actual invoices for all materials purchased before payment will be issued.
- 5.2 The District will pay the Contractor's actual cost plus the contracted mark up for materials. All items purchased (i.e., tools) and billed to the District will remain the property of the District.

- 5.3 Federal excise taxes, state taxes, or sales taxes shall not be included in the invoiced amount. The District is not liable for these taxes. The District will furnish a tax exemption certificate upon request.
- 5.4 All valid and complete invoices received by the District will be paid within thirty (30) days of the District's receipt of the deliverables or of the invoice, whichever is later.
- 5.5 Payment terms, including the rate of interest that shall accrue on any overdue payments, are subject to Chapter 2251 of the Texas Government Code.
- 5.6 The Proposer shall demonstrate work completed meets the requirements of Santa Fe ISD.
- 5.7 The District Representative shall give final approval to all work performed.
- 5.8 The Proposer will email all or fax all inspection reports or other applicable documents to the District Representative for processing.

6 Erasures or Corrections to Proposal

6.1 Any erasures and/or corrections to Proposals, whether executed prior to or subsequent to the original Proposal submittal shall be authenticated by affixing in the margin immediately opposite the correction and the initials of the agent(s) signing the Proposal response.

7 Development of Specifications

- 7.1 Brands of equal quality or type are acceptable. The District reserves the right to make final decisions as comparable items. Be very certain that items upon which you submit, and deliver are equal to items listed. Materials that are determined to be not equal shall be returned to the Proposer transportation charges collect.
- 7.2 Whenever an article or material is defined by describing a proprietary product or by using the name of a manufacturer or brand name, the term "or equal" if not inserted shall be implied. The specified article or material shall be understood as indicating the type, function, minimum standard of design, efficiency, and quality desired and shall not be construed as to exclude other manufactured products of comparable quality, design, and efficiency.
- 7.3 The District reserves the right to purchase additional quantities above that stated at the same unit price unless otherwise specified by the Proposer.
- 7.4 The District reserves the right to modify conditions and specifications by mutual agreement with the selected supplier, both at the time of acceptance of this Proposal offer as so modified and subsequent thereto.

8 Inspection of Documents

- 8.1 Before submitting a response, each Proposer shall thoroughly examine the Proposal documents and project sites (if applicable) to ensure that the equipment and/or services submitted meet the intent of these specifications.
- 8.2 Each Proposer receiving forms prepared by the District is responsible for inspection of District documents for missing or illegible pages, or other indication of incomplete information provided to the Proposer. The failure or neglect of Proposer to receive or examine any contract document, form, instrument, addendum, or document shall in no way relieve Proposer from obligations with respect to his or her response. The submission of a response shall be taken as prima facie evidence of compliance with this section. Receipt of addenda to the Proposal documents by a Proposer must be acknowledged in the response.
- 8.3 The District is not responsible for incomplete response packets.

9 Warranties

- 9.1 Warranty conditions for all supplies and/or equipment shall be considered manufacturer's minimum standard warranty or a minimum of one (1) year guarantee, whichever is greater, unless otherwise agreed to in writing. Proposer shall be an authorized dealer, distributor, or manufacturer for the product. All equipment submitted shall be new unless clearly stated in writing.
- 9.2 If a Proposer's response is accepted by the District, the price to be paid by the District shall be that contained in Proposer's response which Proposer warrants to be no higher than Proposer's current prices on orders by others for products of the kind and specification covered by this agreement for similar quantities under similar or like conditions and methods of purchase. In the event Proposer breaches this warranty, the prices of the items shall be reduced to the Proposer's current prices on orders by others, or in the alternative, the District may cancel this contract without liability to Proposer for breach or Proposer actual expense.
- 9.3 If a Proposer's response is accepted by the District, the Proposer warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for commission, percentage, brokerage, or contingent fee excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Proposer for the purpose of securing business. For breach or violation of this warranty, the District shall have the right in addition to any other right or rights to cancel the contract without liability and to deduct from the contract price, or otherwise recover the full amount of such commission percentage, brokerage, or contingent fee.
- 9.4 If a Proposer's response is accepted by the District, the Proposer shall not limit or exclude any implied warranties and attempt to do so shall render the contract voidable at the option of the District. Proposer warrants that the goods furnished will conform to the specifications, drawings, and descriptions listed in this request for Proposal, and to the sample(s) furnished by the Proposer, if any. In the event of a conflict between the specifications, drawings, and descriptions, the specification shall govern.
- 9.5 If a Proposer's response is accepted by the District, the Proposer warrants the product sold to the District shall conform to the standards promulgated by the U.S. Department of Labor under Occupational Safety and Health Act (OSHA). In the event the product does not conform to OSHA standards, the District may return the product for correction or replacement at the Proposer's expense. In the event the Proposer fails to make the appropriate correction within a reasonable time {15 working days}, correction made by the District will be at the Proposer's expense.

10 Proposal Cost

- 10.1 The District shall not be liable for any cost incurred by a Proposer in the preparation or delivery of its response to this request for competitive sealed proposal or for any other cost incurred because of the request for proposal.
- 10.2 The issuance of this request for proposal does not obligate the District to enter into a contract for any commodity and/or services.

11 Proposal Disclosure

11.1 The District is a government body subject to the Texas Public Information Act. Responses submitted to the District as a result of this solicitation are subject to release as public information after contracts are executed or the procurement is terminated. In the event a Proposer desires to claim portions of submitted response are exempt from disclosure, it is incumbent upon the Proposer to identify those portions in a transmittal letter. The transmittal letter must identify the page, the particular exemption(s) from disclosure, and the contended justification for exemption upon which it is making its claim. The District will consider a Proposer's request(s) for exemption from disclosure; however, the District will not

- be bound by the assertion that a page contains exempt material. An assertion by a Proposer that an entire volume of its response is exempt from disclosure will not be honored.
- 11.2 Until a contract resulting from this request for Proposal is executed, no employee, agent, or representative of any Proposer shall make available or discuss its response with the press, any elected or appointed official or officer of the District, or any employee, agent, or other representative of the District, unless specifically allowed to do so in writing by the District for the purposes of clarification, evaluation, and/or awarding the Proposal.
- 11.3 Proposers shall not issue any news release(s) or make any statement to the news media pertaining to this request for Proposal or any Proposal and/or contract or work resulting therefrom without the prior written approval of the District and then only in cooperation with the District.
- 11.4 By signing this Proposal response, a Proposer affirms he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Proposal response submitted.
- 11.5 Proposer shall note any and all relationships which might be a conflict of interest and include such information with their response.
- 11.6 By signing this Proposal response, a Proposer affirms, to the best of his/her knowledge, the response has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give them an unfair advantage over other Proposers in the award of this Proposal.
- 11.7 If a Proposer's response is accepted by the District, the Proposer shall not advertise or publish, without the District's prior consent, the fact the District has entered into the contract, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state, or local government.

12 Licenses, Permits, and Taxes

12.1 The price or prices for the services and/or supplies shall include full compensation for all taxes, permits, and licenses that the Proposer is or may be required to pay.

13 Award of Contract

- 13.1 The District reserves the right to accept or reject, in part or in whole, any and all Proposal responses and to waive any irregularities or informalities in any Proposal or in the Proposal process. The contract will be awarded to a responsible Proposer. Whose responses are most advantageous to the District, considering the relative importance of price and the other evaluation criteria which may be included in the proposal.
- 13.2 Award of the contract shall be made to the bidder who provides goods or services at the best value for the District taking into consideration the relative importance of price and other factors set forth below. Best value evaluation criteria will be grouped into percentage factors.
- 13.3 The District may, by written notice to contractor, cancel the contract if it is found by the District that gratuities, in the form of entertainment, gifts, or otherwise, were offered or given by contractor or any agent or representative of contractor, to any employee or members of the Board of Trustees with a view toward securing an order or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such order.
- 13.4 A Proposer may be disqualified before or after an award is made, upon evidence of collusion with the intent to defraud, or perform other illegal activities for the purpose of obtaining an unfair competitive advantage.
- 13.5 It is expected that all contact by Proposer with any District personnel and/or members of the Board of Trustees begin with the issuer of this Proposal. Failure to follow this procedure is grounds for eliminating the Proposer from any further consideration of awarding the contract.

- 13.6 The recommendation to award the Proposal will be made to the District Board of Trustees. No contract shall be executed until it has been reviewed and approved by the Board of Trustees in a duly called and posted meeting of the Board.
- 13.7 In connection with the performance of work under the contract, the Proposer agrees to comply with the Fair Labor Standard Act, Equal Opportunity Employment Act, and all other applicable federal, state, and local laws, regulations, and executive orders to the extent that the same may be applicable. Davis-Bacon Act and Related Act contractors and subcontractors must pay their laborers and mechanics employed under the contract no less than the locally prevailing wages and fringe benefits for corresponding work on similar projects in the area.

14 Non-Appropriation Clause

14.1 Any/all contracts exceeding one (1) year will require a standard non-appropriation clause. Renewal of contracts will be in accordance with Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. The Board of Trustees of District reserves the right to rescind the contract at the end of each fiscal year if it is determined that there are insufficient funds to extend the contract.

15 Uniform Commercial Code

15.1 All contracts and agreements between Proposer and the District shall strictly adhere to the statutes as set forth in the Uniform Commercial Code as last amended by the American Law Institute in the National Conference of Commissioners on Uniform State Laws. Reference: Uniform Commercial Code, Official Text.

16 Contracts for Purchase

16.1 Contracts for purchase will be put into effect by means of a purchase order(s) executed by the Purchasing Department after Proposals have been awarded, or by means of a written contract and a purchase order(s) in such instances where applicable.

17 Non-Performance

- 17.1 Immediate non-performance of the Proposer in terms of specifications shall be a basis for the termination of the
- 17.2 If, at any time, the Proposer fails to fulfill or abide by the terms, conditions, or specifications of the contract, the District reserves the right to: a) purchase on the open market and charge the Proposer the difference between contract and actual price, orb) deduct charges from existing invoice totals due at the time.
- 17.3 The District shall have the right to cancel for default all or any part of the undelivered portion of this order if Proposer breaches any of the terms hereof including warranties of Proposer or if the Proposer becomes insolvent or commits acts of bankruptcy. Such right of cancellation is in addition to and not in lieu of any other remedies which the District may have in law or equity.

18 Termination of Contract

- 18.1 The District shall have the right to terminate the contract, in whole or in part, for its own convenience and without cause any time upon thirty (30) days prior written Notice of Termination. Upon receipt of a Notice of Termination, the Proposer shall promptly cease all further work pursuant to the contract award, with such exceptions, if any, specified in the Notice of Termination.
- 18.2 The District will pay the Proposer, to the extent of funds appropriated or otherwise legally available for such purposes, for all goods delivered and services performed, and obligations incurred prior to the date of termination in accordance with the terms hereof.

19 Venue

19.1 This Proposal shall be constructed and enforced in all respects in accordance with the laws of the State of Texas and the laws of the United States applicable to transactions in Texas. Exclusive venue with respect

to any legal action relating to or arising under this Proposal shall lie in the District Court(s) of the State of Texas sitting in Galveston County, Texas, Proposer hereby expressly consenting to the jurisdiction of such courts.

20 Certificate of Interested Parties (Form 1295)

- 20.1 In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the government entity or state agency at the time the business entity submits the signed contract to the government entity or state agency. The disclosure requirement applies to a contract entered into on or after January 1, 2016.
- 20.2 The commission has made available on its website a new filing application that must be used to file form 1295. A business entity must use this application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorization agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with Santa Fe ISD. The filing application site can be located at https://www.ethics.state.tx.us/File/
- 20.3 The District must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from Santa Fe ISD.

21 Service-Related Contracts

- 21.1 The Proposer warrants it shall have available the necessary personnel, organization, equipment, and facilities to perform all the services and /or provide all the goods required under this solicitation.
- 21.2 The Proposer shall employ orderly and competent employees trained in the required services to be provided under this solicitation.
- 21.3 The Proposer, its employees, subcontractors, and subcontractor's employees may not use or possess any firearms, intoxicating beverages, tobacco, illegal drugs, or controlled substances while on the District's property, nor may such workers be intoxicated, or under the influence of alcohol or drugs.
- 21.4 The District reserves the right to prevent, forbid, and/or temporarily or permanently bar any Proposer, its employees, subcontractors, and subcontractor's employees from any district facility for whatever reason it determines necessary to maintain safety and orderly operations.
- 21.5 If applicable under this solicitation, Proposer, its employees, subcontractors, and subcontractor's employees shall have and maintain any and all required licenses and/or certifications for the duration of the contract. Additionally, the District reserves the right to require proof of any such requirement at any time during the contract term.
- 21.6 The Proposer, its employees, subcontractors, and subcontractor's employees shall fully comply with all applicable federal, state, and local safety and health laws, ordinances, rules and regulations in the performance of the services, including but not limited to those imposed by the District and by the Occupational Safety and Health Administration (OSHA). In case of conflict, the most stringent safety requirements shall govern.

22 Criminal Background Checks

22.1 All Proposer, subcontractors, and their employees must submit to the District proof of a satisfactory criminal record history of all individuals working on District property through background checks conducted as required by Senate Bill 9. When entering a district site, check in through the front office

- through our Raptor system. The criminal record history must be obtained by the successful Proposer before any work is performed. The information regarding the requirements for conducting a criminal records check is posted on the Texas Department of Public Safety's website, www.txdps.state.tx.us by clicking open Crime Records and reading School District Guide to Senate Bill 9.
- 22.2 Respondent agrees by signing and executing this solicitation to provide assurance that all employees, subcontractors, and volunteers of the provider who have contact with students have passed a criminal history background check current within the last year as per defined in Senate Bill 9.

23 Indemnification

23.1 The Proposer will defend, indemnify, hold harmless, and exempt the District, its officers, agents, and employees from and against any and all suits, actions, legal proceedings, claims, demands, damages, costs, expenses, and attorneys' fees incident to any work done in the performance of this contract arising out of a willful or negligent act or omission of the Proposer, its officers, agents, or employees.

24 Insurance

- 24.1 If requested the successful Proposer shall be required to provide the District with copies of certificates of insurance, named as additional insured. Certificates of Insurance, name and address of Proposer, the limits of liability, the effective dates of each policy and policy number shall be delivered to the District prior to commencement of work. The insurance company shall be licensed in the State of Texas, certificate forms shall be approved by the Texas Department of Insurance and shall be acceptable to the District. All policies of insurance shall waive all rights of subrogation against the District, its officers, employees, and agents.
- 24.2 The District is to be added as "Additional Insured" to the General Liability policies. The coverage shall contain no special limitations on the scope of protection afforded to Santa Fe ISD, its Board, employees and volunteers. Certificate of Insurance submitted for review shall be addressed to:

Santa Fe ISD -Attn.: Purchasing Department P.O. Box 370

Santa Fe, Texas 77510

The bid/proposal number and title should be noted in the "Description of Operations/Locations/Vehicles/ Special Items" block of the certificate.

- 24.3 All insurance policies proposed or obtained shall comply and be maintained with the listed general specification below throughout the duration of the contract, or longer, if noted:
 - 24.3.1 Each policy will be issued by a company authorized to do business in the state of Texas with an **A.M.** Best Company rating of at least A-.
 - 24.3.2 Should any of the required insurance be provided under a claims-made form, the Proposer shall maintain such coverage continuously throughout the term of this contract and without lapse, for a period of three years beyond the contract expiration, such that occurrences arising during the contract term which give rise to claims made after expiration of the contract will be covered.
 - 24.3.3 Proposer is responsible for all deductibles.
 - 24.3.4 Texas requires that all drivers carry minimum automobile insurance. It is recommended that you purchase a commercial policy if you will be using your personal vehicle for business use.
 - 24.3.5 All policies shall be endorsed to provide 30 days prior written notice of cancellation, nonrenewal or reduction in coverage except ten days for nonpayment of premium.

- 24.3.6 Insurance policies shall be primary and non-contributing to any other insurance available to the additional insured.
- 24.3.7 Contracted projects of any size will be adequately insured. The purchasing department will verify coverage and will not waive any insurance requirements unless a waiver has been approved by the Chief Financial Officer of Business & Operations.
- 24.3.8 The District reserves the right to review the coverage requirements during the effective period of any agreement and to make reasonable adjustments to the requirements when deemed reasonably prudent by the District based on change in laws, court decisions or potential increase in exposure to loss.
- 24.4 The required insurance coverages and limits are listed below. If insurance policies are not written for amounts specified below, Proposer shall carry Umbrella or Excess Liability Insurance for any differences in amounts specified. If Excess Liability Insurance is provided, it shall follow the form of the primary coverage.

25.1 Neither party shall be deemed to have breached any provision of this contract as a result of force majeure. The term force majeure as referenced herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots; pandemics, epidemics; landslides; land sinkage; lightning; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability.

26 Recycled Products

26.1 The District shall give preference in purchasing to products made of recycled materials if the products meet applicable specifications as to quantity and quality.

27 interlocal Cooperation with Other Government Agencies

27.1 As permitted under Chapter 791 of the Government Code, other local governmental entities may wish to also participate under the same terms and conditions contained in this contract. Each entity wishing to participate must enter into the same interlocal Agreement as Santa Fe Independent School District and have prior authorization from Proposer. If such participation is authorized, all purchase orders will be issued directly from and shipped directly to the local governmental entity requiring supplies and/or services. Santa Fe Independent School District shall not be held liable or responsible for any orders placed, deliveries made or payment for supplies/services ordered by these entities. Each entity reserves the right to determine their participation in this contract.

28 Special Tools and Test Equipment

28.1 If the Proposal price stated on the Proposal submittal section of the Proposal includes the cost of any special tooling or special test equipment fabricated or required by the Proposer for the purpose of filling this order, such special tooling equipment and any process sheets related thereto shall become the property of the District, and to the extent feasible shall be identified by the Proposer as such.

29 Prevailing Wage Rate

- 29.1 If Applicable bidders are required to comply with Texas Government Code, Chapter 2258 Prevailing Wage Rates, with respect to payment of prevailing wage rates for the construction or improvements, paid for in whole or in part from public funds, without regard to whether the work is done under public supervision or direction. A worker is employed on a public work if the worker is employed by the Proposer or any subcontractor in the execution of the contract for the project.
- 29.2 A worker employed on a public work by or on behalf of the Santa Fe Independent School District shall be paid no less than the general prevailing rate of per diem wages for the work of similar character in the locality in which the work is preformed, and not less than the general prevailing rate of per diem wages for legal holiday and overtime work.
- 29.3 The state of Texas has adopted the federal Davis-Bacon wage rates for the use in Texas pursuant to and in accordance with the Texas Government Code, Section 2258.022. Bidders may access the U.S. Department of Labor web site at the following web address to obtain the rates to be used in Galveston County.

 www.access.gpo.gov/davisbacon/index.html
- 29.4 It shall be the responsibility of the successful bidder to obtain the proper wage rates from the web site for the type of work define in the Proposal documents.
- 29.5 The Proposer or subcontractor who violates Texas Government Code Section 2258.023 shall forfeit as a penalty to Santa Fe Independent School District, \$60.00 for each worker employed for each calendar day, or portion thereof, such worker is paid less than the stipulated rates for any work done under the contract by him, or by any subcontractor under him.
- 29.6 Nothing herein contained, however, shall be construed to prohibit the payment of more than the prevailing rate of wages to any worker employed on the work.

Pursuant to Texas Government Code Chapter 2270: Section 2270.001 (Amended), Does not boycott Israel currently and will not boycott Israel during the term of any contract with Santa Fe ISD.

¹¹Boycott Israel¹¹ means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

"Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority- owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit which has ten (10) or more full-time employees and the value of the contract with Owner is \$100,000 or more.

NOTE: The U.S. District Court for the Western District of Texas entered a preliminary injunction enjoining the enforcement of the above clause in any state contract. Texas Government Code, Chapter 2270 has been amended since the date of the injunction and the requirement of the statute is included above in its amended form. As the statute may not cure the entire breadth of issues addressed by injunction, the Owner does not intend to seek enforcement of this statute until further order of this or higher court having jurisdiction over the issue.

Criminal Background Check

The Proposer will obtain history record information that relates to an employee, applicant for employment, or agent of the Proposer if the employee, applicant, or agent has or will have continuing duties related to the contracted services and the duties are or will be performed on school property or at another location where students are regularly present.

The Proposer certifies to SFISD that before beginning work and at no less than an annual basis thereafter that criminal history record information has been obtained. Proposer shall assume all expenses associated with the background checks and shall immediately remove any employee or agent who was convicted of a felony, or misdemeanor involving moral turpitude, as defined by Texas law, from SFISD's property or other location where students are regularly present. SFISD shall be the final decider of what constitutes a "location where students are regularly present." Proposer's violation of this section shall constitute a substantial failure.

If the Proposer is the person or owner or operator of the business entity, that individual may not self-certify regarding the criminal history record information and its review and must submit a letter attesting that they are in compliance.

Felony Conviction Notification

State of Texas Legislative Senate Bill No. 1, Section 44.034, Notification of Criminal History, Subsection (a), states, "a person or business entity that enters into a contract with a school district must give advance notice to the District if the person or owner or operator of the business entity has been convicted of a felony." The notice must include a general description of the conduct resulting in the conviction of a felony.

Subsection (b) states, "a school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction." The district must compensate the person or business entity for services performed before the termination of the contract.
