

Peer Tutoring

Learning Together at MHS

Peer Tutoring at Maryville High School

Ways that Peer Tutors Serve:

Peer tutors assist other MHS students in their academic and social development. Peer tutors help students in their classes, and/or in one-on-one or small group tutoring sessions on academic tasks. Peer tutors are sometimes needed to be lunch companions or work-based learning partners.

Applicants selected as peer tutors are expected to attend initial training sessions with peer tutoring coordinator, submit a reflective journal or assignment each week, and be evaluated periodically by sponsoring teacher.
