CRIMINAL BACKGROUND CHECKS

As part of its on-going commitment to providing a safe and appropriate learning and work environment for its students and staff, the Holbrook Public Schools will review available criminal history information on all individuals who may have direct and unmonitored contact with children. In accordance with all applicable federal and state laws and regulations regarding Criminal Offender Record Information (“CORI”) and Criminal History Record Information (“CHRI”), the Holbrook Public Schools shall conduct individual background checks before an applicant is hired or otherwise provides services and periodically, at least once every 3 years. The fee charged by the provider to the employee and educator for national fingerprint background checks will be \$55.00 for school employees subject to licensure by DESE and \$35.00 for other employees, which fee may from time to time be adjusted by the appropriate agency.

The Superintendent, Principal or their certified designee shall obtain all CORI and CHRI information from the Department of Criminal Justice Information Services (“DCJIS”) on all current employees and prospective individuals who may have direct and unmonitored contact with students,¹ which includes, but not limited to, the following:

- Employees and applicants for employment, including promotions;
- Volunteers and interns;
- Student teachers;
- Individuals who regularly provide school related transportation to children;
- Subcontractors or laborers commissioned by the Holbrook Public Schools or employed by the town to perform work on school grounds or with students; or

All individuals listed above, except volunteers, subcontractors or laborers, are required to submit to fingerprint based state and national criminal history record check. The Holbrook Public Schools, in its discretion, may require volunteers, subcontractors or laborers to submit to fingerprint based state and national criminal history record checks.

Any review of Criminal Offender Record Information (“CORI”) and/or state and national criminal history record information accessed through fingerprints (“CHRI”) available through the Department of Criminal Justice Information Services (“DCJIS”) will follow procedure and requirements established by the DCJIS, as authorized by Mass. Gen. Laws, c.71, §38R and 42 U.S.C. §16962 in accordance with all applicable state and federal laws and regulations, and in compliance with Mass. Gen. Law, c.6, §167-18 and 803 CMR §2.0.

¹ Direct and unmonitored contact with children is defined as contact with students when no other employee for whom the school/district has made a suitability determination is present. “Contact” refers to any contact with a student that provides the individual with opportunity for physical touch or personal communication.

When requesting CORI and other criminal history information, the following policy and procedure should be followed:

1. Requests for CORI

The individual will be asked to complete a CORI Acknowledgement Form (Attachment A) and the school/District will confirm the individual's identity.

Unless a negative decision is made regarding suitability for employment, the individual will be required to submit his/her fingerprints following the procedures outlined in the attached instruction sheet. (Attachment B).

If an individual's CORI has already been accessed within a year that he/she signed the CORI Acknowledgement Form, the individual must be given seventy-two (72) hours' notice that an additional CORI check will be conducted.

2. Access to CORI and CHRI

All CORI/CHRI information must be treated as confidential and may only be accessed by individuals with a "need to know" which may include, but is not limited to, staff submitting or processing the criminal history requests and school officials making hiring decisions. A list of those individuals authorized to have access to, or view, CORI/CHRI information must be established and updated every six (6) months,

CHRI information cannot be shared with any unauthorized entity for any purpose, including subsequent hiring determinations.

The Holbrook Public Schools may be audited by DCJIS and/or the FBI and could be subject to sanctions. Unauthorized disclosure of CORI/CHRI information may result in criminal charges.

3. CORI/CHRI Training

An informed review of a criminal record requires training. All staff authorized to conduct CORI/CHRI checks and/or review CORI/CHRI will review and become familiar with, the educational and relevant training materials regarding CORI/CHRI and Statewide Applicant Fingerprint Identification Services (SAFIS) made available by appropriate agencies, including the DCJIS.

4. Storage of CORI/CHRI

CORI/CHRI shall only be stored for extended periods of time when needed for the integrity and/or utility of an individual's personnel file. Administrative, technical, and physical safeguards that are in compliance with the most recent CJIS Security Policy have been implemented to ensure the security and confidentiality of CORI/CHRI. The CJIS Security Portal can be found at <http://www.mass.gov/eopss/law-enforce-and-cj/cjis-security-policy.html>. Each individual involved in the handling of CORI/CHRI is to familiarize him/herself with these safeguards.

In addition to the above, each individual involved in the handling of CORI/CHRI will strictly adhere to the policy on the storage, retention and destruction of CORI/CHRI.

5. Retention and Destruction of CORI/CHRI

Federal law prohibits the repurposing or dissemination of CHRI beyond its initial requested purpose. Once an individual's CHRI is received, it will be securely retained in internal agency documents for the following:

- Historical reference and/or comparison with future CHRI requests
- Dispute of the accuracy of the report
- Evidence for any subsequent proceedings based on information contained in the CHRI

CORI/CHRI will be kept for the above purposes in separate, secured, locked locations in the Office of the Superintendent.

When no longer needed, CHRI/CORI and any summary of CHRI/CORI data must be destroyed by shredding paper copies and/or by deleting all electronic copies from the electronic storage location, including any backup copies or files. If the shredding of paper copies of the CHRI/CORI is performed by an outside vendor, an employee of the Holbrook Public Schools must supervise such shredding.

6. Use of Criminal History in Background Screening

Information from CORI/CHRI records used for employment purposes shall only be accessed for applicants who are otherwise qualified for the position for which they have applied and for current employees during periodic criminal background check.

Unless otherwise provided by law, a criminal record will not automatically disqualify an individual from employment, contract work, volunteering or interning. Rather, determinations of suitability based on background checks will be made consistent with this policy and any applicable law or regulations.

7. Verify a Subject's Identity

If a criminal record is received from DCJIS, the information must be closely compared with the information on the Acknowledgement Form and any other identifying information provided by the applicant to ensure the record belongs to the applicant.

If information in the CORI/CHRI record provided does not exactly match the identification information provided by the applicant, a determination is to be made by an individual authorized to make such determinations based on a comparison of the CORI/CHRI record and documents provided by the applicant.

8. Verify a Subject's Identity
