A sampling of the enrichment activities we have in ACE includes:

Community Service Learning
Cooking Clubs
Science Activities
21st Century Skill Building

Art Instruction/Activities
STEM Projects
Tutoring
Environmental Literacy Activities

Hours: The ACE Program is open every school day from the time school is out until 6:00 pm.

Fees and Scholarships:

*Our intent is to make our after school program **affordable to all families** who wish to participate with a reasonable fee and scholarships. Financial assistance is offered to help mitigate the financial burden our fee may have on your family. Our scholarships are offered on a limited basis and are awarded based on family income and availability. **Irregular attendance may jeopardize a student's place in the program.**

*In addition, to ease the financial impact on our families, we will be offering a 88% discount for families who choose a prepayment option, as outlined in the fee schedule. To qualify for this discount, the first payment must be made at the time of initial registration.

*Our fee is based on a 10 month schedule. We charge for the months of August through May. There is no payment required for June. There are **NO** prorated fees based on student daily or hourly attendance. Our fee is a flat monthly rate, regardless of the days we do not offer services when school is not in session.

If the monthly scholarship amounts still have a significant impact for you, please call our office to discuss further options. **Again, we are committed to making the ACE Program affordable to all students who wish to attend.**

Thank you!

Corena Peters
ACE Program Coordinator

**All registration forms
must be completed and processed by the
main ACE office prior to student enrollment. Students may
start attending ONLY after the parent or guardian has been
given an enrollment date by the ACE office
and payment has been received.**

2024/2025 ACE PROGRAM

FEE SCHEDULE AND SCHOLARSHIP POLICY

FEES

ACE fees are based on a 10-month schedule, August through May. **The regular fee for ACE is \$475 per month.** The fee does not vary when school is not in session and it is not prorated for days or hours your child is not in attendance. The ACE Program charges \$1 per minute for any student remaining after 6:00 p.m. Repeated late pick-ups may result in removal from the program.

PAYMENTS

You will be contacted regarding your fee. The initial payment will be due before your student starts. If a family wishes to prepay for a full year at initial registration, as outlined in the fee schedule, they are entitled to an 88% discount. The first installment is due before your student starts, within 5 days of registration and second installment by November 1st. Failure to pay within 5 days of registration (first installment) and November 1st (second installment), will result in the loss of the 88% discount.

Should you choose the monthly fee payment schedule, subsequent monthly payments are due on the FIRST of every month. If payment is not received by the first, a late fee of \$5.00 will be charged. If payment plus late fee is received within 5-days after the due date, your student will not be able to attend the program and you will lose the discounted price. Should your check be returned for any reason, the amount plus a \$15 returned check fee must be paid in cash. Once payment is again current, your student may re-enter the program if space allows.

Should you enter the program later in the year, and choose to pay in full for fees, your payments will be prorated on a monthly basis at the 88% discount for the number of months your student(s) is enrolled.

ACE offers scholarships to help offset the financial burden our fees may have on families, as does the Shasta County Office of Education (SCOE). ACE DISCIPLINE POLICY

The ACE Program is designed to ensure students receive emotional, intellectual, and physical support essential to a child's development. The staff also provides fun, educational, and challenging activities to help create a quality learning experience for students.

For the safety of students and staff, it is essential that the school rules are followed in ACE. The rules in ACE are the same as the school's rules. For a copy of your school's rules, please see your ACE Site Facilitator or pick up a copy at your school office. In ACE we provide many opportunities for our students to modify their behavior before giving any referrals.

REFERRAL #1:

Verbal warning, written referral, and call to parent/guardian.

REFERRAL #2:

Verbal warning, written referral, call to parent/guardian, and student suspended.

REFERRAL #3:

Verbal warning, written referral, call to parent/guardian, and child exited from the program.

The ACE program reserves the right to modify the above discipline plan based on the severity of the offense. It is a privilege to attend the ACE After School Program. To ensure the safety and comfort of all, we ask that you review the discipline policy with your child and remind them of the school rules.

GROUND FOR IMMEDIATE SUSPENSION/EXIT: In the event of disruptive, violent behavior, or other serious infractions of school rules, the ACE Program retains the right to IMMEDIATELY suspend or exit students from the program regardless of previous warnings. The parent/guardian will be contacted, as well as the local authorities, if the situation warrants.

ACE HOMEWORK POLICY

Enterprise Elementary School District requires that all students enrolled in the ACE After School Program participate in our “Homework Hour.”

- Homework is a vital component of a child’s education. Homework reinforces concepts and lessons taught during the regular school day.
- ACE will provide an appropriate environment for “Homework Hour.” Our staff is available to offer help and any additional time necessary to accommodate your student’s needs with homework.
- ACE cannot force students to do their homework, nor do we have answer keys to fully correct homework. We are only able to encourage and assist them.
- We encourage parents to **always** check their child’s homework.
- Your child’s teacher (not ACE staff) will correct and grade your child’s homework.
- We make every effort to communicate with the teaching staff, but we are not always informed of homework that has been assigned. It is the parent’s responsibility to keep in contact with their student’s teacher.
- We recommend that you encourage your child to ALWAYS bring his/her homework to ACE so they may complete as much of it as possible during the “Homework Hour.”

PRIORITY ENROLLMENT POLICY

1. First priority shall be given to students who are identified as homeless youth and to students who are identified by the program as being in foster care.
2. Second priority for enrollment shall be given to children entering Kindergarten. Equal priority for enrollment shall be given to their siblings.
3. Third priority for enrollment of junior high students shall be given to students who attend daily.
4. Fourth priority for enrollment shall be given to students identified as in need of academic remediation or support in accordance with Board policy or administrative regulations.
5. Any remaining capacity shall be filled by students selected in the order the applications were received. If the number of applicants exceeds the capacity at a given site, then the District reserves the option to hold a lottery after following the above procedures for priority enrollment.
6. A waiting list shall be established to accommodate additional students if space becomes available.
