## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Grayson Elementary is a K-6, with the Dual-Language Immersion (DLI) Program, located in Westley, CA. Enrollment averages 270 students, the enrollment does depend on our migrant population. We are 98.9% Hispanic, 95% Socioeconomically disadvantaged, and 79% English Learners. Our dual immersion is Spanish/English utilizing the 50/50 model.

### VISION:

The Grayson Elementary School staff is dedicated to continual personal and professional excellence. Our Dual-Language Immersion Program challenges our students to the highest levels of academic excellence. Our students are educated to be fully bilingual / biliterate participating citizens and leaders of the 21st century. With the unique partnership among parents, members of the community, and school staff, students learn to appreciate and understand the value of each individual as an essential part of the total community.

### MISSION:

Grayson Elementary School Students will:

- Develop language fluency and literacy in two languages: Spanish and English.
- Achieve proficiency in all academic subjects, meeting or exceeding district guidelines.
- Cultivate an understanding and appreciation of other cultures and develop positive attitudes toward fellow students, their families, and their community.

### District Vision:

PJUSD Promise: Unlocking Potential - Empowering Lives

Core Values: Integrity-Perseverance - Inclusivity - Innovation-Excellence

### Focus Areas:

Academic Achievement: Fostering student achievement is a central focus of the PJUSD Promise. It is our goal to ensure students are supported with rigorous academic experiences that prepare them to be college and/or career-ready upon graduation.

## 2023-24 School Description and Mission Statement

**Student and Staff Safety and Wellness:** Safety and wellness are essential components of an environment that is conducive to teaching and learning. PJUSD Promise fosters a culture that promotes the emotional health, safety, and well-being of students and staff. We will cultivate an environment that fosters mutual respect among students, staff, and educational partners.

**Facilities and Resources:** The PJUSD Promise effectively maximizes resources to support every student’s educational journey. We are committed to ensuring excellence in every interaction and providing students and staff with the necessary resources to achieve the district’s strategic plan.

**Communication and Collaboration:** The PJUSD Promise is to provide effective, meaningful, and concise communication among our schools, parents, staff, and community. Such communication creates and maintains positive relationships both within and outside our district. PJUSD strives to provide its schools, parents, staff, and members of the community with a consistent stream of communication that is transparent and easily accessible to all.

**Employee Success and Leadership Development:** The PJUSD Promise is to provide staff with support and leadership opportunities. We will strive to attract, train, and retain employees as well as develop strategic leaders who embrace the vision and values of our district.

## A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### 2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Grayson School was constructed approximately 75 years ago and renovated approximately 21 years ago. The school consists of a main administrative office and two classroom wings with four classrooms per wing. In addition, ten portable buildings accommodate additional classrooms including a preschool, resource room, and a library. The campus includes a regulation size soccer field, baseball diamond, and basketball courts. Grayson School provides a clean, safe learning environment. Yard duty supervisors consisting of classified and certificated employees who monitor the school on a daily basis before, during, and after school. Restrooms are clean, including sinks, stalls, and soap dispensers, and 100% of the urinals and toilets are in working condition. An eight-hour day custodian and an six-hour night custodian keep the facilities clean and attractive. Repairs and maintenance are done on a routine basis. Minor repairs are handled by the day and night custodian. Our custodial staff diligently works to keep our school clean, safe, and graffiti-free.

Major repairs are deferred to the District maintenance crew. Maintenance Projects:

During the Summer of 2021 two additional portables were added to campus in order to house our 6th grade students that are now remaining on the elementary campuses. A cinder block wall was removed to give better sight lines of the new classrooms, restrooms and courtyard to improve safety. There was also a new playground structure installed for the 3rd-6th grade students incorporating music and obstacle courses. In Summer of 2020 the office was completely remodeled to include a new office entrance to access the campus and a new gate was also installed in order to secure the campus during school hours. Outdoor picnic tables were installed to allow students outdoor seating and allow for social distancing. There is also a new shade structure with more tables that was completed in March of 2021.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	28		35		47	
<b>Mathematics</b> (grades 3-8 and 11)	15		18		33	

### 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## 2023-24 School Safety Plan

Grayson Elementary School has conducted and created a comprehensive school safety plan that follows District and school policy. The Safety Plan was updated in November and December 2023. The final Safety Plan was approved on December 7, 2023. Monthly Fire drills and quarterly earthquake drills ensure orderly responses by teachers and students in such an event. In addition, teachers are trained in safety procedures for a “Lockdown” event. We have also increased our playground supervision before and after school. Our annual school climate survey consistently indicates that students (and teachers) feel safe at school. Grayson strongly promotes PBIS and positive social interactions between students on the playground, in the classroom, and in the cafeteria. Our “Cougar in Action” recognizes students that are following our school rules of Be Respectful, Be Responsible, Be Safe, and Be Kind.

## Fiscal Year 2022-23 Types of Services Funded

These programs and supplemental services are provided at the school either through categorical funds or other sources that support and assist students: English Learner programs, including English Language Development (ELD) and supplemental materials for support of English Learners and students of low socioeconomic status. This includes extra books for in-class libraries and books to support Social Emotional Learning and diversity. The iReady online Reading and Math program is used as an individualized intervention and enrichment program depending on the level of each student. There are three intervention aides that provide support to students falling behind academically. This push-in model is to help students in areas where the teachers find students need the most support.

## Professional Development

### District Professional Development:

Professional development activities are delivered through after-school workshops, professional development days, early release days, conference attendance, individual mentoring, and offerings of free spring and fall evening courses available to certificated, classified, and administrative staff. In addition, demonstration lessons and peer observations are held throughout the year. A district-wide professional development day was held on November 1, 2023, in a conference format, where staff were provided a variety of trainings. The focus of professional development activities is determined by reviewing student academic progress, district initiatives, and site needs. Major focus areas in being focused on are writing, a variety of teaching strategies, and student engagement. Other focus areas include writing and data analysis.

To assist all staff members with implementing new skills, 6 teachers on special assignment are identified in the areas of elementary education, secondary education, technology, English language development, and new teacher support. District lead teachers (8 at the elementary level and 12 at the secondary level) provide assistance across the district in specific grade levels and in the content areas of science, English, math, history, electives, and special education. Site administrators also provide staff development through classroom walks, targeted site-specific topics, and assistance for individual teachers.

In addition, staff members also attend off-site professional growth activities to strengthen their skills in the content areas through county, regional and Statewide training.

### Site Specific Professional Development:

We have provided staff development to our staff in various areas:

The focus was on using technology, iReady, intervention, PBIS and EL strategies.

We continued more in-depth training of iReady and writing strategies. We continue to look for ways to support our staff with curriculum and instruction to improve student achievement through improving instructional practices.

This table displays the number of school days dedicated to staff development and continuous improvement.
