

WELCOME TO THE FUTURE

Discover the exciting world of engineering by applying mathematic and scientific concepts through engaging hands-on activities!

Design, build, and test your very own creations! Engineers who live and work in your community will lead the activities and relate the design-build-test activity to real-world engineering projects.

<u>Date & Time</u>	<u>Ages</u>	<u>Library Location</u>
Sunday, Feb 18 at 2 p.m.	5 th – 8 th Grade	Downtown
