## SECTION 1: GENERAL INFORMATION

---

### **Commitment to School Safety**

The WISEBURN UNIFIED SCHOOL DISTRICT (WUSD), the lead district for The Success Learning Center/Futures Plus (SLC/FP) is committed to ensuring that students and staff attend campuses that are safe and secure, and where they are free from physical and psychological harm. The SLC/FP believes that a step towards maintaining safer schools is for each school site to develop a comprehensive school safety plan that considers the school's staffing, available resources, building design, and other factors unique to the site. The SLC/FP is a consortium program comprised of school districts located within the Southwest Special Education Local Plan Area. It serves students with special education needs for grades 6-12 and hosts the district Adult Transition program for individuals aged 18-22. The WUSD as the lead district for operations for purposes of reporting data relating to the school safety plan does not have a school site council due to the nature of its program design. Nevertheless, the WUSD and the SLC/FP shall be responsible for developing and annually reviewing and updating the plan by March 1 of each year and forwarded to the Board of Trustees for approval. The status of the school safety plan, including a description of its key elements, shall be reported every July in the annual school accountability report card as appropriate. The Principal shall also ensure that the most current comprehensive school safety plan is readily available for inspection by the public.

### **Content of the Comprehensive Safety Plan**

The comprehensive safety plan shall include an assessment of the current status of any crime committed on campus and at school-related functions. The campus is presently located within the Hawthorne Police Department jurisdiction. The SLC/FP shall work with law enforcement, examine local assessments and data, and utilize district systems such as Schoolzilla, a data warehouse of student information to assess reports of crime, suspension and expulsion rates, and surveys of students, parents/ guardians, and staff regarding their perceptions of school safety and school connectedness.

The plan shall also, at minimum, identify strategies and programs that will provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, including all of the following:

1. Child abuse reporting procedures
2. Routine and emergency disaster procedures, including adaptations for students with disabilities
3. Policies for students who commit acts which would lead to suspension or expulsion
4. Procedures to notify teachers of dangerous students
5. Policies prohibiting discrimination, harassment, intimidation, and bullying
6. Provision of a school wide dress code, which defines and prohibits "gang-related apparel"
7. Procedures for safe ingress and egress
8. Policies enacted to maintain a safe and orderly environment conducive to learning
9. Rules and procedures on school discipline

## **School Profile**

Through a local Board approved Participant Agreement between the WUSD and other local districts, The SLC is a uniquely designed program serving students with identified special education needs in grades 6-12. SLC students require intensive specialized academic instruction (SAI) in a small group specialized setting (Special Day Class) with coordinated Designated Instructional Services (DIS). Students enrolled in The SLC/FP reside in the following districts and charter school LEAs:

Centinela Valley UHSD  
Torrance USD  
Palos Verdes Península USD  
Da Vinci Schools  
Manhattan Beach USD  
Inglewood USD  
Redondo Beach USD  
Wiseburn USD  
El Segundo USD

Referrals for the program are coordinated through Success Learning Center.

FUTURES PLUS (FP) is the WUSD Special Education Adult Transition Program designed for non-diploma bound students with identified special needs that fall along the moderate to severe continuum and who require continued programming until age 22. Students transfer to the FP program from the Da Vinci FUTURES program. Placement agreements between students in other local districts can be made available through the Wiseburn USD Business and Administrative offices. Each student enrolled in FP possesses a transition plan (ITP) supporting independent living, prevocational/vocational and career and post-secondary goals as they age into the adult service programs available in the community.

SLC/FP students attend school on full day, partial day, or blended program option with their resident districts in order to meet unique educational needs. The majority of the students are diploma bound and receive support for original course credit, credit recovery and intensive instructional support. Modifications and accommodations are provided per the Individualized Education Plan (IEP) processes with meaningful parent input and team support. Most students who are referred to The SLC/FP have not demonstrated success on a comprehensive school campus or are returning from highly restrictive settings and require specialized transition planning to enroll in a less restrictive setting.

Students enrolled in The SLC/FP program follow the curriculum and graduation requirements of the resident district and coordinate their IEPs with district representatives through a free and appropriate public education offer at a minimum on an annual basis. Students enrolled in the FUTURES PLUS Adult transition program are placed on alternative curriculum and have completed a high school certificate of completion curriculum.

## **School Site Council Membership**

Not Applicable –Consortium Model

Information from parents and community leaders relating to school safety is collected informally through interviews, student input, observations and shared with the Wiseburn USD leadership. Quarterly meetings with district special education administration support and guide the needs of the program. Families are eligible to attend the local Community Advisory Councils within the Southwest Special Education Local Plan (SELPA) and are able to obtain local district advisory resources.

### **Principal's Certification**

## SECTION 2: SCHOOL CRIME ASSESSMENT

---

### Data Reviewed

- School discipline data (suspensions/expulsions)
- Behavior Emergency Reports
- Crime Statistics
- Student and Parent Surveys -Safety
- Individualized Educational Plan -Domains -Behavior

### Key Analysis Points

### Findings

Students enrolled in The SLC/FP are disciplined according to California Education Code requirements and district policies. Staff contact the district of residence following a behavioral infraction, forward the suspension notification and hold a re-entry meeting prior to return to the school site with district representatives and parent/guardian attendance.

During the 2023-2024 school year, no students received disciplinary removal in the form of return to district of residence.

Behavior emergency reports are provided to districts per SW SELPA and District Policies. All staff have been trained in Crisis Prevention Intervention (CPI) techniques, a worldwide standard for managing student behavior.

Date & Last Updated: This data reflects the 2020 calendar year and was released from the [FBI](#) in September, 2021; this is the most current data available.

Based on the data reviewed, The SLC/FP staff determined that community crime does not significantly impact the safety and security of the site.

Students referred to The SLC/FP program have been previously assessed and identified as in need of intervention. Student Individualized Educational Plans (IEPs) delineate their district behavior supports and services if student conduct requires additional actions. Student Behavior Intervention Plans are implemented according to assessed need and are monitored accordingly. The small staff to student ratio with behavior intervention support staff and psychologist services manage the needs of the student population at The SLC/FP. Students whose needs are beyond the scope of the program are referred to more restrictive special education settings such as Non-Public Schools and /or residential treatment centers (RTC). Home/ Hospital Instruction is also an option for students who require more intensive treatment.

Parent/Community meetings were held during the spring, 2018 when The SLC/FP was being relocated from the Malaga Cove (PVPUSD) site. Closure procedures within the SW SELPA Administrative Unit were held in June 2018 as operations were being transferred to the WUSD. All parents in attendance at the community meetings and through meaningful parental input opportunities at student's IEPs shared interests in their students continuing their enrollment in The SLC/FP program which supported the development of the consortium by the WUSD and SW SELPA Superintendent's Council.

### **Sharing of Information**

Information relating to student safety is shared with the district of residences per request. Parents receive ongoing information through phone calls, email correspondences, site level announcements, and periodic updates.

## **Strategies and Programs**

It is a priority of the administration and staff at The SLC/FP that every student who attends our school will be provided with an environment in which the students not only feel physically safe, but that there is also a positive school climate in all activities both in and out of the classroom.

The SLC/FP administration and staff desire to provide an orderly, caring, and nondiscriminatory learning environment in which all students can feel comfortable and take pride in their school and their achievements.

Since the 2018-19 the site has been pursuing an iterative approach to discipline that includes restorative justice practices. Staff will receive periodic training that promotes building community, authentic dialogue, understanding, equality, dignity, and mutual respect. This is accomplished by employing cooperative learning strategies that foster positive interactions in the classroom among students from diverse backgrounds. The SLC/FP promotes nonviolent resolution techniques to encourage attitudes and behaviors that foster harmonious relations. Staff shall receive ongoing training which implements and supports conflict resolution and prevention versus reactive actions.

The SLC/FP shall comply with existing state and federal laws related to school safety. This comprehensive safety plan outlines several elements critical to maintaining a safe school environment.

## SECTION 3: CHILD ABUSE REPORTING PROCEDURES

---

The SLC/FP is committed to supporting the safety and well-being of all students and desires to facilitate the prevention of and response to child abuse and neglect.

WUSD employees of the SLC/FP who are mandated reporters, as defined by law and administrative regulation, are obligated to report all known or suspected incidents of child abuse and neglect. All mandated reporters shall receive training on child abuse identification and reporting within the first six weeks of each school year, or within the first six weeks of employment if employed after the beginning of the school year.

The SLC/FP's instructional program may include age-appropriate and culturally sensitive curriculum in the prevention of child abuse, sexual abuse, sexual assault, and human trafficking. Upon written request of a student's parent/guardian, the student shall be excused from taking such instruction.

“Reasonable suspicion” means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. However, reasonable suspicion does not require certainty that child abuse or neglect has occurred, nor does it require a specific medical indication of child abuse or neglect.

### **Notifications**

The WUSD Superintendent or designee shall provide to all new employees who are mandated reporters a statement that informs them of their status as mandated reporters, their reporting obligations under Penal Code 11166, and their confidentiality rights under Penal Code 11167. Any school personnel hired during the school year shall receive such training within the first six weeks of employment. Proof of each mandated reporter’s completion of the training shall be maintained by the WUSD Superintendent or designee.

Each year, all SLC/FP -WUSD employees are required to take an online training module in the identification and reporting of child abuse and neglect. Any WUSD employee of the SLC/FP who reasonably believes that he/she has observed the commission of a murder, rape, or lewd or lascivious act by use of force, violence, duress, menace, or fear of immediate and unlawful bodily injury against a victim who is a child under age 14 shall notify a peace officer.

### **Reporting Responsibility and Liability**

The reporting duties of mandated reporters are individual and cannot be delegated to another person.

When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

No supervisor or administrator shall impede or inhibit a mandated reporter from making a report.

Any person not identified as a mandated reporter who has knowledge of or observes a child whom he/she knows, or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to the appropriate agency. No WUSD employee shall be subject to any sanction by the SLC/FP for making a report unless it can be shown that he/she knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report.

No mandated reporter shall be civilly or criminally liable for filing a report of known or suspected child abuse as required or authorized by law. Any other person making a report shall not incur civil or criminal liability unless it can be proven that he/she knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report.

### **Reporting Procedures**

Reports of known or suspected child abuse or neglect may be filed with any police department (excluding the school security department), sheriff's department, county probation department if designated by the county to receive such reports, or county welfare department.

#### **1. Initial Telephone Report**

Immediately or as soon as practicable after knowing or observing suspected child abuse or neglect, a mandated reporter shall make an initial report by telephone to:

(800) 540-4000 Hotline

Department of Child and Family Services

To utilize the SCAR System, the mandated reporter must have obtained a referral number when making the initial telephone report.

Form SS 8572 may also be accessed through the State of California Department of Justice website at [http://ag.ca.gov/childabuse/pdf/ss\\_8572.pdf](http://ag.ca.gov/childabuse/pdf/ss_8572.pdf).

Reports of suspected child abuse or neglect shall include, if known:

- a. The name, business address, and telephone number of the person making the report and the capacity that makes the person a mandated reporter
- b. The student's name and address, present location, and, where applicable, school, grade, and class
- c. The names, addresses, and telephone numbers of the student's parents/guardians
- d. The name, address, telephone number, and other relevant personal information about the person who might have abused or neglected the student
- e. The information that gave rise to the reasonable suspicion of child abuse or neglect and the source(s) of that information

The mandated reporter shall make a report even if some of this information is not known or is uncertain to him/her.

The mandated reporter may give to an investigator from an agency investigating the case, including a licensing agency, any information relevant to an incident of child abuse or neglect or to a report made for serious emotional damage pursuant to Penal Code 11166.05.

### 3. Internal Reporting

The mandated reporter shall not be required to disclose his/her identity to his/her supervisor, the principal, or the Superintendent or Designee.

However, employees reporting child abuse or neglect to an appropriate agency are encouraged, but not required, to notify the principal as soon as possible after the initial telephone report to the appropriate agency. When notified, the principal shall inform the Superintendent or Designee.

The principal so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law, Board policy, and administrative regulation. At the mandated reporter's request, the principal may assist in completing and filing the necessary forms.

Reporting the information to an employer, supervisor, principal, school counselor, co-worker, or other person shall not be a substitute for making a mandated report to the appropriate agency.

### **Complaint of Child Abuse Committed at a School Site**

Upon request, the Superintendent or Designee shall provide parents/guardians with procedures for reporting suspected child abuse occurring at a school site to appropriate agencies. For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those procedures, an interpreter shall be provided.

To file a complaint against an employee of WUSD -the SLC/FP or other person suspected of child abuse or neglect at the school site, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency identified above under "Reporting Procedures." If a

parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee also is obligated pursuant to Penal Code 11166 to file a report himself/herself using the procedures described above for mandated reporters.

In addition, if the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR 4650.

### **Interview of Student by an Agency Representative**

Whenever a representative of police, sheriff, or county welfare department is investigating suspected child abuse or neglect that occurred within the student's home or out-of-home care facility, the student may be interviewed by an agency representative during school hours, on school premises. The Principal or Designee shall give the student the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the student.

A staff member or volunteer aide selected by a student may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform him/her of the following requirements:

1. The purpose of the selected person's presence at the interview is to lend support to the student and enable him/her to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the student.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve any expense to the school.

### **Release of Student to Peace Officer**

When a SLC/FP student is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the peace officer shall be provided with the address and telephone number of the child's parent/guardian. No employee of the SLC/FP shall notify the parent/guardian of the student's release to the peace officer; it is the responsibility of the peace officer to notify the parent/guardian of the situation.

---

## SECTION 4: DISASTER PROCEDURES

---

The SLC/FP will take all necessary measures to protect the lives and well-being of its students and staff through the prompt and timely response of trained school personnel should an emergency affect the school. To meet these objectives, the school has established a comprehensive emergency operations program that includes plans and procedures, training and exercise, and plan review and maintenance. The plan is in alignment and compliance with all facets of the Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS). The following sections outline basic responsibilities for all staff for specific incidents.

### Chain of Command

<i>Rank</i>	<i>Title</i>	<i>Name</i>	<i>Responsibilities</i>
1	Principal	Dr. Samuel Coleman	Administration and Supervision of Success Learning Center/Futures Plus
2	School Psychologist	Sarah Green	Principal Designee, Administration of Counseling & Crisis Intervention Services for Success Learning Center/Futures Plus
3	Office Manager	Nancy Gonzalez	Success Learning Center/ Futures Plus Operations and Administrative Support
4	Dir of Psych Services	Peggy Mazzarella	Director of Psych Services and Associated Programs
5	Superintendent	Dr. Blake Silvers	District Leadership and Oversight

### Emergency Procedures for Students with Disabilities

Additional procedures for students with disabilities may need to be implemented in an emergency situation to accommodate and address each student's specific needs and/or limitations. As such, the IEP or Section 504 team shall, as part of the plan development and annual review, also ensure that an Individual Emergency Procedures Plan (IEPP) is established and up to date. The IEPP shall consider the degree of the student's mental and physical impairment and determine if assistance and/or specialized equipment will be required so that the student may, for example, evacuate the classroom or building in a timely manner. A copy of each student's IEPP shall be placed in the Site Emergency Operations Plan and with the individual classroom teacher's emergency materials.

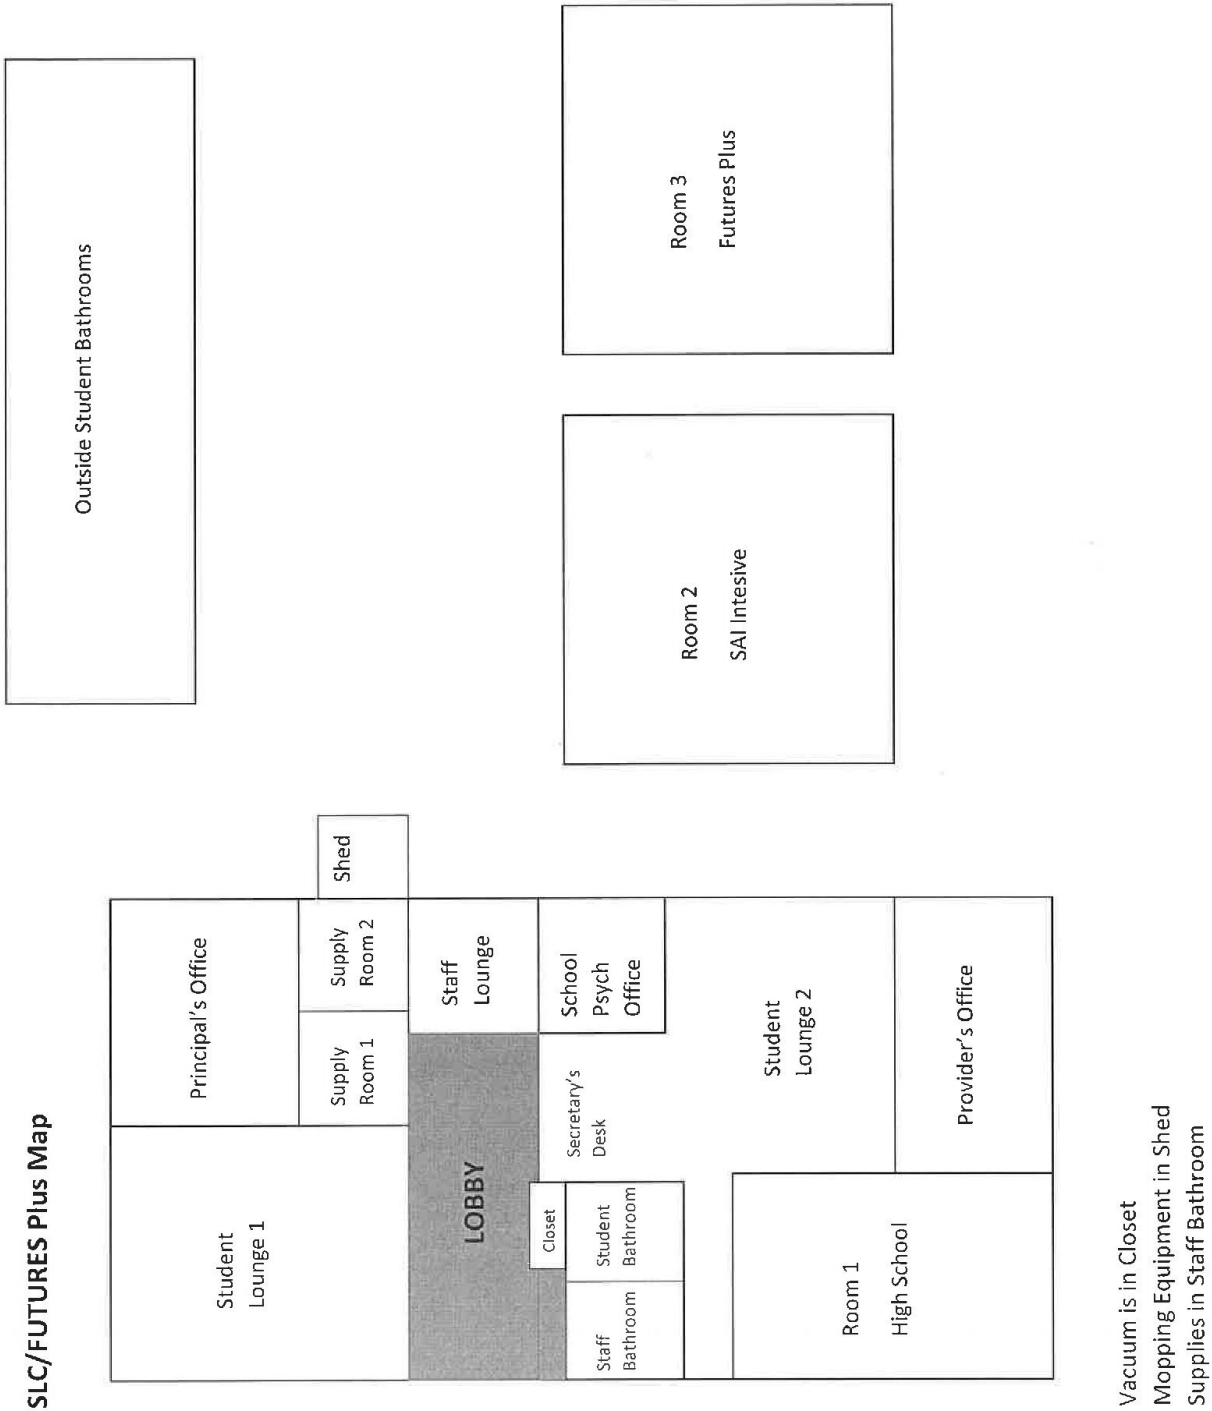

### Emergency Practice Drills

To ensure that staff and students are knowledgeable and prepared to implement school emergency procedures, the following required practice drills are conducted as indicated throughout each school year.

1. Earthquake drill – at least once per semester [EC 35298]
2. Fire drill – at least twice a year [5 CCR 550; EC 32001]
3. Fire alarm system – at least once each calendar month [EC 32001]
4. Lockdown/shelter-in-place drill – at least twice a year (recommended)

Verification of the drills are to be recorded on the “Emergency Drills Log”, which shall be maintained for two years.

## **Biological/Chemical Weapons Assault**

Biological and chemical weapons are unconventional warfare tactics that can be deployed upon the public with little or no notice. Such weapons typically involve microscopic materials that may be organic or synthetically manufactured in laboratories. Biological or chemical weapons can be in powder form, liquid, or vaporous. Agents used in biological/chemical attacks include, but are not limited to: anthrax, smallpox, other harmful viruses, various forms of nerve gas, tear gas, and other vaporous irritants. Pranks using stink bombs should also be considered a chemical weapons attack.

There are several possible dispersion techniques to deliver biological and chemical agents. The following procedures should be utilized in the event of an assault involving biological or chemical weapons.

1. Any possible biological/chemical weapons assault should be reported immediately to the principal.
2. The principal should notify law enforcement authorities immediately.
3. As necessary alert all site employees of the situation by intercom.

If the agent is delivered *via aircraft*:

- All staff and students should be moved indoors.
- Keep students inside and take attendance.
- Close and secure all doors and windows.
- Ensure that the HVAC is shut down.
- Cover vents with plastic or thick paper using tape to create a seal.
- Inspect all windows and doors for cracks, gaps, or holes. Cover cracks, gaps, or holes with plastic or thick paper using tape to create a seal.
- Remain in this area until notified to leave by the principal, principal's designee, or officers of emergency response agencies.
- Immediately report any injuries or illnesses to the principal, principal's designee, or officers of emergency response agencies.

If the agent is delivered *via dispersion device that is outdoors*:

- All staff and students should be moved indoors.
- Keep students inside and take attendance.
- Close and secure all doors and windows.
- Ensure that the HVAC is shut down.
- Cover vents with plastic or thick paper using tape to create a seal.
- Inspect all windows and doors for cracks, gaps, or holes. Cover cracks, gaps, or holes with plastic or thick paper using tape to create a seal.
- Remain in this area until notified to leave by the principal, principal's designee, or officers of emergency response agencies.
- Immediately report any injuries or illnesses to the principal, principal's designee, or officers of emergency response agencies.

If the agent is delivered *via dispersion device that is indoors*:

- All staff and students should be evacuated to the school's normal outdoor evacuation assembly area unless that area may be affected by the assault.
- Take attendance of students and staff.
- Remain in this area until notified to leave by the principal, principal's designee, or officers of emergency response agencies.
- The HVAC system should be shut down.

If the agent is delivered *via the school's HVAC system*:

- All staff and students should be evacuated to the school's normal outdoor evacuation assembly area unless that area may be affected by the assault. Role should be taken.
- Remain in this area until notified to leave by the principal, principal's designee, or officers of emergency response agencies.
- The HVAC system should be shut down.

In any situation involving biological or chemical weapons, the principal and staff must follow all instructions given by officers of emergency response agencies. The Superintendent will develop an action plan to handle telephone inquiries, rumor control, media relations, public information, employee/student crisis counseling, and facility damage assessment/control.

## **Bomb Threat**

Bomb threats are serious until proven otherwise. Threats are usually received as an anonymous telephone call, or arrive as a letter or handwritten note, email, social media posting, or suspicious package. Staff that receives a bomb threat shall adhere to the following procedures:

If the bomb threat is received as an *anonymous telephone call*:

- Remain calm. Keep the caller on the line as long as possible. DO NOT HANG UP, even if the caller does.
- Listen carefully. Be polite and show interest.
- Notify a coworker via note or hand signals.
- Complete the Bomb Threat Checklist. Write down as many details as can be remembered. Try to use exact words.
- If the telephone has a display, copy the number and/or letters on the display window.
- Attempt to get information on the location of the bomb, and any identifying characteristics of the caller.
- Have the caller repeat the message.
- Immediately upon termination of the call, do not hang up. From a different telephone, call 911.

If the bomb threat is received as a *letter or handwritten note*:

- Handle the letter or note as minimally as possible.
- Notify the principal or call 911.

If the bomb threat is received as an *email or social media posting*:

- Do not delete the message.

- If possible, take a picture or snapshot of the message with a camera.
- Notify the principal or call 911.

If the bomb threat is received as a *suspicious package or device*:

- Do not touch or approach the device or package.
- Notify the principal immediately or call 911.
- Evacuate the immediate areas and wait for the instruction of the principal or designee.
- Students with limited mobility may be assisted downstairs and out of the building by staff. If a student is unable to be assisted downstairs, the student shall remain in a safe refuge area, available on each floor near the main elevator, with emergency communication.
- Follow the principal's or designee's instructions for appropriate emergency procedures.

## **Earthquake Procedures**

In the event of an earthquake, follow the following procedures:

- When inside the classroom or office, students and staff are to take cover under a table or desk, dropping to their knees, with the head and neck protected by the arms and facing away from the windows.
- If outside, teachers are to instruct students to find shelter away from windows, drop to the ground, place their heads between their knees and cover their head and eyes with arms and hands.
- Teachers should account for their students and report any who are missing to the principal or designee.
- The Superintendent or Designee or principal may order an evacuation.
- All building occupants are to use the emergency evacuation designations that are posted throughout the building.
- Students with limited mobility may be assisted downstairs and out of the building by staff. If a student is unable to be assisted downstairs, the student shall remain in a safe refuge area, available on each floor near the main elevator, with emergency communication. A second safe-refuge area is on the landings of the outside stairways on each floor.

## **Explosion, Aircraft Crash or Similar Incident**

Aircraft crashes are of heightened concern because the campus is in close proximity to the Los Angeles International Airport (LAX).

- If possible, duck and cover under a desk or table.
- Call 911.
- Assist any injured requiring first aid treatment.
- If necessary, because of fire, building damage etc., evacuate the building.
- Assist any persons who would have physical problems evacuating the building.
- Go to an outdoor evacuation/assembly area which is hazard free and not affected by the explosion or crash.

- Keep fire lanes, streets and walkways open for emergency responders.
- Stay in assembly area and account for all personnel and students.
- Do not return to buildings until authorized by the fire department or principal.

## **Fire Procedures**

When a fire is discovered in any part of the school, the following actions shall be taken:

- Sound the fire alarm unless the school and/or building is equipped with an automatic fire detection and alarm system.
- Call 911.
- Direct all persons to leave the building and proceed outside to designated assembly areas.
- Students with limited mobility may be assisted downstairs and out of the building by staff. If a student is unable to be assisted downstairs, the student shall remain in a safe refuge area, available on each floor near the main elevator, with emergency communication. A second safe-refuge area is on the landings of the outside stairways on each floor.
- Staff must give students clear direction and supervision and help maintain a calm and orderly response.
- In outside assembly areas, teachers are to take roll, report missing students, and aid any injured students.
- In outside assembly areas, the principal or designee must account for his/her staff, report missing staff, and aid any injured staff.
- If the fire is extensive, take students to an alternate location for protective custody until parents/guardians can pick them up or until they can be safely transported to their homes.

## **Flood Procedures**

If a flood warning is received, notify the Superintendent immediately. Based upon the specific threat, the Superintendent in conjunction with the Operational Area EOC and SEMS system will develop an action plan to protect personnel, students, and facilities. Evacuation of specific schools, facilities or areas will be directed by the Superintendent or site principal in coordination with SEMS.

## **Hazardous Substance Incident**

Hazardous substance means a substance, material, or mixture which is likely to cause illness or injury by reason of being explosive, flammable, poisonous, corrosive, oxidizing, an irritant, or otherwise harmful. Some hazardous substances are regularly stored in the school Chemistry labs. A specific spill plan is in place which includes training for science teachers and maintenance staff.

Should an incident occur that involves a hazardous substance:

- Identify the hazardous material(s).
- Limit incident site entry to trained personnel with appropriate personal protective equipment.
- Evacuation of specific schools, facilities or areas will be directed by the Superintendent in coordination with SEMS.

## **Severe Windstorm Procedures**

If a severe wind warning is received, notify the Superintendent immediately. Based upon the specific threat, the Superintendent in conjunction with the Operational Area EOC or City EOC will develop an action plan to protect personnel, students, and facilities. In general, if severe winds are affecting a school or facility:

- Staff and students should be moved to the interior core area of the building (inside wall on the ground floor) away from outside windows and doors.
- Close all windows and blinds and avoid auditoriums, gymnasiums and other building locations that have large roof areas or spans.
- Avoid all areas that have large concentrations of electrical equipment or power cables.
- Evacuation of specific schools, facilities or areas will be directed by the Superintendent in coordination with SEMS.

## **Suspicious Mail/Packages**

All incoming mail and packages should be handled with caution. Below are indicators of suspicious mail and steps to take in the event that suspicious mail is received.

Mail that:

- Is unexpected or from an unfamiliar source
- Has excessive postage
- Is addressed to someone who no longer works in THE SLC/FP
- Is addressed to a current employee but with the wrong title
- Contains several misspelled words on the envelope
- Marked with restrictive endorsements such as “Personal” or “Confidential”
- Has no return address or an address that cannot be verified
- Mail that is from a foreign country
- Shows a city or state in the postmark that does not match the return address
- Is lopsided, oddly shaped, or has an unusual weight, given its size
- Has protruding wires, strange odors, or stains
- Has powdery substance on the outside
- Has an unusual amount of tape on it
- Is ticking or making unusual sounds

Not all mail comes perfectly packaged or with accurate information on it, so it is important that employees handling mail remain sensible in the screening of mail. However, prudent scrutiny conducted in a reasonable manner can greatly reduce the school’s chances of becoming the victim of attack by mail.

What to do with suspicious mail (general response):

- Do not try to open the package or envelope.
- Do not sniff, taste, or shake the package.

- Isolate the package.
- Evacuate the immediate area; close the door.
- Contact your supervisor and call 911.

Response to mail suspected of delivering biological/chemical agents in powder form:

- Notify your supervisor.
- Supervisor should immediately contact the local police (911) or the U.S. Postal Inspection Service (1-877-876-2455).
- Supervisor should notify the Superintendent.
- Do not open an envelope or package with powder on the outside.
- If powder is spilled from an envelope or package, do not try to clean up the powder.
- Cover the spilled contents immediately with anything (*e.g.*, clothing, paper, trash can).
- Do not remove the cover.
- Leave the room and close the door or otherwise prevent access to the room.
- Ensure that everyone who had contact with the piece of mail washes his/her hands with soap and hot water.
- Remove heavily contaminated clothing as soon as possible and place inside a plastic bag or some other container that can be sealed. This clothing should be given to the responding emergency response units.
- Shower with soap and water as soon as possible. Do not use bleach or other disinfectant on your skin.
- Make a list of all the people who were in the room or area, especially those who had contact with the envelope or package. Provide this list to the emergency response teams investigating the incident.
- Investigators will remove the envelope or package and conduct a thorough check of the area for contamination.
- If you are prescribed medicine as a result of this exposure, take it until instructed or until it runs out.

## SECTION 5: SCHOOL RULES AND REGULATIONS

---

The SLC/FP provides families and students enrolling in the program with guidelines relating to school rules and regulations which include code of conduct, behavioral expectations and overall compliance needs relating to EC 48900 and suspension and expulsion guidelines. The staff review each student's unique needs at an intake meeting, additional special education assessment and behavioral observations and conducted if data is required. IEP team meetings are held to determine the appropriateness of existing services and opportunities for IEP development (i.e. goals/objectives, services etc.) occur at a 30-day review of program placement.

It is the goal of the SLC/FP to provide experiences for children that teach them compassion, commitment, and concern for others. It is understood that children learn what they experience, and therefore all adults model appropriate behavior for children. The faculty at the school help children behave in ways that are conducive to learning and building community. Classroom experiences create developmentally appropriate opportunities for autonomy and positive decision making. The essence of discipline is understanding behavior and finding effective alternatives to punishment.

The SLC/FP is dedicated to helping children learn to meet their own unique needs, understanding their learning challenges and advocating for themselves while respecting the needs of others. Parents, children, and teachers decide upon agreements together for their mutual benefit. They also decide upon solutions that will be helpful to all concerned should problems arise. Teachers set limits with students' input, consult with highly trained behavior specialists, counselors, and school psychologists in order to communicate clearly and firmly with kindness, dignity, and respect. Teachers form empathic and positive relationships with their students, holding them to appropriate standards of behavior.

Students are to adhere to the WUSD - SLC/FP's Code of Conduct at all times by:

1. Treating everyone with courtesy and respect.
2. Treating personal and school property with respect.
3. Helping create and maintain a positive and safe environment.
4. Coming to school prepared for learning.
5. Acting responsibility and accepting consequences for one's own actions.
6. Connecting and contributing to the community and the world around them.
7. Striving to make their community a safe, healthy learning environment for all.

The WUSD staff shall enforce disciplinary rules and procedures fairly and consistently amongst all students and afford all students with similar rights to due process. These disciplinary rules and procedures will be printed and distributed as part of the Student Handbook and will clearly describe discipline expectations.

Discipline includes, but is not limited to, advising, and counseling students, conferring with parents/guardians, detention (removal)) during and after school hours, the use of alternative educational environments, suspension, and expulsion. The SLC/FP will follow all applicable federal and state laws when imposing any form of discipline on a student identified as an individual with disabilities or for whom the school has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a

student. It does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff, or other persons or to prevent damage to school property.

The Principal shall ensure that students, parents/guardians, and consortium district representatives are notified in writing of all discipline policies, rules, and procedures and given an opportunity to provide input and feedback on discipline policies and procedures. Transfer students and their parents/guardians shall be advised upon enrollment. The notice shall state that these disciplinary rules and procedures are available upon request in the office.

Suspended or expelled students shall be excluded from all school-related extracurricular activities unless otherwise agreed upon during the period of suspension or expulsion.

The SLC/FP recognizes that engaging and rigorous curriculum, strong and individualized relationships with adults, positive activities and recognition programs, adequate supervision, and a solid culture of respect and regard for students, are excellent deterrents to negative behavior.

---

## SECTION 6: SUSPENSION AND EXPULSION PROCEDURES

---

The WUSD Student Suspension and Expulsion Policy has been established to promote learning and protect the safety and well-being of all students at the SLC/FP. Staff shall enforce disciplinary rules and procedures fairly and consistently among all students.

### **Suspension Procedures**

Suspension shall be initiated according to the following procedures:

#### Authority to Suspend

Only the Principal or the Principal's designee(s) may suspend a student from WUSD- SLC/FP. The "designee" is one or more administrators specifically designated by the Principal, in writing, to assist with disciplinary procedures.

The Principal may, in writing, also designate a certificated employee as a secondary designee to assist with disciplinary procedures when no administrator is at the school at which the suspension needs to be issued. The Principal may designate only one certificated person at a time.

#### Conference

Suspension shall be preceded by a conference conducted by the Principal or designee with the student and his/her parent and, whenever practical, the teacher, supervisor or school employee who referred the student to the Principal. The conference may be omitted if the Principal or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If a student is suspended without this conference, both the parent and student shall be notified of the student's right to return to school for the purpose of a conference. This conference shall be held within two (2) school days, unless the student waives this right or is physically unable to attend for any reason, including, but not limited to, incarceration or hospitalization. The conference shall then be held as soon as the student is physically able to return to school for the conference.

At the conference, the student shall be:

- Informed, orally or in writing, of the charges against him/her, including the other means of correction that were attempted before the suspension.
- Provided with an explanation of the evidence that supports the charges.

- Given the opportunity to present his/her side of the story.

### Notice to Parents

At the time of suspension, the Principal or designee shall make a reasonable effort to contact the parent by telephone or in person. Whenever a student is suspended, the parent shall be notified in writing of the suspension. This notice shall state the specific offense(s) committed by the student and indicate the date and time when the student may return to school. If school officials wish to ask the parent to confer regarding matters pertinent to the suspension, the notice will request that the parent respond to such requests without delay.

No penalties may be imposed on a student for the failure of the student's parent to attend a conference with school officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student's parent at the conference.

### Suspension Time Limits

A student shall not be suspended from school for more than five (5) consecutive school days, and not more than twenty (20) school days in any school year. These restrictions on the number of days of suspension do not apply when the suspension is extended pending an expulsion.

A student with an IEP or Section 504 Plan may be suspended from school in the same manner as all other students. However, after ten (10) days of suspension in the same school year, where the student is removed from his/her current placement, a manifestation determination meeting must be held with a team comprised of staff, the parent, and relevant persons to review the student's IEP or Section 504 Plan, any teacher observations, and any relevant information provided by the parent to determine if the conduct was:

1. Caused by, or had a direct and substantial relationship to, the student's disability; or
2. The direct result of the WUSD- SLC/FP's failure to implement the IEP or Section 504 Plan.

### Suspension Appeals

A parent may appeal a suspension within five (5) school days from the date the suspension was issued. The request is to be submitted to the Principal to correct or remove any information (regarding the incident and circumstances that resulted in the suspension) recorded in the student's record which the student or parent alleges to be any of the following:

1. Inaccurate.
2. An unsubstantiated personal conclusion or inference.
3. A conclusion or inference outside of the observer's area of competence.
4. Not based on the personal observation of a named person with the time and place of the observation noted.
5. Misleading.
6. In violation of the privacy or other rights of the student.

Within thirty (30) days of receipt of an appeal, a neutral officer, or a hearing panel from the WUSD and/or the consortium district shall meet with the student and parent and any pertinent school personnel. A WUSD or consortium district hearing panel shall be composed of the following persons, provided that the parent or adult student has given written consent to release information from the student's records to the members of the panel so convened: a school administrator of a school other than THE SLC/FP, a certificated employee, and a non-certificated employee.

If the neutral officer or hearing panel sustains any or all of the allegations, the Principal shall be ordered to correct or remove and destroy the information regarding the incident and circumstances that

resulted in the suspension from the student's records. If the neutral officer or hearing panel upholds the suspension, the matter is closed. The parent or student has the right to include in the student's record a written statement or response concerning the disciplinary action.

### **Grounds for Expulsion**

Expulsion means the removal of a student from the immediate supervision and control, or the general supervision, of school personnel at the SLC/FP. A student may be expelled when his/her behavior is related to a school activity or school attendance occurring at the SLC/FP or at any other school, regardless of when it occurs, including, but not limited to, the following:

- (2) Willfully used force or violence upon the person of another, except in self-defense.
- (3) Possessed, sold, or otherwise furnished an object that could be deemed dangerous, unless, in the case of possession of an object of this type, the student had obtained written permission to possess the item from a certificated school employee, which is concurred in by the principal or his/her designee.

safety or for his/her immediate family's safety, or for the protection of school property, or the personal property of the person threatened or his/her immediate family.

(23) Engaged in an act of bullying. The following terms have the following meanings:

(A) "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a student or group of students as described in #19-21 above, directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act.

(b) “Cyber sexual bullying” does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school-sanctioned activities.

(D) “Reasonable student” means a student, including, but not limited to, an exceptional needs student, who exercises average care, skill, and judgment in conduct for a person of his/her age, or for a person of his/her age with his/her exceptional needs.

Both the recommendation and order to expel a student for committing any of the acts listed above must be based on a finding of one or both of the following:

1. Other means of correction are not feasible or have repeatedly failed to bring about proper conduct.
2. Due to the nature of the act, the presence of the student causes a continuing danger to the physical safety of the student or others.

#### Mandatory Expellable Offenses

The Principal shall recommend expulsion of a student that is determined to have committed any of the following acts:

- (1) Possessed, sold, or otherwise furnished a firearm. The act of possessing an imitation firearm, as defined above, is not an offense for which expulsion is mandatory.

- (5) Possessed an explosive.

#### **Expulsion Procedures**

##### Extension of Suspension

Upon a recommendation for expulsion, the student and parent will be invited to a meeting with the Principal, consortium Special Education Representative and /or the Wiseburn USD District Office Administrator to determine if the suspension should be extended, beyond five (5) days, pending an expulsion hearing. That determination shall be based on a finding that either the student’s presence would cause a danger to persons or property or a threat of disrupting the instructional process.

If a student is a foster youth, as defined in EC 48853.5, the Principal or designee shall also invite the student’s attorney and appropriate representative of the county child welfare agency to participate in the extension of suspension meeting

##### Authority to Expel

Only the WUSD -SLC/FP principal can recommend the expulsion of a student from the SLC/FP, and only the Administrative Hearing Panel (“Panel”) consisting of the Wiseburn USD District Office and

site administrators may order the expulsion following a due process hearing. The Panel may include three or more certificated persons – none of whom are members of the Board of Trustees or on the staff of the SLC/FP in which the student is enrolled – that are familiar with the state and federal laws governing the suspension and expulsion process. Panel members may include school administrators, Assistant Superintendent or Directors from the Wiseburn USD, one of whom shall be identified as the presiding officer. The SLC/FP and WUSD staff will coordinate with the consortium district who shall be responsible for assembling and coordinating the Panel that will hear and determine the outcome of each expulsion matter. The Panel’s decision in the matter is final.

#### Notice of Expulsion Hearing

Written notice of the hearing shall be forwarded to the student and the student’s parent at least ten (10) calendar days before the date of the hearing. The notice shall include all of the following:

1. The date, time, and place of the hearing.
2. A statement of specific facts and charges upon which the proposed expulsion is based.
3. A copy of the SLC/FP’s disciplinary rules that relate to the alleged violation.
4. A statement of the student’s or parent’s obligation to provide information about the student’s status at the school to any other school district or school to which the student seeks enrollment.
5. The right to appear in person or to be represented by legal counsel or a non-attorney advisor.
  - “Legal counsel” means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.
  - “Non-attorney adviser” means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or parent to aid at the hearing.
6. The right to inspect and obtain copies of all documents to be used at the hearing.
7. The right to confront and question all witnesses who testify at the hearing.
8. The right to question all evidence presented, and to present oral and documentary evidence on the student’s behalf, including witnesses.

If a foster youth, as defined in EC 48853.5, is recommended for expulsion, the notice of hearing must also be provided to the student’s attorney and an appropriate representative of the county child welfare agency at least ten (10) days prior to the date of the hearing. The notice may be made using the most cost-effective method possible, which may include, but is not limited to, electronic mail or a telephone call.

If a homeless youth, as defined in 42 USC 11434a(2), is recommended for expulsion, the notice of hearing must also be provided to the Wiseburn USD School’s designated homeless liaison at least ten (10) days prior to the date of the hearing. The notice may be made using the most cost-effective method possible, which may include, but is not limited to, electronic mail or a telephone call.

#### Expulsion Hearing

Students recommended for expulsion are entitled to a hearing before the Panel, as described above, to determine whether the student should be expelled. The hearing shall be held within thirty (30) school days after the Principal determines that the student has committed an expellable offense. The student is entitled to one postponement of an expulsion hearing, for a period of not more than thirty (30) calendar days. Any additional postponements may be granted at the discretion of the WUSD for good cause.

The hearing shall be conducted in a session closed to the public, unless the student submits a written request, at least five (5) days prior to the date of the hearing, to have the hearing conducted at a public meeting. Regardless of whether the expulsion hearing is conducted in closed or public session, the Panel may meet in closed session to deliberate and determine whether the student should be expelled.

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs.

A decision of the Panel to expel must be documented in its findings of fact based upon substantial evidence relevant to the charges presented at the hearing. No decision to expel shall be based solely on hearsay evidence, except when the Panel, upon finding that good cause exists, determines that the disclosure of either the identity of a witness and/or the testimony of that witness at the hearing would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Panel. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student.

If the Panel decides not to order the expulsion, the student shall be immediately reinstated and permitted to return to his/her educational program at the SLC/FP based on district offer of placement per agreement.

#### Expulsion Hearings Involving Allegations of Sexual Assault or Sexual Battery

In a hearing involving allegations of sexual assault or sexual battery, a complaining witness shall be provided with a copy of the applicable disciplinary rules and advised of his/her right to:

1. Receive five (5) days' notice before being called to testify at the hearing.
2. Have up to two adult support persons of his/her choosing (*i.e.*, parent, legal counsel), present in the hearing at the time he/she testifies.
3. Have the hearing closed during the time he/she testifies.

The following are procedures for all hearings involving allegations of sexual assault or sexual battery:

1. The hearing may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of the complaining witness.
2. A non-threatening environment shall be provided for a complaining witness in order to better enable him/her to speak freely and accurately of the experiences that are the subject of the expulsion hearing, and to prevent discouragement of complaints.
3. A room separate from the hearing room must be provided for the complaining witness to use prior to and during breaks in the testimony.
4. The presiding officer:
  - a. Shall allow the complaining witness reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.
  - b. May arrange the seating within the hearing room of those present in order to facilitate a less intimidating environment for the complaining witness.
  - c. May limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.

- d. May permit one of the complaining witness's support persons to accompany him or her to the witness stand.
5. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential and may not be discussed with anyone not in attendance at the hearing. The presiding officer of the Panel may remove a support person whom he/she finds is disrupting the hearing. If one or both of the support persons is also a witness, the following provisions apply:
  - a. The SLC/FP in collaboration with the consortium district representatives must present evidence that the person's presence is both desired by, and will be helpful to, the complaining witness.
  - b. The presiding officer shall permit the person to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person.
  - c. The presiding officer may remove a person from the hearing whom he/she believes is prompting, swaying, or influencing the witness.
  - d. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the hearing room during that testimony.
6. Evidence of specific instances of a complaining witness' prior sexual conduct is to be presumed inadmissible and shall not be heard absent a determination by the presiding officer that extraordinary circumstances exist requiring the evidence be heard. Before the person conducting the hearing makes the determination on whether extraordinary circumstances exist requiring that specific instances of a complaining witness' prior sexual conduct be heard, the complaining witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.
7. If the hearing is to be conducted at a public meeting, a complaining witness shall have the right to have his/her testimony heard in a session closed to the public when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm, including, but not limited to, videotaped deposition or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.

#### Record of Expulsion and Expulsion Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

The SLC/FP, the Wiseburn USD Administrative Office and consortium district shall maintain a record of each expulsion, including the expulsion order and the causes for the expulsion, in the student's mandatory interim record. The record shall be forwarded to any school in which the student subsequently enrolls upon receipt of a request from the new school for the student's records.

#### Written Notice to Expel

Within three (3) school days after the hearing, the WUSD-Administrative Office/Consortium District shall send written notice of the Panel's decision to expel, including the findings of fact, to the student and parent. This notice shall also include the following:

1. The specific offense committed by the student.
2. A statement of the student's or parent's obligation to inform any school which the student seeks to enroll of the student's expulsion.
3. The date when the student can be reviewed for readmission, and a description of the process by which readmission is conducted.
4. A copy of the rehabilitation plan
5. The education alternative placement to be provided to the student during the time of expulsion.
6. The right to appeal the expulsion to the SLC/FP –WUSD Board of Trustees, or Consortium District Board of Trustees, including the timeline and manner in which an appeal must be submitted.

#### Rehabilitation Plan

At the time of the expulsion order, the Panel shall establish a rehabilitation plan for the student, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The plan should include the specific conditions that the student must satisfy during the period of expulsion and can include improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs. The stipulated conditions should be reasonable for the student to meet based on his/her specific circumstances, address the act(s) for which the student was expelled, and not require a cost or fee to the student or parent. The student may not be required to enroll in a drug rehabilitation program without parental consent.

#### Placement

In coordination with the consortium district, the SLC/FP shall support the consortium district's responsibility for the appropriate interim placement of students pending the outcome of the expulsion proceedings and shall facilitate the placement of an expelled student. It is the responsibility of the consortium district to offer a free and appropriate public education (FAPE) to students expelled from the SLC/FP. If a parent chooses a different placement, consortium district shall ensure that the student will be able to meet the conditions of the rehabilitation plan through that placement.

#### Period of Expulsion and Readmission

At the time of the expulsion order, the Panel shall set a date not more than one (1) calendar year from the date the expulsion occurred, when the student shall be reviewed for readmission to the consortium programs and/or gain re-entrance through an IEP referral intake procedure to the SLC/FP. In determining the period of expulsion, the Panel shall consider the nature of the act that resulted in the student's expulsion, including, but not limited to, the severity and intent of the act, the student's specific circumstances, and the safety of the student and others at the SLC/FP.

Ten (10) calendar days prior to the date set for readmission, the Principal or designee shall contact the expelled student at his/her last known address to schedule a readmission meeting with the Consortium SUPERINTENDENT OR DESIGNEE. The student shall be asked to provide documentation of proof that he/she has satisfactorily met the conditions of the rehabilitation plan.

On the date set for readmission, WUSD shall review the expulsion case, with or without the student, to determine whether the student has met the conditions for readmission and determine placement. If the

student has met the conditions of the rehabilitation plan and completes the readmission process, the student is reinstated. If certain conditions of the rehabilitation plan are not met, the WUSD SUPERINTENDENT OR DESIGNEE in collaboration with the consortium district SUPERINTENDENT OR DESIGNEE has the discretion to waive those conditions due to mitigating circumstances or deny readmission until the student has satisfactorily met all the conditions of the plan. The WUSD SUPERINTENDENT OR DESIGNEE may also deny readmission to a student if he/she finds that the student poses a danger to campus safety or to others.

A student who has been denied readmission shall either continue attendance at his/her placement during the period of expulsion or another educational program. The Superintendent or Designee shall provide written notice to the expelled student and his/her parent describing the reason(s) for denying the student's re-admittance into the SLC/FP program, the educational placement during the extended period of expulsion, and the conditions for re-admittance. The student shall be readmitted once he/she can provide the consortium SUPERINTENDENT and/or WUSD SUPERINTENDENT OR DESIGNEE with proof that he/she has satisfactorily met all the conditions for re-admittance.

### **Expulsion Appeals**

The parent may appeal the expulsion by submitting a written request to the WUSD Superintendent or Designee of the SLC/FP who will contact the consortium district within ten (10) calendar days from the date of the written notice to expel. The request must specify the reason(s) for the appeal and include any supporting documentation.

Upon receipt of a timely request, the Superintendent of the consortium district shall convene a hearing before the Board of Trustees ("Board") within thirty (30) calendar days. Notice of the hearing shall be provided to the student and parent at least ten (10) calendar days prior to the date of the hearing. The notice shall include all of the following:

1. The date, time, and place of the hearing.
2. A statement of specific facts and charges upon which the expulsion is based.
3. The right to appear in person or to be represented by legal counsel or a non-attorney advisor.
4. A statement that the appeal shall be heard in closed session, unless the parent requests in writing at least five (5) calendar days prior to the hearing that it be conducted at a public meeting. If such a request is made, the hearing shall be held in public session as long as the privacy rights of any other students are not violated by doing so.
5. The right to provide a five-minute oral presentation before the Board, summarizing the reason(s) for the appeal.
6. A statement that failure to pursue the appeal with diligence within the time frames established by WUSD or consortium district may be deemed an abandonment of the appeal, and the SUPERINTENDENT OR DESIGNEE may dismiss the appeal.

The consortium district Board's review is limited to the record of proceeding of the Panel. Unless evidence was improperly excluded or, in the exercise, no evidence other than that contained in the record of proceeding may be heard. The Board's review of the Panel's decision shall be limited to the following questions:

1. Whether the Panel acted without or in excess of its jurisdiction (e.g., the hearing was not commenced within the time periods established by consortium district, the expulsion order is not based on an expellable act, the act is not related to school activity or school attendance).

2. Whether there was a fair hearing before the Panel.
3. Whether there was a prejudicial abuse of discretion in the hearing (e.g., school officials did not meet the procedural requirements established by consortium district, the decision to expel is not support by the prescribed findings, the findings are not supported by substantial evidence).
4. Whether there is relevant and material evidence which, in the exercise of reasonable diligence, could not be produced at the time of the expulsion hearing.

The Board may either reverse or uphold the decision of the Panel. If the Board enters a decision to reverse the Panel's decision, the consortium district Board may direct the special education administration to expunge any references to the expulsion action in its records and that of the student, and the expulsion shall be deemed not to have occurred. The Board's decision shall be final. Within three (3) school days of the hearing, the student, the consortium program administrator, and the SLC/FP Principal shall be notified, in writing, of the consortium district's Board's final order.

### **Special Considerations: Suspension and Expulsion of Students with Disabilities**

#### Notification of SELPA

The Wiseburn USD shall immediately notify and coordinate with the SELPA the suspension or expulsion of any student with a disability or whom the SLC/FP or SELPA would be deemed to have knowledge of having a disability.

#### Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum; to progress toward meeting the goals set forth in the student's IEP or Section 504 Plan; and to receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the misconduct so that it does not recur. These services may be provided in an interim alternative educational setting.

#### Procedural Safeguards/Manifestation Determination

Within five (5) school days of a recommendation for expulsion, and prior to the extension of suspension meeting, or any decision to change the placement of a student due to behavioral issues, staff, the parent, and relevant members of the IEP or Section 504 Team ("Team") shall review all relevant information in the student's file, including the student's IEP or Section 504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

1. If the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability; or
2. If the conduct in question was the direct result of the SLC/FP's failure to implement the IEP or Section 504 Plan.

If the student is a foster youth, as defined in EC § 48853.5, and consortium district has proposed a change of placement due to an act for which a decision to recommend expulsion is at the discretion of the Principal, the student's attorney and an appropriate representative of the county child welfare agency shall be invited to participate in a Team meeting that makes a manifestation determination. The invitation may be made using the most cost-effective method possible, which may include, but is not limited to, electronic mail or a telephone call.

If the student is a homeless youth, as defined in 42 USC § 11434a (2), and the SLC/FP has proposed a change of placement due to an act for which a decision to recommend expulsion is at the discretion of

the Principal, the designated homeless liaison for the SLC/FP shall be invited to participate in the Team meeting that makes a manifestation determination. The invitation may be made using the most cost-effective method possible, which may include, but is not limited to, electronic mail or a telephone call.

If the Team determines that either of the above is applicable for the student, the conduct shall be determined to be a manifestation of the student's disability. In which case, the Team shall:

1. Conduct a functional behavioral assessment and implement a behavioral intervention plan for the student, provided that consortium district and/or the SLC/FP had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement.
2. Develop a behavior intervention plan, or if a plan has already been developed, review and modify it, as necessary, to address the behavior; and
3. Return the student to the placement from which he/she was removed unless the parent and the SLC/FP staff and consortium district representative agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Team determines that the behavior was not a manifestation of the student's disability and that the conduct in question was not a result of the SLC/FP's failure to implement the IEP or Section 504 Plan, then the SLC/FP may apply the relevant disciplinary procedures to students with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

#### Due Process Appeals

The parent of a student with a disability who disagrees with any decision regarding placement or the manifestation determination, or the SLC/FP and/or consortium district believes that maintaining the current placement of the student is substantially likely to result in injury to the student or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the SLC/FP or the consortium district, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the forty-five (45) school day time period provided for in an interim alternative educational setting, whichever occurs first, unless the parent and consortium district and the SLC/FP agree otherwise.

#### Special Circumstances

The SLC/FP personnel and consortium district representatives may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates the SLC/FP's code of student conduct.

The Principal or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

1. Carries or possesses a weapon, as defined in 18 USC § 930, to or at school, on school premises, or to or at a school function.
2. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or

3. Has inflicted serious bodily injury, as defined by 20 USC § 1415(k)(7)(D), upon another person while at school, on school premises, or at a school function.

The student's interim alternative educational setting shall be determined by the Team.

### **Involuntary Removals**

A student shall not be involuntarily removed by the SLC/FP or consortium district representative for any reason unless the parent has been provided written notice the intent to remove the student no less than five (5) school days before the effective date of action. "Involuntary removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions.

The written notice shall be in the native language of the student or parent and shall inform him/her of the right to a hearing with the consortium district SUPERINTENDENT OR DESIGNEE, or another neutral officer designated by the consortium district SUPERINTENDENT OR DESIGNEE. A hearing requested by the parent shall be subsequently followed by a timely, written notice that includes:

1. The date, time, and location of the hearing is reasonable to the student and parent.
2. A statement of specific facts and charges upon which the proposed involuntary removal is based.
3. The right to appear in person or to be represented by legal counsel or a non-attorney advisor.
4. The right to inspect and obtain copies of all documents to be used at the hearing.
5. The right to confront and question all witnesses who testify at the hearing.
6. The right to question all evidence presented, and to present oral and documentary evidence on the student's behalf, including witnesses.
7. The student's right to remain enrolled and not be removed until a final decision is issued.

A decision of the consortium SUPERINTENDENT OR Designee must be documented in his/her findings of fact based upon substantial evidence relevant to the charges presented at the hearing. No decision to involuntarily remove a student shall be based solely on hearsay evidence, except when the consortium SUPERINTENDENT OR Designee, upon finding that good cause exists, determines that the disclosure of either the identity of a witness and/or the testimony of that witness at the hearing would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the consortium SUPERINTENDENT OR Designee. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student.

If the consortium SUPERINTENDENT or Designee decides not to order the involuntary removal of a student, the student shall be immediately reinstated and permitted to return to his/her educational program at the SLC/FP.

If the consortium district SUPERINTENDENT or Designee determines that there is sufficient evidence to involuntarily remove a student, his/her decision, along with the findings of fact, shall be provided to the student and parent in writing within three (3) school days from the date of the hearing. The decision of the consortium SUPERINTENDENT OR Designee is final.

### **Notification Requirements**

If a student, subject to compulsory full-time education pursuant to EC 48200, is expelled or leaves the SLC/FP without graduating or completing the school year for any reason, The SLC/FP principal or

WUSD administrative representative notify the superintendent of the school district of the student's last known address within thirty (30) days and shall, upon request, provide that school district with a copy of the student's records, including report cards or a transcript of grades, and health information.

Upon the severance of attendance by any student subject to the compulsory education laws of California, whether by expulsion, exclusion, exemption, transfer, suspension beyond ten (10) school days, or other reasons, the SLC/FP Principal shall report such severance to the consortium Superintendent or Designee. The report shall include names, ages, last known address, and the reason for each such severance.

---

## **SECTION 7: NOTIFYING TEACHERS OF DANGEROUS STUDENTS**

---

Education Code 49079 requires the notification of teachers of students assigned to them who, in the last three years, have engaged in, or are reasonably suspected to have engaged in, any of the acts which could constitute grounds for suspension or expulsion, with the exception of the possession or use of tobacco products. This information shall be based upon any records maintained by the school (*i.e.*, discipline referrals, suspension notices), or received from a law enforcement agency.

Teachers shall receive the information in confidence and shall not disseminate it further. The information is also available in the student's education records.

---

## SECTION 8: BULLYING & CYBERBULLYING

---

The SLC/FP believes that all students have a right to a safe and healthy school environment. Bullying has a negative effect on the social environment of schools, creates a climate of fear among students, and leads to other antisocial behavior. Recognizing the harmful effects of bullying on student learning and school attendance, school employees have an obligation to promote mutual respect, tolerance, and acceptance.

The SLC/FP will not tolerate behavior that infringes on the safety of any student. No individual or group shall intimidate, harass, sexually harass, threaten, cause bodily injury to, or commit hate violence against another student or school personnel through physical, written, verbal, or other means. Such behavior includes direct physical contact, such as hitting or shoving, or taking or breaking another individual's property; verbal assaults, such as name-calling, taunting, making inappropriate sexual comments, or threatening to cause harm; and social isolation, embarrassment, or manipulation.

Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, videos, or images. Cyberbullying can include sharing personal or private information about another student, causing embarrassment or humiliation.

As appropriate, the SLC/FP may collaborate with law enforcement and community-based organizations and agencies in the development and implementation of strategies to promote safety in schools and the community and to provide services for alleged victims, witnesses, and perpetrators of bullying.

### **Bullying Intervention**

Students are expected to immediately report to the SLC/FP principal or designee incidents of bullying or when there is suspicion that a student is being victimized on school grounds, while traveling to and from school, during the lunch period, and during a school-sponsored activity. The principal or designee shall develop means for students to report threats or incidents confidentially and anonymously. School counselors have been trained in conflict resolution and conduct meetings on campus regularly for students to discuss issues with their teachers and with the administrative offices.

WUSD - SLC/FP employees who witness an act of bullying are trained to immediately intervene to stop the incident when it is safe to do so.

When appropriate based on the severity or pervasiveness of the bullying, the principal, or principal's designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

The SLC/FP principal or designee may refer a victim, witness, perpetrator, or other student affected by an act of bullying to a school counselor, school psychologist, social worker, child welfare attendance personnel, school nurse, or other school support service personnel for case management, counseling, and/or participation in a restorative justice program as appropriate.

### **Reporting and Filing of Complaints**

Any individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a district office compliance officer, or any other available school employee. A school employee who receives a report or is witness of an incident of bullying involving a student shall notify the principal within one business day whether or not the alleged victim files a complaint.

When the circumstances involve cyberbullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages that they feel constitute cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated. When a student uses a social networking site or service to bully or harass another student, the Principal or Designee may file a request with the networking site or service to suspend the privileges of the student and to have the material removed.

Complaints or reports filed should include, at minimum, the following information:

1. Description of the incident, including date, time, and location of such incident
2. Identity of the alleged victim(s) and alleged offender(s)
3. List of witnesses who may have relevant information
4. Any evidence of the bullying allegations

### **Investigation and Resolution of Complaints**

All complaints of bullying must be investigated by the principal or designee within ten business days from the date the complaint was filed. The principal or designee shall take all necessary actions to resolve the complaint and provide the complainant with a final written decision that contains, at minimum, the following elements:

1. A description of the complaint
2. The list of evidence gathered and reviewed
3. The rationale for the decision based on evidence and any applicable laws or Wiseburn USD policies
4. Corrective actions if any are warranted

Discrimination, harassment, intimidation, and bullying based on the actual or perceived status of a student belonging to a protected class is prohibited. If the principal or designee, in the course of the investigation, determines that discriminatory harassment, intimidation, or bullying has occurred, the principal or designee shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with Wiseburn USD Uniform Complaint Procedures (UCP). The principal or designee shall also inform the Superintendent or Designee of the complaint, who shall then investigate and resolve the complaint in accordance with the UCP.

As part of the investigation, the principal or designee shall provide an opportunity for the complainant, or the complainant's representative, or both, to present evidence or information to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation. Refusal by the complainant to provide documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Interviews of the alleged victim(s), any alleged offenders, and other relevant witnesses shall be conducted privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

All complainants shall be protected from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. For any complaint alleging retaliation or discriminatory harassment, intimidation, or bullying, the Superintendent or Designee shall keep the

identity of the complainant, and/or the subject of the complaint if he/she is different from the complainant, confidential when appropriate and as long as the integrity of the complaint process is maintained.

As appropriate, interim measures shall be implemented during and pending the result of an investigation and shall remain in place until the principal or designee determines they are no longer necessary.

### **Corrective Actions and Disciplinary Measures**

When a complaint is found to have merit, appropriate remedies that may be offered to the victim but not communicated to the offender may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided that the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and that there has been no retaliation

Corrective actions for a student determined to have committed an act of bullying of any type may include, but are not limited to, the following:

1. Transfer from a class or school
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or co-curricular activities or other privileges
7. Disciplinary action, such as suspension, expulsion, or involuntary removal as permitted by law

Any school employee who permits or engages in bullying or retaliation related to bullying shall be subjected to disciplinary action, up to and including dismissal.

## SECTION 9: SUICIDE PREVENTION

---

The SLC/FP is committed to protecting the health and well-being of all students by having procedures in place to prevent, assess the risk of, intervene in, and respond to suicide. The school:

- Recognizes that physical, behavioral, and emotional health is an integral component of a student's educational outcomes
- Recognizes that suicide is a leading cause of death among young people
- Has an ethical responsibility to take a proactive approach in preventing deaths by suicide
- Acknowledges its role in providing an environment which is sensitive to individual and societal factors that place youth at greater risk for suicide and one which helps to foster positive youth development.

### **Suicide Prevention**

The SLC/FP principal shall designate a suicide prevention coordinator to act as a point of contact to address issues relating to suicide prevention and policy implementation. All staff members shall report students they believe to be at elevated risk for suicide to the suicide prevention coordinator.

#### Staff Professional Development

All staff receive annual professional development on risk factors, warning signs, protective factors, response procedures, referrals, postvention, and resources regarding youth suicide prevention. The professional development will include additional information regarding groups of students at elevated risk for suicide, including those:

- Living with mental and/or substance use disorders
- Who engage in self-harm or have attempted suicide
- In out-of-home settings
- Experiencing homelessness
- Who are American Indian/Alaska Native
- Who are LGBTQ (lesbian, gay, bisexual, transgender, or queer)
- Bereaved by suicide
- With medical conditions or certain types of disabilities

Additional professional development in risk assessment and crisis intervention will be provided to school employed mental health professionals and school nurses.

#### Youth Suicide Prevention Programming

Developmentally appropriate, student-centered education materials will be integrated into the curriculum of all advisory classes. The content of these age-appropriate materials will include:

- The importance of safe and healthy choices and coping strategies.
- How to recognize risk factors and warning signs of mental disorders and suicide in oneself and others.

- Help-seeking strategies for oneself or others, including how to engage school resources and refer friends for help. In addition, schools may provide supplemental small group suicide prevention programming for students.

### Publication and Distribution

The WUSD suicide prevention policy will be distributed annually and included in all student and teacher handbooks and posted on the school website. Consortium district representatives can also distribute the district of residence procedure, policies and resources to the students enrolled in the SLC/FP.

### **Assessment and Referral**

When a SLC/FP student is identified by a staff person as potentially suicidal (*i.e.*, verbalizes about suicide, presents overt risk factors such as agitation or intoxication, the act of self-harm occurs, or a student self-refers) the student will be seen by a school employed mental health professional within the same school day to assess risk and facilitate referral. If there is no mental health professional available, a school nurse or administrator will fill this role until a mental health professional can be brought in.

For youth at risk:

1. School staff will continuously supervise the student to ensure his/her safety.
2. The principal and school suicide prevention coordinator will be made aware of the situation as soon as reasonably possible.
3. The school-employed mental health professional or principal will contact the student's parent/guardian, as described in the Parental Notification and Involvement section, and will assist the family with urgent referral. When appropriate, this may include calling emergency services or bringing the student to the local Emergency Department, but in most cases will involve setting up an outpatient mental health or primary care appointment and communicating the reason for referral to the healthcare provider.
4. Staff will ask the student's parent/guardian for written permission to discuss the student's health with outside care, if appropriate.

### **In-School Suicide Attempts**

In the case of an in-school suicide attempt, the health and safety of the student is paramount. In these situations:

1. First aid will be rendered until professional medical treatment and/or transportation can be received, following the WUSD- SLC/FP's emergency medical procedures.
2. Staff will supervise the student to ensure his/her safety.
3. Staff will move all other students out of the immediate area as soon as possible.
4. If appropriate, staff will immediately request a mental health assessment for the youth.
5. The school-employed mental health professional or principal will contact the student's parent/guardian, as described in the Parental Notification and Involvement section.
6. Staff will immediately notify the principal or school suicide prevention coordinator regarding in-school suicide attempts.
7. The suicide prevention coordinator will engage, as necessary, the crisis team to assess whether additional steps should be taken to ensure student safety and well-being.

## **Re-Entry Procedure**

For students returning to school after a mental health crisis (e.g., suicide attempt or psychiatric hospitalization), a school-employed mental health professional, the principal or designee will meet with the student's parent/guardian, and if appropriate, meet with the student to discuss re-entry and appropriate next steps to ensure the student's readiness for return to school.

1. A school-employed mental health professional or other designee will be identified to coordinate with the student, his/her parent/guardian, and any outside mental health care providers.
2. The parent/guardian will provide documentation from a mental health care provider that the student has undergone examination and that he/she is no longer a danger to himself/herself or others.
3. The designated staff person will periodically check in with student to help the student readjust to the school community and address any ongoing concerns.

## **Out-of-School Suicide Attempts**

If a staff member becomes aware of a suicide attempt by a student that is in progress in an out-of-school location, the staff member will:

1. Call the police and/or emergency medical services, such as 911.
2. Inform the student's parent/guardian.
3. Inform the suicide prevention representative (i.e. school counselor or school psychologist) and principal.

If the student contacts the staff member and expresses suicidal ideation, the staff member should maintain contact with the student (either in person, online, or on the phone). The staff member should then enlist the assistance of another person to contact the police while maintaining verbal engagement with the student.

## **Parental Notification and Involvement**

In situations where a student is assessed at risk for suicide or has made a suicide attempt, the student's parent/guardian will be informed as soon as practicable by the principal, designee, or mental health professional. If the student has exhibited any kind of suicidal behavior, the parent/guardian should be counseled on "means restriction," limiting the child's access to mechanisms for carrying out a suicide attempt. Staff will also seek parental permission to communicate with outside mental health care providers regarding their child.

Through discussion with the student, the principal or school-employed mental health professional will assess whether there is further risk of harm due to parent/guardian notification. If the principal, designee, or mental health professional believes, in their professional capacity, that contacting the parent/guardian would endanger the health or well-being of the student, he/she may delay such contact as appropriate. If contact is delayed, the reasons for the delay should be documented.

## **Postvention**

### **Development and Implementation of an Action Plan**

The crisis team will develop an action plan to guide school response following a death by suicide. A meeting of the crisis team to implement the action plan should take place immediately following news of the suicide death. The action plan may include the following steps:

1. ***Verify the death.*** Staff will confirm the death and determine the cause of death through communication with a coroner's office, local hospital, the student's parent/guardian, or police department. Even when a case is perceived as being an obvious instance of suicide, it should not be labeled as such until after a cause of death ruling has been made. If the cause of death has been confirmed as suicide but the parent/ guardian will not permit the cause of death to be disclosed, the school will not share the cause of death but will use the opportunity to discuss suicide prevention with students.
2. ***Assess the situation.*** The crisis team will meet to prepare the postvention response, to consider how severely the death is likely to affect other students, and to determine which students are most likely to be affected. The crisis team will also consider how recently other traumatic events have occurred within the school community and the time of year of the suicide. If the death occurred during a school vacation, the need for or scale of postvention activities may be reduced.
3. ***Share information.*** Before the death is officially classified as a suicide by the coroner's office, the death can and should be reported to staff, students, and parents/guardians with an acknowledgement that its cause is unknown. Inform the faculty that a sudden death has occurred, preferably in a staff meeting. Write a statement for staff members to share with students. The statement should include the basic facts of the death and known funeral arrangements (without providing details of the suicide method), recognition of the sorrow the news will cause, and information about the resources available to help students cope with their grief. Public address system announcements and school-wide assemblies should be avoided. The crisis team may prepare a letter (with the input and permission from the student's parent/ guardian) to send home with students that includes facts about the death, information about what the school is doing to support students, the warning signs of suicidal behavior, and a list of resources available.
4. ***Avoid suicide contagion.*** It should be explained in the staff meeting described above that one purpose of trying to identify and give services to other high-risk students is to prevent another death. The crisis team will work with teachers to identify students who are most likely to be significantly affected by the death. In the staff meeting, the crisis team will review suicide warning signs and procedures for reporting students who generate concern.
5. ***Initiate support services.*** Students identified as being more likely to be affected by the death will be assessed by a school-employed mental health professional to determine the level of support needed. The crisis team will coordinate support services for students and staff in need of individual and small group counseling as needed. In concert with parents/guardians, crisis team members will refer to community mental healthcare providers to ensure a smooth transition from the crisis intervention phase to meeting underlying or ongoing mental health needs.
6. ***Develop memorial plans.*** The school should not create on-campus physical memorials (e.g., photos, flowers), funeral services, or fly the flag at half-mast because it may sensationalize the death and encourage suicide contagion. School should not be canceled for the funeral. Any school-based memorials (e.g., small gatherings) will include a focus on how to prevent future suicides and prevention resources available.

#### External Communication

The WUSD Superintendent or Designee in collaboration with the consortium district SUPERINTENDENT or Designee will appoint or be the sole media spokesperson. Staff will refer all inquiries from the media directly to the spokesperson. The spokesperson will:

1. Keep the SLC/FP suicide prevention coordinator (i.e. school counselor or school psychologist and principal informed of school actions relating to the death.

2. Prepare a statement for the media including the facts of the death, postvention plans, and available resources. The statement will not include confidential information, speculation about victim motivation, means of suicide, or personal family information.

Answer all media inquiries. If a suicide is to be reported by news media, the spokesperson should encourage reporters not to make it a front-page story, not to use pictures of the suicide victim, not to use the word suicide in the caption of the story, not to describe the method of suicide, and not to use the phrase “suicide epidemic” – as this may elevate the risk of suicide contagion. They should also be encouraged not to link bullying to suicide and not to speculate about the reason for suicide. Media should be asked to offer the community information on suicide risk factors, warning signs, and resources available.

---

## SECTION 10: DRESS AND GROOMING

---

The SLC/FP follows the WUSD code of conduct relating to dress code to foster a professional and respectful school environment. The dress code is in effect from the time students arrive to school and until they leave. The dress code applies to field trips, site visits, academic internships, and other school-related activities, unless the supervising adult informs the students otherwise. Consortium districts will collaborate with the principal of the SLC/FP to ensure appropriate dress and grooming for school.

Students may receive lunch or after school detention if they are in violation of the dress code. In some cases, as determined by school administration, students will be required to change their clothes before going to class. If a student does not have access to dress code-appropriate clothing, he/she can request assistance from the SLC/FP office or the Principal's Office before the start of the school day.

### Acceptable:

- Shirts (t-shirts, polos, button-downs, WUSD or consortium district labeled apparel)
- Pants (khaki pants, slacks, jeans)
- Shorts, skirts, dresses (non-revealing shorts -preferred no shorter than mid-thigh)
- Leggings, jeggings, or tights (if they are paired with a top, skirt, or dress that is mid-thigh in length)
- Collared blazers, jackets, or sweatshirts with school appropriate tops underneath
- Close-toed shoes, sandals, or professional footwear that ensure safety on campus and on outdoor activities

### Unacceptable:

- Indecent exposure and unsafe clothing that may cause trips, falls or snagging of any kind (waists or midriffs, low-cut tops, large rips in jeans, etc.)
- Skirts, dresses, and shorts that are shorter than considered super mini, prefer mid-thigh, with leggings, tights, or stockings underneath so that they are not a distraction to other learners
- See-through, revealing shirts of any kind, unless paired with an acceptable top underneath
- Pajamas
- Clothing with inappropriate content of any kind

---

## SECTION 11: SAFE INGRESS AND EGRESS

---

THE SLC/FP is committed to providing a safe and secure environment for all students, parents, and school employees. As such, the school will take measures to ensure the safe ingress and egress of all students, parents, school employees, and visitors to and from campus by:

1. Conducting periodic reviews of its procedures for ingress and egress, considering any input from the community.
2. Ensuring that all passageways to and from school buildings, corridors within school buildings and emergency exits remain clear of all obstruction and hazards to allow flow of pedestrian and vehicular traffic.
3. Collaborating with local law enforcement agencies and the city of Hawthorne to ensure that the school's immediate community is safe.
4. Coordinating with the Hawthorne Police Department to ensure safe ingress and egress from the school parking lot.
5. Addressing any problems associated with safe ingress and egress immediately.

### **Arrival and Departure of Students**

The main entrance of the SLC/FP is located at 13530 Aviation Blvd. Hawthorne, CA 90250. The main doors to the school are unlocked and monitored by school personnel from 8:15 a.m. through the close of school at 2:30 p.m.

SLC/FP and FUTURES PLUS staff and administration will monitor the arrival of students in the morning (8:15 am-8:30 a.m.) and dismissal of students in the afternoon (2:30pm). During drop-off and pick-up times, vehicle and pedestrian movement is supervised by onsite personnel. Students are required to follow all pedestrian safety laws including safe use of crosswalks and sidewalks and are also required to walk bikes and carry skateboards/scooters while on campus.

The SLC/FP is a closed campus, meaning that students are not permitted to leave campus during the school day without being signed out by a parent/guardian; students will not be dismissed from school per phone requests by the parent/guardian. A student will only be released during the school day to his/her parent/guardian listed in PowerSchool. If a parent/guardian wishes for one of the emergency contacts listed in PowerSchool to pick up a student early, the parent/guardian must make the request in person or by phone. When picking up students early from school, office staff may require photo identification for verification of parent/guardian/emergency contact identity. The student will only be called out of class when the parent/guardian/emergency contact arrives at the school to pick him/her up. Students 18 years of age or older may sign themselves into and off campus as approved by the school administrator. Entrance and exits for student and parent/public use are identified. Staff and students are advised of the arrival and departure rules as they enter the program (admission) and throughout the year as they are identified as needing assistance.

### **Visitors/Outsiders**

All visitors to campus, including alumni, parents/guardians, and family members, must register with the SLC/FP office and obtain a visitor's pass to enter the classrooms or site grounds. Visitors may be required to present a photo ID to support their information needed on the pass and confirm their

appointment or need for visitation. Students' emergency contact information and school records will be used as a cross reference. Due to the nature of the program and its student population, visitors must present information as to the reason for the visit prior to being on campus and what district of residence they may have been referred. Staff may accompany all visitors on campus to ensure student safety. Parents and district representatives will be called to verify the request for visitation if there is no information in writing on file for the visitor to proceed to the classroom or staff's office. Staff may call local law enforcement in the event of any unauthorized persons who are on campus without permission and/or who refuse to leave the school campus. Staff that are not scheduled for appointments may be advised of an alternative date and time for the visit.

All visits shall be kept to an approximate 10-20-minute duration while enforcing a non-interactive policy as to not impact student learning. Given the nature of the student needs, the principal and staff shall guide the visitor to specific visitation areas on campus accordingly. If the principal does not feel a visit is in the best interest of the student, staff or parent's need, the principal can rearrange for another time better for observational needs. The SW SELPA Local Plan and Special Education Policy and Procedures Handbook indicate the specific procedures for parents, and outside observers who will be conducting assessments or observations for IEP development. Questions or clarification relating to visitation procedures shall be addressed by the principal and the consortium district representative(s). All visitations for placement consideration must be arranged by the consortium member district of residence representatives and made in advance of the observation.

## **Sexual Offenders**

When law enforcement has determined that parents/guardians should be notified regarding the presence of a sex offender in the community, the Superintendent or Designee shall collaborate with local law enforcement in order to determine an appropriate response. This response may include:

1. An article in a school or parent council newsletter notifying parents/guardians that law enforcement information about registered sex offenders is available at the local law enforcement agency headquarters and/or at the school office. This article shall encourage parents/guardians to contact local law enforcement and access the Department of Justice's (DOJ) Megan's Law Internet website for additional information.
2. A mailing, at the expense of law enforcement or the consortium districts per agreement procedures can occur and will be printed on law enforcement letterhead and envelopes, notifying parents/guardians of the presence of registered sex offenders. This notification shall encourage parents/guardians to contact local law enforcement and access the DOJ's Megan's Law Internet website for additional information.

Whenever the principal has granted permission to a person who is not a family member of a student and who is required to register as a sex offender pursuant to Penal Code 290 to come into a school building or upon school grounds to volunteer at the school, the principal shall notify the parent/guardian of each student at that school, at least 14 days in advance, that a registered sex offender has been granted such permission, the date(s) and times for which permission has been granted, and the parent/guardian's right to obtain information regarding the person from a designated law enforcement agency. Notice may be provided using any of the following methods:

1. By regular mail
2. In electronic format upon request of the parent/guardian
3. By any other method normally used to communicate with parents/guardians in writing

---

## **SECTION 12: RESPONSE TO IMMIGRATION ENFORCEMENT**

---

The SLC/FP is committed to providing a safe and welcoming learning environment for all students and their families irrespective of their citizenship or immigration status.

Immigration enforcement actions at or focused on sensitive locations are generally avoided but may occur. As such, school personnel shall respond appropriately to the request of immigration authorities for access to student information, contact with a student, or school facilities. The WUSD defines locations to include its schools, school-sponsored activities, including those occurring in public places and adjacent areas, and all of the school's properties, including but not limited to, facilities owned, controlled by, or leased by the school.

### **Responding to Request for Information**

Unless authorized by the Family Educational Rights and Privacy Act pursuant to 20 USC 1232g, student information, including personal information of the student's family members, shall not be disclosed to an officer or employee of a law enforcement agency for the purpose of enforcing the immigration laws without parental consent, a court order, or judicial subpoena.

Upon receiving any verbal or written request for information related to the immigration or citizenship status of a student or members of the student's family, school personnel shall:

1. Notify the principal about the information request
2. Provide students and families with appropriate notice and a description of the immigration enforcement officer's request
3. Document any request for information by immigration authorities
4. Provide students and parents/guardians with any documents issued by the immigration enforcement officer, unless prohibited by a lawfully issued and effective subpoena served on the school or in cases involving investigations of child abuse, child neglect, or child dependency

### **Responding to Requests for Access to Students or School Facilities**

School personnel shall obtain parent/guardian consent before a student is interviewed or searched by an officer seeking to enforce civil immigration laws at the school, unless the officer presents a valid, effective warrant signed by a judge or a valid, effective court order. A student's parent/guardian shall be immediately notified if the officer requests or gains access to the student for immigration enforcement purposes unless the judicial warrant or subpoena restricts disclosure to the parent/guardian.

All visitors and outsiders, including immigration enforcement officers, shall register with the designated school personnel upon entering the school grounds during school hours. Each visitor or outsider shall provide the designated school personnel with his/her name, address, occupation, age if less than 21, purpose in entering school grounds, proof of identity, and any other information required by law.

School personnel shall report the presence of any immigration enforcement officers to the principal or designee, and shall take the following actions in response to an officer present on the school campus specifically for immigration enforcement purposes:

1. Advise the officer that before school personnel can respond to his/her request, they must first receive notification and direction from the Superintendent or Designee, except under exigent circumstances that necessitate immediate action.
2. Ask to see and make a copy of the officer's credentials (name and badge number) and phone number of his/her supervisor.
3. Ask the officer for his/her reason for being on school grounds and document the response.
4. Ask the officer to produce any documentation that authorizes school access.
5. Make a copy of all documents provided by the officer and retain one copy for school records.
6. If the officer declares that exigent circumstances exist and demands immediate access to school grounds, comply with the officer's orders and immediately contact the Superintendent or Designee. Exigent circumstances exist when there is an:
  - a. Enforcement action involving a national security or terrorism matter.
  - b. Enforcement action involving the immediate arrest or pursuit of a dangerous felon, terrorist suspect, or any other individual posing an imminent danger to public safety.
  - c. Imminent risk of death, violence, or physical harm to a person or property; or
  - d. Imminent risk of destruction of evidence material to an ongoing criminal case
7. If the officer does not declare that exigent circumstances exist, respond according to the requirements of the officer's documentation, as follows:
  - a. If the officer has an Immigrations and Customs Enforcement (ICE) administrative warrant, school personnel shall inform the officer that they cannot consent to any request without first consulting with the school's legal counsel or Superintendent or Designee.
  - b. If the officer has a federal judicial warrant, such as a search and seizure warrant or an arrest warrant signed by a federal judge or magistrate, school personnel shall promptly comply with the warrant. If feasible, school personnel staff shall consult with the school's legal counsel or Superintendent or Designee before providing the officer with access to the person or materials specified in the warrant.
  - c. If the officer has a subpoena for production of documents or other evidence, school personnel shall inform the school's legal counsel or Superintendent or Designee of the subpoena and await further instructions as to how to proceed.
8. Do not attempt to physically impede the officer, even if the officer appears to be exceeding the authorization given under a warrant or other document. If an officer enters the premises without consent, school personnel shall document the officer's actions while on school grounds.

In no instance shall a compliance officer be assigned to a complaint in which he/she has a bias or conflict of interest that would prohibit him/her from fairly investigating or resolving the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the WUSD Board of Trustees who shall determine how the complaint will be investigated.

The WUSD Superintendent or Designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program, applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), applicable standards for reaching decisions on complaints, and appropriate corrective measures. The time for filing may be extended for up to 90 days by the Superintendent or Designee for good cause upon written request by the complainant setting forth the reasons for the extension.
  - d. Complaints should be filed in writing and signed by the complainant. If a complainant is unable to put his/her complaint in writing due to conditions such as a disability or illiteracy, staff shall assist him/her in the filing of the complaint.
  - e. If a complaint is not filed in writing but THE SLC/FP receives notice of any allegation that is subject to the UCP, affirmative steps shall be taken to investigate and address the allegations, in a manner appropriate to the particular circumstances.
  - f. If the allegation involves retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) and the investigation confirms that discrimination has occurred, steps shall be taken to prevent recurrence of discrimination and correct its discriminatory effects on the complainant, and on others, if appropriate.

- j. The complainant has a right to appeal WUSD's decision to CDE by filing a written appeal within 15 calendar days of receiving the decision.
- k. The appeal to CDE must include a copy of the complaint filed with CDE and a copy of WUSD's decision.
- l. Copies of WUSD's UCP are available free of charge.

Information related to Title IX as required pursuant to Education Code 221.61 shall be posted on WUSD's web site.

The WUSD Superintendent or Designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the SLC/FP's policy, procedures, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular school speak a single primary language other than English, the policy, regulation, forms, and notices concerning the UCP shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the SLC/FP shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

## **Responsibilities**

All WUSD UCP-related complaints shall be investigated and resolved within 60 calendar days of the compliance officer's receipt of the complaint unless the complainant agrees in writing to an extension of the timeline.

All parties involved in the allegations shall be notified when a complaint is filed and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process.

The WUSD - SLC/FP shall protect all complainants from retaliation.

The compliance officer or, if necessary, any appropriate administrator shall determine whether interim measures are necessary during and pending the result of an investigation. If interim measures are determined to be necessary, the compliance officer shall consult with the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the SLC/FP issues its final written decision, whichever occurs first.

The compliance officer shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

The Superintendent or Designee shall provide training to staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy.

## **Filing of Complaints**

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, staff shall assist him/her in the filing of the complaint.

Complaints shall also be filed in accordance with the following rules, as applicable:

1. Any complaint alleging that the school inappropriately imposed student fees, deposits, and charges may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred.
2. Any complaint alleging noncompliance with any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance.
3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or Designee for good cause upon written request by the complainant setting forth the reasons for the extension.
4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when he/she is not the complainant, requests confidentiality, the compliance officer shall inform him/her that the request may limit the school's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the school shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

## **Mediation**

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of the law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the SLC/FP shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the SLC/FP shall then continue with subsequent steps specified in this policy.

### **Investigation of Complaint**

Within 10 business days after the compliance officer receives the complaint, the WUSD compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the WUSD compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint and shall notify the complainant and/or his/her representative of the opportunity to present any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the WUSD compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the WUSD compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the compliance officer with documents or other evidence related to the allegations in the complaint, failure, or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the compliance officer with documents or other evidence related to the allegations in the complaint, failure, or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant.

In accordance with law, the compliance officer shall have access to records and other information related to the allegation in the complaint. Failure or refusal of staff to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant.

The WUSD compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

## **Final Written Decision**

Unless extended by written agreement with the complainant, the WUSD compliance officer shall prepare and send to the complainant, and respondent if there is one, a final written decision within 60 calendar days of the WUSD compliance officer's receipt of the complaint. (5 CCR 4631)

In consultation with WUSD's legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the SLC/FP shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the final written decision shall include:

1. The findings of fact are based on the evidence gathered. In reaching a factual determination, the following factors may be considered:

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of WUSD's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with CDE.
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law.

## SECTION 16: APPENDIX

---

### **Appendix A. School Safety Plans (Education Code 32280-32289)**

#### *EC 32280. Legislative Intent*

It is the intent of the Legislature that all California public schools, in kindergarten, and grades 1 to 12, inclusive, operated by school districts, in cooperation with local law enforcement agencies, community leaders, parents, pupils, teachers, administrators, and other persons who may be interested in the prevention of campus crime and violence, develop a comprehensive school safety plan that addresses the safety concerns identified through a systematic planning process. For the purposes of this section, law enforcement agencies include local police departments, county sheriffs' offices, school district police or security departments, probation departments, and district attorneys' offices. For purposes of this section, a "safety plan" means a plan to develop strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on the school campus. (Stats. 2003, Ch. 828)

#### *EC 32281. Development*

- (a) Each school district and county office of education is responsible for the overall development of all comprehensive school safety plans for its schools operating kindergarten or any of grades 1 to 12, inclusive.
- (b) (1) Except as provided in subdivision (d) with regard to a small school district, the school site council established pursuant to former Section 52012, as it existed before July 1, 2005, or Section 52852 shall write and develop a comprehensive school safety plan relevant to the needs and resources of that particular school.
- (2) The school site council may delegate this responsibility to a school safety planning committee made up of the following members:
- (A) The principal or the principal's designee.
  - (B) One teacher who is a representative of the recognized certificated employee organization.
  - (C) One parent whose child attends the school.
  - (D) One classified employee who is a representative of the recognized classified employee organization.
  - (E) Other members, if desired.
- (3) The school site council shall consult with a representative from a law enforcement agency in the writing and development of the comprehensive school safety plan.
- (4) In the absence of a school site council, the members specified in paragraph (2) shall serve as the school safety planning committee.
- (c) Nothing in this article shall limit or take away the authority of school boards as guaranteed under this code.
- (d) (1) Subdivision (b) shall not apply to a small school district, as defined in paragraph (2), if the small school district develops a districtwide comprehensive school safety plan that is applicable to each school site.
- (2) As used in this article, "small school district" means a school district that has fewer than 2,501 units of average daily attendance at the beginning of each fiscal year.
- (e) (1) When a principal or his or her designee verifies through local law enforcement officials that a report has been filed of the occurrence of a violent crime on the school site of an elementary or secondary school at which he or she is the principal, the principal or the principal's designee may send to each pupil's parent or legal guardian and each school employee a written notice of the occurrence and general nature of the crime. If the principal or his or her designee chooses to send the written notice, the Legislature encourages the notice be sent no later than the end of business on the second regular workday after the verification. If, at the time of verification, local law enforcement officials determine that notification of the violent crime would hinder an ongoing investigation, the notification authorized by this subdivision shall be made within a reasonable period of time, to be determined by the local law enforcement agency and the school district. For purposes of this section, an act that is considered a "violent crime" shall meet the definition of Section 67381 and be an act for which a pupil could or would be expelled pursuant to Section 48915.

(2) Nothing in this subdivision shall create any liability in a school district or its employees for complying with paragraph (1).

(f) (1) Notwithstanding subdivision (b), a school district or county office of education may, in consultation with law enforcement officials, elect to not have its school site council develop and write those portions of its comprehensive school safety plan that include tactical responses to criminal incidents that may result in death or serious bodily injury at the school site. The portions of a school safety plan that include tactical responses to criminal incidents may be developed by administrators of the school district or county office of education in consultation with law enforcement officials and with a representative of an exclusive bargaining unit of employees of that school district or county office of education if he or she chooses to participate. The school district or county office of education may elect not to disclose those portions of the comprehensive school safety plan that include tactical responses to criminal incidents.

(2) As used in this article, “tactical responses to criminal incidents” means steps taken to safeguard pupils and staff, to secure the affected school premises, and to apprehend the criminal perpetrator or perpetrators.

(3) Nothing in this subdivision precludes the governing board of a school district or county office of education from conferring in a closed session with law enforcement officials pursuant to Section 54957 of the Government Code to approve a tactical response plan developed in consultation with those officials pursuant to this subdivision. Any vote to approve the tactical response plan shall be announced in open session following the closed session.

(4) Nothing in this subdivision shall be construed to reduce or eliminate the requirements of Section 32282. (Stats. 2011, Ch. 438)

#### *EC 32282. Content*

(a) The comprehensive school safety plan shall include, but not be limited to, both of the following:

(1) Assessing the current status of school crime committed on school campuses and at school-related functions.

(II) A drop procedure whereby each pupil and staff member take cover under a table or desk, dropping to his or her knees, with the head protected by the arms, and the back to the windows. A drop procedure practice shall be held at least once each school quarter in elementary schools and at least once a semester in secondary schools.

(III) Protective measures to be taken before, during, and following an earthquake.

(IV) A program to ensure that pupils and both the certificated and classified staff are aware of, and properly trained in, the earthquake emergency procedure system.

(ii) Establishing a procedure to allow a public agency, including the American Red Cross, to use school buildings, grounds, and equipment for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare. For those purposes, the comprehensive school safety plan shall define “gang-related apparel.” The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A school wide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, “gang-related apparel” shall not be considered a protected form of speech pursuant to Section 48950.

(G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.

(H) A safe and orderly environment conducive to learning at the school.

(I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.

(b) It is the intent of the Legislature that schools develop comprehensive school safety plans using existing resources, including the materials and services of the partnership, pursuant to this chapter. It is also the intent of the Legislature that schools use the handbook developed and distributed by the School/Law Enforcement Partnership Program entitled “Safe Schools: A Planning Guide for Action” in conjunction with developing their plan for school safety.

(c) Each school site council or school safety planning committee, in developing and updating a comprehensive school safety plan, shall, where practical, consult, cooperate, and coordinate with other school Site councils or school safety planning committees.

(d) The comprehensive school safety plan may be evaluated and amended, as needed, by the school safety planning committee, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials should be readily available for inspection by the public.

(e) As comprehensive school safety plans are reviewed and updated, the Legislature encourages all plans, to the extent that resources are available, to include policies and procedures aimed at the prevention of bullying.

(f) The comprehensive school safety plan, as written and updated by the school site council or school safety planning committee, shall be submitted for approval pursuant to subdivision (a) of Section 32288. (Stats. 2015, Ch. 303)

#### *EC 32282.1. Roles and Responsibilities; Guidelines*

(a) As comprehensive school safety plans are reviewed and updated, the Legislature encourages all plans, to the extent that resources are available, to include clear guidelines for the roles and responsibilities of mental health professionals, community intervention professionals, school counselors, school resource officers, and police officers on school campuses, if the school district uses these people.

(b) The guidelines developed pursuant to subdivision (a) are encouraged to include both of the following:

(1) Primary strategies to create and maintain a positive school climate, promote school safety, and increase pupil achievement, and prioritize mental health and intervention services, restorative and transformative justice programs, and positive behavior interventions and support.

(2) Consistent with paragraph (2) of subdivision (a) of Section 32282, protocols to address the mental health care of pupils who have witnessed a violent act at any time, including, but not limited to, any of the following:

#### *EC 32283. Contract with Professional Trainers*

The Department of Justice and the State Department of Education, in accordance with Section 32262, shall contract with one or more professional trainers to coordinate statewide workshops for school districts, county offices of education, and school site personnel, and in particular school principals, to assist them in the development of their respective school safety and crisis response plans, and provide training in the prevention of bullying as defined in subdivision (r) of Section 48900. The Department of Justice and the State Department of Education shall work in cooperation with regard to the workshops coordinated and presented pursuant to the contracts. Implementation of this section shall be contingent upon the availability of funds in the annual Budget Act. (Stats. 2011, Ch. 732)

#### *EC 32283.5. Bullying and Cyberbullying*

The department shall develop an online training module to assist all school staff, school administrators, parents, pupils, and community members in increasing their knowledge of the dynamics of bullying and cyberbullying. ## **Appendix B. Child Abuse and Neglect Reporting Act [Penal Code 11166]**

(a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows, or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written follow-up report within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any non-privileged documentary evidence the mandated reporter possesses relating to the incident.

(1) For purposes of this article, “reasonable suspicion” means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. “Reasonable suspicion” does not require certainty that child abuse or neglect has occurred, nor does it require a specific medical indication of child abuse or neglect; any “reasonable suspicion” is sufficient. For the purposes of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified, and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) A report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If, after reasonable efforts, a mandated reporter is unable to submit an initial report by telephone, he or she shall immediately or as soon as practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone follow-up call by the agency with which he or she filed the report. A mandated reporter who files a one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written follow-up report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written follow-up report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the State Department of Social Services that reflects the data collected from automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu of the initial telephone report.

(5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) A mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, “penitential communication” means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(2) Nothing in this subdivision shall be construed to modify or limit a clergy member’s duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse and that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.

(e) (1) A commercial film, photographic print, or image processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, slide, or any representation of information, data, or an image, including, but not limited to, any film, filmstrip, photograph, negative, slide, photocopy, videotape, video laser disc, computer hardware, computer software, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image depicting a child under 16 years of age engaged in an act of sexual conduct, shall, immediately or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images are seen. Within 36 hours of receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written follow-up report of the incident with a copy of the image or material attached.

(2) A commercial computer technician who has knowledge of or observes, within the scope of his or her professional capacity or employment, any representation of information, data, or an image, including, but not limited to, any computer hardware, computer software, computer file, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image that is retrievable in perceivable form and that is intentionally saved, transmitted, or organized on an electronic medium, depicting a child under 16 years of age engaged in an act of sexual conduct, shall immediately, or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images or materials are seen. As soon as practicably possible after receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written follow up report of the incident with a brief description of the images or materials.

(3) For purposes of this article, “commercial computer technician” includes an employee designated by an employer to receive reports pursuant to an established reporting process authorized by subparagraph (B) of paragraph (43) of subdivision (a) of Section 11165.7.

(4) As used in this subdivision, “electronic medium” includes, but is not limited to, a recording, CD-ROM, magnetic disk memory, magnetic tape memory, CD, DVD, thumb drive, or any other computer hardware or media.

(5) As used in this subdivision, “sexual conduct” means any of the following:

(A) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.

- (B) Penetration of the vagina or rectum by any object.
- (C) Masturbation for the purpose of sexual stimulation of the viewer.
- (D) Sadomasochistic abuse for the purpose of sexual stimulation of the viewer.
- (E) Exhibition of the genitals, pubic, or rectal areas of a person for the purpose of sexual stimulation of the viewer.
- (f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, he or she makes a report of the abuse or neglect pursuant to subdivision (a).
- (g) Any other person who has knowledge of or observes a child whom he or she knows, or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section, “any other person” includes a mandated reporter who acts in his or her private capacity and not in his or her professional capacity or within the scope of his or her employment.
- (h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.
- (I) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article. An internal policy shall not direct an employee to allow his or her supervisor to file or process a mandated report under any circumstances.
- (2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.
- (3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.
- (j) (1) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney’s office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child that relates solely to the inability of the parent to provide the child with regular care due to the parent’s substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.
- (2) A county probation or welfare department shall immediately, and in no case in more than 24 hours, report to the law enforcement agency having jurisdiction over the case after receiving information that a child or youth who is receiving child welfare services has been identified as the victim of commercial sexual exploitation, as defined in subdivision (d) of Section 11165.1.
- (3) When a child or youth who is receiving child welfare services and who is reasonably believed to be the victim of, or is at risk of being the victim of, commercial sexual exploitation, as defined in Section 11165.1, is missing or has been abducted, the county probation or welfare department shall immediately, or in no case later than 24 hours from receipt of the information, report the incident to the appropriate law enforcement authority for entry into the National Crime Information Center database of the Federal Bureau of Investigation and to the National Center for Missing and Exploited Children.

(k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.
