Your child is eligible to receive Basic Skills support in

Please do not hesitate to call if you have any questions, suggestions or comments. We are here to offer the best possible education to your child and your participation is valued and important.

If you choose to have your child not participate, please send a letter stating your decision not to have your child receive Basic Skills Instruction.

I look forward to working with you to provide the best educational experience for your child’s success.

Sincerely,

Helene Fullmer
