COMMUNICATIONS & COMMUNITY INVOLVEMENT

Communications

Clear, concise, and consistent communication is our goal. We share information through the USPS, phone calls, emails, and social media. We also utilize Blackboard text messaging and encourage families to use the F1S app.

Community Involvement

We're fortunate to work with our community to offer a Flex-Day Friday program where business owners, retired teachers, coaches, pastors, and other pillars of the community visit to share inspirational stories and messages with our students.

SAFETY

The safety of our students is a top priority. The doors to our School remain locked at all times, and we utilize an automated check-in system for visitors. Students are searched daily before entering the school.

STAFF

Faculty & Staff

We are a committed team of 18 Certified Teachers, with 82% holding advanced degrees and certifications.
