

## IPC Advisory Sub-Committee Meeting Agenda Tuesday 1/9/2024

3:00-4:30

### **Goals:**

Develop Scaffold of Advisory Organization

### **Agenda:**

1. Welcome /Review Agenda
2. Advisory Activity Starter: Connecting Our Purpose to the Work
3. Framing - What do we mean by scaffold?
4. Advisory Organizational Rounds Protocol
5. Next Steps - Half Day in house PD Day Date

*We will be using a protocol that allows for some think and talk time, but for those that would like more processing time and a heads up, these are the organizational topics we will address:*

#### 1. How will the structure support community , culture and communication?

- How can organization support cross groupings ie; grades, whole school, paired super advisories etc..?
- How can Advisory be a vehicle for communication?

#### 2. What will the Advisor model be?

- Who will Advise?
- Will there be Paired Advisories?
- How are Advisors placed? Do teachers Advise their main grade level taught?
- Duration of Advisee / Advisor relationship.

#### 3. What will the Advisee model be?

- How will they be grouped according to grades, multi or single?
- How will students be placed?
- Heterogeneous, surveyed preference for peers?

- What will the position and process for switching be?

#### 4. How can the structure empower student involvement and leadership?

- What role will students take in creating and overseeing Advisory?
- How can Advisory serve as a vehicle to empower students through, school governance, student led groups, community responsibility?
  
- How can students in upper grade advisories mentor students in lower grade advisories?
