According to Michigan Law, (MCL 380.1147), if a child residing in the Midland Public School district is not five years of age on September 1, 2023, but will be five years of age not later than December 1, 2023, the parent or legal guardian of that child may enroll the child in kindergarten for the 2023-2024 school year if the parent or legal guardian notifies the school district in writing no later than June 1, 2023, that he or she intends to enroll the child in kindergarten. If a child becomes a resident of the Midland Public School district after June 1, the child's parent or legal guardian may enroll the child in kindergarten for that school year if the parent or legal guardian submits this written notification not later than August 1, 2023 under this subsection.

A school district that receives this written notification may make a recommendation to the parent or legal guardian as to whether the child is not ready to enroll in kindergarten due to the child's age or other factors. #### McKinney-Vento: **New Student**

##### Instructions

If your student is experiencing a loss of housing, foreclosure, eviction, or has had to move due to hardship, they may be eligible for assistance. This program requires school districts to remove any barriers to the immediate enrollment, attendance, full participation, and success of PreK-12th grade students who lack a "fixed, regular, and adequate overnight residence." If eligible, students protected under the McKinney-Vento Act are entitled to immediate enrollment into school even if they do not have the documents normally needed, such as proof of residency, school records, immunization records, or birth certificates. The federal McKinney-Vento Homeless Assistance Act, Title IX Part A, of the Every Student Succeeds Act of 2015 includes a definition of who is considered "homeless" or as more commonly referenced, "in transition" for the purposes of the Act and, therefore, eligible for the rights and protections it provides.
