

FINE ARTS – THEATRE

THEATRE ARTS I:

INTRODUCTION – 6354

9,10,11,12

CDHE Elective

.5 credit

This course offers students a practical approach to the fundamental skills of performing arts. Students receive training in theatrical tools including interpretation and scene development. Class activities include learning basic skills necessary for theatrical productions, reading and analyzing plays and evaluating performances. This course is a participatory course and grading is relative to the student's daily involvement.

THEATRE ARTS II:

PERFORMANCE - 6355

9,10,11,12

CDHE Elective

.5 credit

Students will continue to build upon the acting skills they developed in Theatre 1 through scene work, improvisation, monologues, play and character analysis, audition techniques, Shakespeare scenes, vocal technique, and physicalization. Students will become confident in performing before an audience through experimentation with characters through group and individual performances. Students will critically analyze their own work and other in order to reflect and give appropriate feedback. Students will collaborate to develop performances. Along with this, students will produce various written materials including theatre critiques, play script analyses and peer review.

PREREQUISITE: Completed and passed Theatre Arts I. (Or approval from Theatre Staff)

THEATRE ARTS III:

ADVANCED PERFORMANCE - 6356

10, 11, 12

CDHE Elective

.5 credit

This course is designed for the well-rounded theatre students. This class focuses on the same concepts as Theatre 2, but has more of an emphasis on directing and directing techniques. This course encompasses all areas of production.

PREREQUISITE: Completed and passed Theatre Arts II.

TECH THEATRE - 6360

9,10,11,12

CDHE Elective

.5 credit

Students will have the opportunity to participate in phases of stagecraft activities. These areas include scenery construction, scenic painting, stage lighting, make-up, sound, publicity, design, theatre organization management and maintenance. Through research and hands on practice, students will have knowledge and experience of all technical theatre jobs. Students will learn and demonstrate safety procedures for every aspect of theatre. They will develop artistic ideas for theatre design.

FILM STUDY - 6820

10, 11, 12

CDHE Elective

.5 credit

Students investigate how and what ideas, values, and concepts are connected through film. In analyzing film, the students examine elements of plot, setting, style, and point of view. Class activities include viewing, listening, researching, and analyzing film. Recommended before taking Media Production. District film policy requires parental permission before students can participate in the classroom viewing.
