Opportunity Scholarship Program 2024-2025

This application is for new students for the 2024-2025 school year.

Introduction

Thank you for your interest in the Opportunity Scholarship!

The Opportunity Scholarship Program was created by the North Carolina General Assembly to help parents pay tuition and fees for children in Kindergarten through 12th grade to attend an eligible nonpublic school.

The North Carolina State Education Assistance Authority (SEAA) administers the Opportunity Scholarship. For more information, see the program [askUs](#). If you have questions after reviewing the information, contact the program at OpportunityScholarships@ncseaa.edu or call 855-330-3955.

Application Deadlines

- The Opportunity Scholarship Program Application opens December 1, 2023.
- The priority deadline is March 1, 2024. Families who submit their application by midnight on the evening of March 1 will receive priority consideration for a full year award. Families who apply by March 1 receive their award decision early, usually by early April.
- The application may remain open after the priority deadline provided funding remains available.

Lottery

Eligible new students on applications received from February 1 through March will be entered into a lottery.

Order of Awarding

Renewals (students who received 2023-2024 funding) will be considered first for 2024-2025 awards.

Eligible new student applications submitted between February 1 – March 1 will be awarded based on household income, starting with Award Tier 1. Scholarships will be offered to families in Award Tiers 2 - 4 to the extent funds remain available.

If the number of eligible applications exceeds the amount of funds available, a waitlist will be established to fill slots that may become available at a later date.

See the Opportunity Scholarship website for income tier explanations.

The State is not eligible to serve as a parent/guardian for purposes of this program, if the child is a ward of the State.

The parent/guardian completing this application must be the same parent/guardian listed on this application and the same parent/guardian with whom the child lives.

If the student is awarded an Opportunity Scholarship, the scholarship funds will be paid to the school on behalf of the parent/guardian who applied.
