

Did you know that our schools serve breakfast every day that school is in session?

All schools in the Bedford City School District serve breakfast daily. High school, middle school and intermediate school students can get their breakfast in the Cafeteria.

All your student(s) need(s) to do is report to the cafeteria at their scheduled breakfast time, get in line, grab their choices and scan their student ID or put in their 5 digit pin number at the cashier stand. Elementary students get their breakfast in the classroom.

Parents/ Guardians make sure you let your students know that if they want breakfast to raise their hand when teachers are collecting names for breakfast service.

Breakfast at Central, Glendale, Columbus and Carylwood is \$1.50 for a full pay student(s).

Breakfast for Heskett and High School is \$1.75 for full pay student(s)
