2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Welcome to Buckeye School of the Arts (BSA). This School Accountability Report Card (SARC) will provide you with a wealth of information about our school accomplishments, resources, programs, students, and staff. Buckeye School of the Arts has launched off in new and exciting directions that are guaranteed to provide a successful educational environment for your children. At BSA, we believe that when parents team up with the school, everyone wins! Your support and involvement is important to us and your child's success is our number one priority.

Buckeye School of the Arts Mission Statement:

To provide a safe, supportive environment that promotes academic excellence, responsible citizenship, and a life-long desire for learning.

Buckeye School of the Arts Vision Statement:

It is the vision of Buckeye School of the Arts that the united efforts of students, parents, community, and staff will develop students who...

Value themselves

Come to school ready to learn

Speak and write effectively

Engage in environmental concerns and science

Compute and problem solve

Use resources of information and technology

Appreciate and participate in visual and performing arts

Value personal health and fitness

Interact respectfully within the school community and in society

The vision is that BSA students, families, and staff strive for high-quality student work within a safe, enriched, and caring environment, utilizing a wide variety of resources and strategies.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	1.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.10	0.40
Total Out-of-Field Teachers	0.10	0.40

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Buckeye School of the Arts follows the State Instructional Materials Adoption Cycle, which reviews instructional materials in each curricular area within a seven-year cycle. Site and District grade-level teams, site administrators, and the Faculty Advisory Board review textbook needs and make recommendations for adoptions. Textbook recommendations are reviewed by the SSC and forwarded to the Board of Trustees for approval.

Buckeye School of the Arts' library, staffed by a full-time information specialist, is stocked with numerous educational and recreational books available for students to check out. The library also contains a large collection of video and audiotapes for classroom use. Chromebooks in the library are connected to the internet so that students can access resources and information online. Students visit the library at least once a week with their classroom.

Gateway Unified School District (GUSD) held a public hearing at the beginning of the year. BSA was selected for Williams Act walk-thru/Audit for the school year 2023-24. It determined that each school within GUSD has sufficient and good quality textbooks, instructional materials, or science lab equipment according to Williams's settlement vs. the State of California. All students, including English learners, are given their own individual Standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks and approved by the Board of Education.

School Facility Conditions and Planned Improvements

The Buckeye School of the Arts campus was originally built in 1950. The school is comprised of 35 classrooms, a cafeteria, a library, one staff lounge, and one counseling and support facility.

Classified employees and teachers supervise students throughout the day. There is a designated area for student drop off and pick up in front of the school. Visitors register at the office and receive identification badges that must be displayed at all times.

Cleaning Process: Buckeye School of the Arts provides a safe and clean environment for students, staff, and volunteers. The District governing board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District office for review. A joint effort between students and staff helps keep the campus clean and litter-free. A full-time maintenance employee is on campus during school hours. Two full-time custodians clean the facilities after school, and a part-time custodian cleans the cafeteria and student restrooms during the school day.

Maintenance and Repair: The school site custodial staff administers a scheduled maintenance program. The vice-principal works weekly with the custodial staff of three to develop cleaning schedules that ensure a clean and safe school. Additionally, an operations and maintenance program is administered by GUSD to ensure proper care, protection, and improvement for all classrooms and facilities. A work order process is used to ensure efficient service, and that emergency repairs are given the highest priority.

Facility Improvements: Through District funds and State Bond Measures, the school can keep moving ahead with site improvements.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	23	16	25	25	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents participate in the School Site Council (SSC) and are welcome to volunteer in classrooms and for special events. Parents are encouraged to volunteer and participate in the Parent Club, which serves as a strong partnership with the school and supports many activities including, organizing classroom volunteers, festivals, literacy events, fundraising efforts, and major school events.

Parents who wish to participate in Buckeye School of the Arts' leadership teams, school committees, school activities, or become a volunteer may contact Wendy Levier, Principal, at the main office at (530) 225-0420, by e-mail at wlevier@gwusd.org, or visit the school's website at <https://bsa.gatewayusd.org/>.

C. Engagement

State Priority: Pupil Engagement

2023-24 School Safety Plan

Buckeye School of the Arts' Safety Plan is updated annually. The Safety Plan covers various safety issues, including drug awareness, bully prevention, harassment policies, student supervision, and emergency procedures.

The Safety Plan is reviewed with all staff members at the beginning of each school year. It was last updated, reviewed, and discussed with staff on October 2023, and approved by Site Council on November 2023. The school complies with the laws, rules, and regulations about hazardous materials and State earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during an emergency.

Disaster drills are held throughout the year: fire drills are held once each month, and earthquake and lockdown drills are held 3 times a year.

Fiscal Year 2022-23 Types of Services Funded

School sites that receive Title I funding provide instructional coaching support for improvements in classroom instruction. These funds are also used for additional teacher and paraprofessional support for students that are 'at-risk' in areas of Reading and Math. Title II funding provides additional instructional coaching support for schools not receiving Title I funds.

The LEA uses LCAP supplemental/concentration funding to increase and improve services at all sites for students needing academic and/or behavioral interventions. Behavior paraprofessionals, counselors, a district reading specialist, and additional special education staff work with and support teachers and administrators to improve the behaviors and address the academic concerns of the 'at-promise' students and students with disabilities. LCAP funding is also used to support the English Learner program. Title VII and state grant funds are used to support the Indian Education Program.

Professional Development

This school year, the District scheduled four staff development days where teachers are offered various professional growth opportunities based on current needs assessments. Topics have included Differentiation strategies, Evaluation of Math and Science Curriculum, Intervention for English Language Arts and Math, Technology, Writing Development, Tutorial Assistance, Analysis of California Assessment of Student Performance and Progress (CAASPP) results, Northwestern Evaluation Association (NWEA) results, School Climate and Student Discipline, Essential Standards Review, Curriculum Alignment, Special Education, Professional Learning Communities, Response to Intervention and Strategic Planning. District literacy coaches and the district math coach provide professional development and mentoring to the beginning and experienced teachers. Individual teachers are selected to attend Professional Development outside the District depending on necessity and opportunity.

Buckeye School of the Arts participates in the Professional Learning Communities Training process and uses a leadership team approach to facilitate staff collaboration and professional development. The focus is on meaningful collaboration, sharing a common vision for instruction, using data to guide teaching and student engagement strategies, and the effective use of technology to enhance learning. Teachers are supported in this process by a literacy coach. Mondays have been designated as minimum days, thus allowing the staff time to collaborate after school dismissal. For our PLC time, the principal and instructional coach prepare and present information on student data. During this time, the staff collaborates to develop common grade-level formative assessments, best teaching practices and create/implement their grade level priority standards (BSA GUARANTEES)

Faculty members may participate in the Tehama Teacher Induction Program (TTIP). A facilitator works with beginning and veteran teachers to improve their skills and address the California Standards for the Teaching Profession.

Several Buckeye School of the Arts teachers have attended training to unpack their "Priority Standards," developing Common Formative Assessments.

The staff is applying a school-wide focus on character development and recognizing and celebrating students' positive actions and choices: ice cream social, gift cards, Smencils, etc. (gifts donated by parent club)

This table displays the number of school days dedicated to staff development and continuous improvement.
