

Annual Notice for 2024 – 2025 School Year

This document provides notice of the College Credit Plus (CCP) program to **Plain Local** students in grades 6 through 11 and their parents by February 1. This information will be posted on the school's website, and written communications including those generally distributed to students, course booklet, student assembly, or information night.

Kristen Zurbuch, School Counselor is the designated point of contact for College Credit Plus at **GlenOak High School** and can answer student and parent questions related to the program.

College Credit Plus Costs:

- (a) College Credit Plus opportunities have no cost to students, including the free option to attend public institutions of higher education. School districts have the option to seek reimbursement for the tuition the district has paid to the college on behalf of the student if the student receives a non-passing grade or withdraws after the no-fault deadline date. However, students that are considered economically disadvantaged CANNOT be asked to reimburse CCP costs.
- (b) There is a potential cost of participation with a nonpublic/private institution of higher education. Private colleges/universities have the option of charging a minimal fee to students.
- (c) Students who are economically disadvantaged cannot be charged for anything related to College Credit Plus. This includes students who choose to attend a nonpublic institution of higher education; they cannot be charged a minimum fee. See Ohio Administrative Code 3333-1-65.6(2) for details and the definition of economically disadvantaged.
- (d) Plain Local is a public school district. For students attending nonpublic/private secondary schools, students must apply for state funding to participate, and this funding may be limited for students.¹

Criteria for student participation, including, but not limited to, the following:

- (a) Parents and students must participate in a counseling session prior to participation (which may be included as part of the Information Session).
- (b) Important Notice:

"Students must submit a **written notice of their intent to participate** in the upcoming academic year, by **April 1**, in accordance with section 3365.03 of the Revised Code, but may submit the written notice of intent to participate as early as February 15. Students desiring to participate in College Credit Plus in the summer are strongly encouraged to submit letters of intent and begin the admissions process starting in February and prior to the April 1 notice of intent deadline in order to improve chances of meeting summer registration timelines."

For students attending nonpublic/private secondary schools, students must submit their intent to participate within the funding application.

Appeal Options when missing the April 1 deadline:

Any student who fails to provide the notification by the required date may not participate in the program during the following school year without the written consent of the principal, or equivalent administrator. If the principal does not provide written consent, the student may appeal the principal's decision to the district

¹ See higher.ed.ohio.gov/ccp for funding application deadline, information, and links.

superintendent. Not later than 30 days after the notification of the appeal, the district superintendent or governing entity shall hear the appeal and shall either grant or deny that student's participation in the program. The decision of the district superintendent or governing entity shall be final.²

There is no appeal for missing the April 1 deadline for students attending nonpublic/private secondary schools or homeschooled students.

Student participation options:

- (a) Secondary schools cannot limit a student's participation in the College Credit Plus program to only the courses offered in that school and students may also participate online or at any other participating institution of higher education, or any combination thereof.
- (b) Participating students may be concurrently enrolled in multiple postsecondary institutions and may take postsecondary courses from more than one institution of higher education, concurrently.
- (c) List of courses offered at the secondary school through an agreement with an institution of higher education.
- (d) Students should review the course catalog of an institution of higher education for a full listing of course offerings by the institution.
- (e) At **Plain Local**. Students have the option to participate in the College Credit Plus program at the high school. Students can also participate online or at an institution of higher education.
- (f) Students have the opportunity to participate during the summer term. For any student participating in a summer term that transfers to a new secondary school, **the student has the responsibility to notify the institution of higher education and the student's prior and new secondary school of such transfer.**

Important Dates/Deadlines:

Mandatory CCP Information/Counseling Session Options:

- February 1, 2024 at 6pm at GlenOak High School (in person – Band Room).
- February 29, 2024 at 6pm at GlenOak High School (in person – Band Room)
- March 19, 2024 at 6pm (virtual via Google meet link:) meet.google.com/jht-ihwu-dut

Accuplacer Testing at GlenOak:

- February 21, 2024
- March 7, 2024
- Sign Up Link: <https://tinyurl.com/AccuplaceratGOHS>

CCP packet including the letter of intent form is due: April 1st.

- Forms may be dropped off in the Counseling Center.
- If April 1st falls on a day that the school is closed, the deadline will be postponed to the next day that school is in session.

² See [Ohio Revised Code 3365.03](#) for additional details.

**After April 1, you will need permission from the school principal to participate.*

Declaration of Intent

I would like to declare my intent to participate in the College Credit Plus program. I understand that signing this form does not require that I participate during the upcoming school year, and I may decide not to participate without consequence.

I also understand that it is my responsibility to notify my school if I do not gain admission to my selected institution of higher education or choose not to participate in the program.
In addition, I certify that I have received counseling about the College Credit Plus program concerning the rules and regulations for both my school and the college, and that I understand my responsibilities, the benefits, and possible risks of participating in the College Credit Plus program.

Please sign and return this form to the secondary school by April 1.

Counseling Session for 2024 – 2025 School Year

This document provides confirmation of counseling for the College Credit Plus program.

Date	
Student's Name	
Parent's or Guardian's Name	

The counseling session must occur before the student participates in the College Credit Plus program. Each public and participating nonpublic secondary school shall provide counseling services to students in grades six through eleven and to their parents before the students participate in the College Credit Plus program to ensure that students and parents are fully aware of the possible consequences and benefits of participation.

Counseling information shall include:

- Program eligibility;
- The process for granting academic credits;
- Any necessary financial arrangements for tuition, textbooks, and fees;
- Criteria for any transportation aid;
- Available support services;
- Scheduling;
- Communicating the possible consequences and benefits of participation, including all of the following:
 - The consequences of failing or not completing a course under the program, including the effect on the student's ability to complete the secondary school's graduation requirements;
 - The effect of the grade attained in a course under the program being included in the student's grade point average, as applicable;
 - The benefits to the student for successfully completing a course under the program, including the ability to reduce the overall costs of, and the amount of time required for, a college education.
- The academic and social responsibilities of students and parents under the program;
- Information about and encouragement to use the counseling services of the college in which the student intends to enroll;
- The standard packet of information for the program developed by the Chancellor of the Ohio Department of Higher Education. (See the higher.ed.ohio.gov/ccp for more information.)
- Information about the potential for mature subject matter, as defined in section [3365.035](#) of the Revised Code, in courses in which the student intends to enroll through the program and notification that courses will not be modified based upon program enrollee participation regardless of where course instruction occurs. The information shall include the permission slip described in division (B) of section [3365.035](#) of the Revised Code (attached).
- Secondary schools must also provide information of the administrative rules of Course Eligibility (OAC 3333-1-65.12) and Underperforming Students (OAC 3333-1-65.13).
- Information about Options A and B to include the following details:
 - Public Schools
 - Option A: The student/family will be financially responsible for tuition and the cost of all textbooks, materials, and fees associated with the College Credit Plus course.
 - Under Option A, the student/ family must work directly with the college to arrange to make payment
 - Option A allows the student to choose to earn both college credit and high school credit OR only college credit
 - Option A must be elected at the time the student registers for college courses
 - Students must inform the college and the secondary school of electing Option A and whether student wants to earn both high school and college credits or only college credits

- o Option B: The state of Ohio is financially responsible for the eligible course(s) in which the student chooses to enroll.
 - If Option B is selected, the funding for the course will be deducted from the secondary school and redirected to the college.
 - The student will receive high school and college credit.
- o Combination of Options A & B: Student/family chooses to be responsible for all tuition, textbooks, materials, and fees for one or more courses. If this option is chosen, the student must inform the college which course(s) will be under Option A and which will be under option B.
- o Students must inform the college of the choice of Option A or B when registering for courses. Students must inform the secondary school of whether the student wants to receive both high school and college credits or only high school credits.
- o The final date to change the election of Option A or Option B is on or before the college's no-fault withdrawal date

Nonpublic Schools

- o For a participating nonpublic secondary school, counseling information shall also include an explanation that funding may be limited and that not all students who wish to participate may be able to do so.³
- o When students apply for state funding, they must submit the Funding Award letter to each higher education institution they attend.
- o Nonpublic students that were not awarded all of the requested credits in their Funding Award (Option B) may take additional courses under Option A.

The student and the student's parent shall sign a form, provided by the school, stating that they have received the counseling required and that they understand the responsibilities they must assume in the program.

Please select one of the following: Option A ____ Option B _____

Signatures:

Student _____ Date _____

Parent/Guardian _____ Date _____

³ See highered.ohio.gov for funding application deadline, information, and links.

CCP COURSES OFFERED AT GLENOAK HIGH SCHOOL

2024-2025 Course Selection Sheet

*Please mark the course(s) below that you intend to take and turn this form in with the rest of your CCP paperwork. This will facilitate your enrollment in the courses that are taught AT GlenOak. If you intend on taking CCP courses at the campus, do NOT fill out this form. You must make an appointment with the CCP advisor at the college to register for your chosen courses.
