

Santa Fe Independent
School District
Superintendent Message

Dear SFISD Teachers and Staff:

January 19, 2024

Happy Friday SFISD! In light of the freezing weather this past week, as well as the recent social media activity, we want to extend our sincerest thanks to the amazing teachers and staff in Santa Fe ISD. You continue to look out for the well-being of our students and our community in every way. We are so thankful for you. Awesome job.

January has arrived – which means we have plenty of Indian events! Our students and athletes are not slowing down. A big shout-out to Coach Shepherd and Coach Webb for all their hard work with our **Powerlifting Teams**. We hosted our **Girls' Powerlifting Meet** this past Wednesday, and our **Boys' Soccer Team** played Iowa Colony last night in a great 3-3 game. Also, our **8th Grade Girls' Basketball Teams** and our **8th Grade Boys' Basketball Teams** both WON last night. We are so proud of all these athletes.

Tonight, our SFHS **Boys' Basketball Team** is playing Manvel at home (4:30/5:45/7:00), and our **Girls' Basketball Team** is out of town vs. Manvel. Our **Girls Soccer Team** is playing in a tournament in CCISD. Good luck to all these teams tonight!

Also this weekend, we have our **SFISD Cheerleaders** participating in NCA Nationals in Dallas. Our **SFHS Band** is marching in the Texas City Mardi Gras Parade, and our **Winter Guard** is competing at Goose Creek High School on Saturday. It's going to be a great weekend for our Indians!

Stay warm everyone. We'll see you on Monday,
KB

Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.
