Wednesday, January 31st
- ACE Day - 2:10 Release

Monday, February 5th
- Semester report cards available in Skyward.

Monday, February 19th
- No School - President's day

2nd Semester Begins

The first half of the school year is finished. It's hard to believe that 90 school days are already behind us. It has been a fantastic year so far. With the beginning of 2nd semester upon us, it is a good time to remind our students and families about expectations at school. Lately, we have been noticing a number of students arriving at school before 8:25. Unfortunately we do not have supervision before this time. If students are dropped off, they must remain in their vehicle until 8:25. If busses arrive early , students are kept on the vehicle until time to release them.

Assessments

Your student is currently participating in the i-Ready winter diagnostic assessments. The results of these assessments are a tool we use to help measure how well students are performing compared to end of year standards. This particular assessment will help us identify smaller groups of students that may need additional support in order to help them reach academic standard by the end of the year.

Report Cards

Report cards will be available to view on Skyward beginning February 5th. In this first report card, you may see a number of standards with an "NE" score. This score means that the standard has not yet been evaluated. Only standards that have been addressed will have a number score. Standards are assessed against end of year performance. It is very common and expected that many students receive a 1 or 2 on a given standard as the full year has not been completed. Please reach out to your student's teacher if you have any questions about their report card.

Thank you for your ongoing efforts in supporting student attendance.
