

## WHAT IS TCHATT?

TCHATT provides FREE mental and behavioral health services for students year-round!

TCHATT is a telemedicine program to address the mental and behavioral health needs of youth throughout Texas.

Contact us for more information, to make a referral, or to obtain service.

## TCHATT EXPANSION SERVICES

TCHATT is funded and administered by the Texas Child Mental Health Care Consortium (TCMHCC).

## SCHOOL REFUSAL

For youth (5 y/o & up) who have persistent school avoidance or attendance issues due to anxiety and emotional distress.

## SUBSTANCE USE

For youth (12 y/o & up) whose alcohol or drug use is causing impairment or family conflict.

UT Health San Antonio TCHAT  
now offers specialty care in three areas!

## TRAUMA

For youth (5 y/o & up) who have experienced a traumatic event or loss and having emotional or behavioral consequences such as PTSD.
