4		Science (Biology for most Sophomores)		Science (Biology for most Sophomores)
5				
6				
7				

Did you request a Study Hall? If requesting a study hall make sure you have indicated that in the appropriate semester(s).

ALTERNATES (list 3 additional courses if the above aren't available)

<u>COURSE #</u>	<u>COURSE TITLE</u>	<u>CREDIT</u>

NOTES

Yes No I plan on participating in College Credit Plus. *Registration for College Classes must be completed by May 16th. Failure to complete this step disqualifies you from the fall semester of the College Credit Program.*

Yes No I am considering attending MVCTC.

Point of Contact Approval (if needed): _____

- **Once a student meets with her/his counselor/POC to verify course selections, this process commits the student to her/his choices for the 2024-2025 school year. Decide now what courses you want to take next year. Changes will NOT be permitted after the schedules are generated in the spring unless there is a reason initiated by the school.**
- **Once a student accepts his/her invitation into an AP/Honors course, he/she must remain in the program for the entire school year. Students who choose a two-semester elective must remain in the elective for both semesters. Your signatures below indicate your commitment and agreement to these statements.**

Student Signature/Date: _____

Parent Signature/Date: _____

See the reverse side for course offerings and course numbers.

Register for classes by selecting from the choices for SOPHOMORES given below. Be sure to include 3 alternates as well.
