"I chose Green Oaks for my children's education due to the unwavering high standards that the school sets. Green Oaks operates under the expectations that all children can succeed and aspire to new heights if guided and given ownership of their education."

-Tim Brown, parent

# Mission

---

Green Oaks Fundamental is a school of high expectations and shared responsibility between staff, students, and families. Our mission is to ensure all students reach beyond academic standards to achieve excellence, a love of learning, and integrity through quality instruction and collaboration in a highly structured, safe and nurturing environment.

# Our Programs

---

The school provides project-based enrichment classes (science and technology). Additionally, each grade-level features themed activities, such as the 1st grade Multicultural Performance, 3rd grade Potlatch Celebration and 5th grade Living Museum. Green Oaks also hosts annual events such as the Fall Social for families, Community Food Drive and The Spring Sing.

"Being a student at Green Oaks means being a part of the Green Oaks family. I have made many great friends here."

-LANDON DEMPSEY,  
STUDENT

# Key Highlights

---

## Academics

Green Oaks is consistently among the top performing academic schools in the region. Students leave prepared for middle school and beyond.

## Leadership

We believe students should have a voice in their own learning. Our Student Council teams with our staff to help with decisions such as behavior management, budget, and planning events.

## Community

Our PTA is active in both volunteering and planning activities of high interest such as Beaver Buck student incentive store, Jog A Thon fundraiser, Red Ribbon drug awareness week, guest speakers, and other engaging family activities.

## Technology

Our school partners with Intel, which helps us to provide technology, like Chromebooks and an updated computer lab, so students can excel in a 21st century world.
