

FROM

EVANGELICAL CHRISTIAN SCHOOL

January 26, 2024

Dear ECS Family,

Good afternoon to a truly special community! My name is Clayton Floriani, and on behalf of the Evangelical Christian School Board of Trustees, I will be coordinating the ECS Head of School search alongside an incredible search committee.

We have wasted no time getting the process started, and the search committee is formed and in place. This message is to introduce you to the committee and to update you on the progress being made toward identifying whom the Lord will put before us as our next Head of School. The search committee is made up of a cross-section of our community, and we aim to sustain and build upon the school's positive momentum as we search for a Head of School candidate who will protect and advance the mission of ECS.

The Lord's timing is perfect, and the search committee and Board of Trustees will be constantly seeking God's provision for our wonderful school. He has blessed us as a school and community since the inception of ECS nearly sixty years ago. He knows our next Head of School, and He knows how and when that person will be brought to us. We prayerfully submit to that plan, and graciously thank Him for the provision to come. We worship a loving, perfect God who provides for his children. Jehovah Jireh - The Lord Will Provide, and I am thankful that we will all be able to witness God at work through this search. May we be a school that trusts in Him and leans not on our own understanding!

I am so thankful that my family has the privilege of living life together with so many of you. We have the absolute BEST school community, and for that I am grateful. What a blessing to be able to surround our children with a community of believers both on and off campus that supports biblical discipleship on a daily basis.

Below are the members of our Head of School Search Committee. Members bring experience, including previous Head of School search experience, and perspective that will help identify quality candidates.

We have a new Head of School Search page on our website to provide information for Head of School candidates and to update our community on the search process, [linked here](#). To recommend a Head of School candidate to the search committee, you may email headofschoolsearch@ecseagles.com.

The board and search committee covet your prayers as we begin this season. We want to invite you to pray with other members of our community as we search for our next Head of School. The Shelby Farms campus Parents in Prayer meets in the Legacy Center Lobby every Friday at 9:00 a.m., and the Lower School Parents in Prayer meets in the cafeteria every Thursday at 8:30 a.m. As we move forward, we specifically ask you to pray for patience, for God's perfect timing, and that He would graciously allow us to see Him move in a mighty way!

For His Glory,

Clayton Floriani
Chairman, Head of School Search Committee

GO EAGLES!
