Ubiq

www.ubiqeducation.com | hello@ubiqeducation.com

UBIQ was the fastest-growing school website provider in 2023 and is expected to repeat this same accolade in the year ahead.

Our mission is to continue to transform the website and wider school marketing landscape, through democratising data, educating schools on the value of insights from first-party data and finding ways to create a single source of truth for marketing and admissions.

Our unique approach to entwining data science with creativity gives the schools they work with a direct and tangible advantage over their competitors. Something critical to independent schools in what has become an uncertain and unpredictable market. Behind the scenes, we continue to deliver enterprise-grade technology that empowers our schools to become data-driven decision-makers.

Speak with UBIQ today to find out how we are changing the school website landscape forever, one website at a time.
