Mr. David Pears recommended a change to the date of the December meeting – it is changed and shown above. The change was from December 5th to December 15th.

BOARD DISCUSSION:

Dr. Wolfe presented two versions of the Health and Safety Plan. The only difference is one says “Administration (Document #1)” and the other says “Administration and Board of Education (Document #2)”. If it states – Administration – any changes to the plan do not require a special meeting to change the plan. Mr. Pears was comfortable leaving masking decisions up to the Administration which would be based on building counts. A lengthy discussion among members was held with the following agreement – the document can be changed if the Board decides it needs further clarification/changes. It is a living document and can be revised as needed – move forward with the motion to approve Document #1.

H&S PLAN

Gage Bartholomew made a motion, seconded by Michael Rotz to approve the recommendation of Dr. Keith Wolfe, Superintendent, to approve the updated ARP ESSER Health and Safety Plan as presented in Document #1 posted in the Google Docs:

Administration recommends review and approval of the updated ARP ESSER Health and Safety Plan as presented (Google Docs – Document 1). In accordance with the plan approval, an informational letter will be available to district households via the Lakeview website (Google Docs).
