

The Backpack Program

The Lakeview School District is pleased to continue supporting "The Backpack Program" for the 2022-2023 school year. The combined efforts of our local churches, service clubs, and the Community Food Warehouse of Mercer County have allowed for this program to be available to eligible families experiencing economic hardship. We realize that families may experience financial difficulties, making it a challenge to provide healthy daily meals for their children. "The Backpack Program" provides healthy, non-perishable food items to your student by discreetly placing these items in your child's backpack before the weekend or holiday vacations.

If you would like your child to participate in the program, please complete and return the application below to your child's homeroom teacher. You do not need to return the form if you do not wish to participate. If you have students in both the elementary and middle school, please complete a separate form for each building. Please know that returning this application does not guarantee your child's entry into the program. You will be notified if you have been approved for participation.

All information on this form will remain confidential. Should you have any questions, please contact Mrs. Keeling at 724-376-7911 or n_keeling@docs.lakeview.k12.pa.us

The Backpack Program

___ Yes, I would like my child(ren) to participate in the Backpack Program.
