

Parent Bulletin Friday 26th January 2024

Dear Parents and Carers

We've had some great house events this week with Angelou House Kindness Day on Monday and Seacole House's Rubik Cube challenge on Wednesday. It was great to celebrate the kindness from some students and see someone solve the Rubik Cube in 14 seconds! It was also so encouraging to see so many Year 13 parents attending school last night to talk to teachers at parents' evening. I hope those conversations support a sharp focus on preparing for exam success in the summer.

Next week is careers week and we have a range of activities for students. Key things for parents to note are that Year 11 should come in business dress on Tuesday for their business interviews and that Year 7 are off timetable on Thursday for an enterprise day.

We are focussing on ensuring students arrive to lessons as soon as they can during the day at the moment so that no learning time is wasted. Please do encourage your child with this and I hope you will support the school if your child is set a detention for not getting to lessons on time.

Finally, we have Year 8 parents' evening next week and I hope parents are making appointments using School Cloud.

Have a good weekend.

Peter Collins
Headteacher

Collective Worship Reflection

This week at Slough and Eton is Careers week. To support this theme our Collective worship focuses on vocation, a vocation is a gift from God, a plan or "calling. We all have a calling—something specific that God calls us to. The Church commonly refers to this as a 'vocation'. In addition, our daily Tutor Collective worship quotes help our students to continue to reflect on this theme.

Monday	"Choose a job you love, and you will never have to work a day in your life." (Confucius)
Tuesday	"It's not what you achieve, it's what you overcome. That's what defines your career." (Carlton Fisk)
Wednesday	"The best way to predict the future is to create it." (Abraham Lincoln)
Thursday	"I cannot do everything, but I can do something. I must not fail to do the something that I can do." (Helen Keller)
Friday	"If opportunity doesn't knock, build a door." —Milton Berle

I have come in order that you might have life – life in all its fullness (John 10:10)
