Director's Notes

Welcome! My name is Caitlyn Dubeansky and I am the new Director of the Fairport Harding Drama Department. I am also an Educational Assistant and School Counseling Intern at McKinley Elementary School.

This version of *Alice in Wonderland* is written and adapted by Brainerd Duffield. Alice takes a plunge down a rabbit hole where she becomes involved in a series of adventures including those from the story by Lewis Carroll. In this play, you will join Alice during fourteen episodes from *Alice in Wonderland* and *Through the Looking Glass*. We are so excited to be back with live theatre and want to thank you for joining us! We hope you enjoy the show!

Senior Spotlight

This will be Morgan's 3rd year and 6th production with Fairport's Theater Program. She was part of The Addams Family (2018), The Odd Couple (2018), Mamma Mia! (2019), A Christmas Carol (2019), and Freaky Friday (2020) which unfortunately had to be canceled before it opened. She has always loved watching everything the theater department performed. Since joining crew, Morgan has realized how much goes on behind the scenes that the audience is unaware of. After graduation, Morgan plans to study Forensic Science and said she will miss the people of Fairport most of all. Her advice to underclassmen is to enjoy every moment of high school, because it goes by fast.

We wish you the best of luck,
Morgan! Thank you for
everything you have given and
done for Fairport Theatre!
