

Prepared. For Life.®

TROOP 54

Looking for new scouts to join in our adventures!

Scouting helps develop academic skills, self-confidence, ethics, leadership skills, and citizenship skills that influence their adult lives. The Scout Oath and Law help instill the values of good conduct, respect for others, and honesty. Scouts learn skills that will last a lifetime, including basic outdoor skills, first aid, healthy living, and how to get along with others. Please reach out for more information. Scouts can join even if they were never in cub scouts!
