Principal's Message

What a great and supportive community Jewett has! The annual Jog-A-Thon brought in over \$39,000. This money is vital for improving the technology our students have access to, as well as providing unique and engaging educational experiences for our students. I speak for the entire staff when I say that your support really makes a difference. We are fortunate to be a part of such a special school community.

A huge thank you to the Jewett PTO for all their hard work, time and dedication to our school. The Jog-A-Thon was a huge success! The Fall Carnival had a great turnout and lots of fun was had by all. Thank you Jewett PTO!
