

# Jewett Jargon

October 2023

## Principal's Message

October is here and that means a lot will be going on at Jewett Elementary. We are excited to celebrate the return of our Fall Carnival on Friday, October 27. October is also an important academic month. Teachers spent the month of September establishing classroom expectations and getting students back into the swing of school. Please note that fall conferences will take place on October 19 and 20. You should have received information from your child's teacher via ParentSquare.

Just a reminder: if your child is absent or going to be absent, please don't forget to call the office and report it.

As always, thanks for partnering with us in our efforts to make Jewett the best possible school for our students.

John K. Greeny

## News From La Clinica

It's that time of year again – **flu season!** We encourage everyone over the age of six months to get a flu vaccine every year, especially those at high risk of developing complications – such as **asthma**, heart disease, or neurologic conditions. We will be offering flu vaccines at Jewett Elementary School-Based Health Center for all students. **Our first flu vaccine clinics are scheduled for Thursday November 9th and November 16th.** If you would like to have your child receive their flu vaccine at school, please give us a call to schedule, **541-494-6611**. We do require a separate consent form for vaccines. Once scheduled, we will send you a vaccine consent form to fill out and return to the school. **We must have the vaccine consent form in order for your child to receive a flu vaccine at school.**

Together we can have a healthy school year!

Sincerely,

Heather Wood, RN  
Jewett School Nurse
