## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

## School Facility Conditions and Planned Improvements

Moorpark High School is situated on a 55-acre parcel of land, current facilities include modernized state of the art classrooms with the latest educational technology, an educational center that is used as a team-teaching room, staff development, parent meeting place, and testing center.

Athletic facilities consist of two gymnasiums including one that can accommodate the entire student population for rallies, Back to School Night activities, and multiple-school and community sporting events. Attached to the gym are state-of-the-art weight rooms, a wrestling room, and large locker facilities. Moorpark High School offers a state-of-the-art stadium with a playback scoreboard. CIF uses the MHS stadium for multiple championship events.

MHS is a secured modern campus. Recent modernization included fencing, new stucco and paint, new shade structure, building letters, new murals, updated and improved restrooms, and drought-resistant landscaping. Moorpark High School is one of the finest comprehensive high school sites in Ventura County and the State of California.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	31	27	43	42	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## 2022-23 Career Technical Education Programs

Moorpark High School provides well-established college and career pathways and one academy (Health Science). The AVID program continues to prepare MHS students for immediate entry into four-year colleges and universities after graduation. Other pathways that are available for students include: Multimedia, Photography, Theater, Music, Hospitality (Culinary), and Health Sciences . All pathways focus on courses that are A-G approved and meet high school graduation requirements. The college and careers pathways offered at Moorpark High are as follows:

AVID (Courses include: Organizational & Study Skills, College Applications & Field trips) Engineering Technology STEM (Courses include: Chemistry CP w/Engineering, Physics CP w /Engineering)  
Health Science Academy (Courses include: CA History & Careers, Health, Sports Medicine & Health Management, Health Issues)  
Hospitality & Tourism (Courses include: Hospitality and Tourism Management, Food Service and Hospitality ROP)  
Performing Arts - Instrumental (Courses include: Marching Band, Wind or Strings Ensemble)  
Performing Arts - Theater (Courses include: Musical Show Production, Advanced Musical Theater, Stage Craft)  
Performing Arts - Vocal (Courses include: Chorus, Advanced Chorus)  
Visual & Media Arts - Multimedia  
Visual & Media Arts - Photography

**State Priority: Parental Involvement**  
  
 The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
<p>Parents are welcome at Moorpark High School; they frequently volunteer at school and are involved in a variety of activities. Parents are active participants in the School Site Council, and a variety of parent support groups, ranging from band boosters to those that support individual athletic teams, Career Technical Pathways, and our PTSA. They also help MHS at high impact times of the year, such as check-in days for students when picking up their class schedules and book distribution. The Moorpark High School administration offers Parent/Principal meetings, College and Career Center/Parent meetings, ELAC/DLAC meetings, Future Freshman Parent Night, Back to School Night, and College Fair. Parents are always welcome to make appointments with their student's counselor, assistant principal, or the principal to discuss their student's academic progress.</p> <p>Parent communication includes Parent Square posts, various social media platforms, and school website.</p> <p>A parent engagement policy is reviewed yearly with the School Site Council.</p>

## 2023-24 School Safety Plan

An annual review of the Safe School Plan is conducted with staff, students, and parents at the School Site Council meeting. Teachers are provided information on the Safe School Plan via the Teacher Handbook that is electronically distributed within the first two weeks of the school year.

Moorpark High School is a modern facility that was specifically designed to provide a safe and orderly educational environment. The school is well maintained and regularly inspected for any unsafe conditions. Moorpark High School is a gated facility and all visitors are required to check-in at the main office.

Moorpark High School values student safety and diligently pursues efforts to ensure the safety of all students and staff members. Drills are conducted and designed to educate parents, staff, and students on the proper procedures for identified emergency situations. Moorpark High also participates in the Districtwide drills that are offered twice each year.

Moorpark High School has a full-time School Resource Officer and six Campus Supervisors that monitor the facility between 8:00 a.m. and 4 p.m. daily. All visitors are required to stop at the school entrance to check-in. Campus Supervisors are assigned to various areas of the campus to monitor students and ensure they are safe.
