Outstanding  
Participation!

## Top 5 Trends from the LCAP survey 2022/23

Parents	Students-Middle/High	Students-Elem	Staff
Improve facilities	Dress code too strict	Maintenance of school/restrooms	Teacher/students ratio too high
Very happy w/school	Open restrooms all day	Very happy w/school	Improve facilities
Increase safety protocols	Improve facilities	Improve quality of food	Support for inclusion
Maintenance of school/restrooms	Maintenance of school/restrooms	More enrichment/extra curriculars	More discipline/behavior support
Teacher/students ratio too high	Improve quality of food	Better playground equipment	Increase safety protocols

# LCAP Enhancements based on Survey:

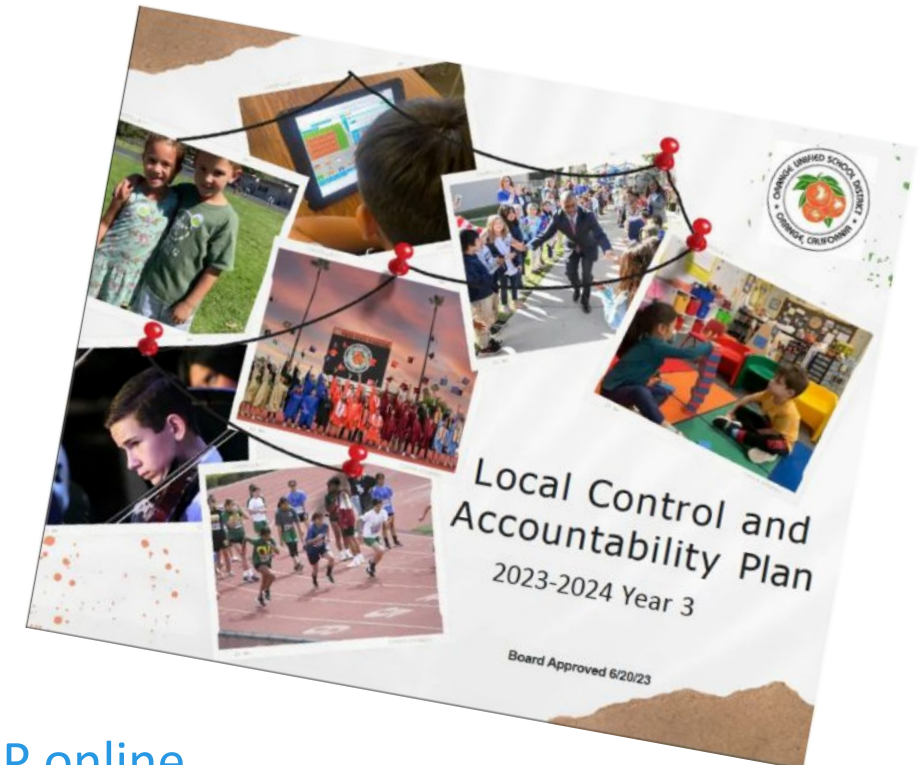

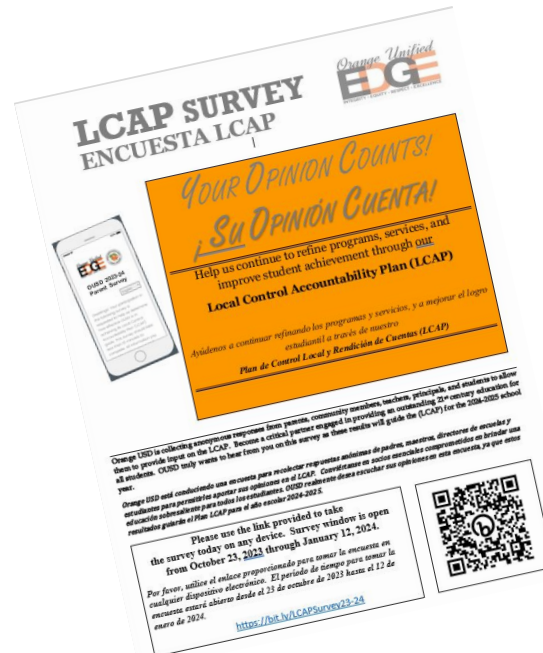

- ▶ 1.13 Early Learning and Elementary Support-added to action for instructional aides and additional teachers in elementary to reduce combos
- ▶ 1.7 and 1.27 Additional math supports
- ▶ 1.28 Focus on best first instruction for English Learners
- ▶ 2.7 and 2.8 outreach and family/caregiver engagement
- ▶ 3.5 shift of focus to ensure district wide safety plan increases engagement of students
- ▶ 3.6 shift of funding support for counselors to supplemental funding to ensure continued support
- ▶ 3.7 shift of funding support for additional psychologists to supplemental to ensure continued support
- ▶ 3.13 ensure funding for supports and programs provided by Student Community Services
