January 2024

Message from the Superintendent

Dear Rebel Nation,

Happy New Year to our Crestview Community! I hope that you and your family had a great holiday season. It's hard to believe that in January we will wrap up our second nine weeks, marking the halfway point of the 2023-24 school year.

Please be sure to mark your calendars for several important dates in January:

- Thursday, January 11th: Last day of the second nine weeks
- Friday, January 12th: No School, Teacher In-Service Day
- Monday, January 15th: No School, Martin Luther King Jr Day
- Friday, January 19th: Report cards released

I hope you take the opportunity this winter to get out and support our Rebel students involved in various activities from sports, to robotics and more. It means so much to our students to see members of their community supporting them in their various endeavors. Visit our website crestviewrebels.org for full schedules and information on upcoming events.

I know it's hard to believe but we are also starting to plan for the 2024-25 school year, in the spring we will be opening up Kindergarten registration as well as accepting applications for open enrollment. We will keep you updated on those things in the coming weeks. Be sure to follow us on social media for the latest updates.

In the coming weeks we will also be releasing the date and time for our official groundbreaking set to take place this spring for our new K-12 facility. We look forward to seeing you there as we mark this monumental occasion for the Crestview Local School District!

Sincerely,

A handwritten signature in blue ink that reads "Daniel C. Hill".

Daniel C. Hill, Superintendent

ROBOTICS

Mr. Weber and some of our middle school students participated in the county wide robotics competition, which was held at the Columbiana County Career and Technical Center. The students had loads of fun while also gaining a plethora of knowledge on how to make their robots better for the end of the year competition!

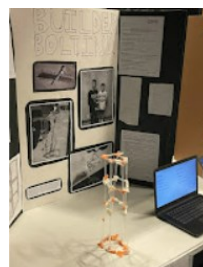

PROBLEM BASED LEARNING AT CMS!

Our 6th and 7th grade students have been working extremely hard on their projects with Buckeye State Credit Union. Below is a short synopsis of what the expectation was for each grade level!

The 6th Grade group is participating in a "food truck frenzy." They are to take their idea and prepare a presentation for the Buckeye State Credit Union. The purpose of this presentation is to apply/receive a loan for their food truck company. Within the project there are five different roles in each group, which are as follows: financial planner, development manager, food truck designer, environmental specialist, and a chef.

The 7th Grade group is participating in a redesign of the BSCU because of a tornado catastrophe. Each group acts as an architectural design company where they are to create a blueprint and then turn it into a structure. For each of their firms they must create a business name, logo, and slogan. They are then to "pitch" their design to the BSCU on why their design should be chosen as the next BSCU.

CRESTVIEW MS/HS ATHLETICS

From the Athletic Director:
Happy New Year Greetings to All!

FINAL FORMS - Please make sure you and your student athlete have filled out ALL sections of Final Forms online to be eligible for athletics!

We are so fortunate at Crestview to have so many athletic options for our student athletes at all grade levels, but specifically middle and high school grades. All athletics from grades 7-12 are sanctioned by the OHSAA, therefore we follow all rules and by-laws of the OHSAA so our students can participate in athletics and tournaments, as eligibility permits.

If you have any questions about eligibility, please don't hesitate to contact the Athletic Director at 330-482-4744, ext. 40123
