Note #3	A double period semester is two boxes stacked on top (ex: Welding)	

2.0 ALTERNATE ELECTIVES:

11th graders sign up for 2.0 credits of alternate electives. If your original courses cannot be scheduled, an alternate will be scheduled instead. **Alternate electives cannot be a course already requested above.**

_____	_____
_____	_____

STEP #8

FOR 2024-25 SCHEDULING:

Glacier Outdoor Education Program: students will earn 3.0 credits (1.0 Eng, 1.0 Sci, 1.0 PE)

NOTE: Circle English 11 above and write in Env. Science & Outdoor Pursuits for two year long electives

Work Based Learning: Internship application required (available in Career Center)

0.5 credit Equals a 1-period semester WBL internship (Choose either Sem1 and/or Sem2)

1.0 credit Equals a 2-period semester WBL internship (Choose either Sem1 and/or Sem2)

NOTE: Each semester (0.5) WBL internship takes up a semester elective on your registration sheet.

Elective Scheduling Notes:

3 Years of Math required & 4 Years recommended for a 4-year college bound student.

3 Years of Science recommended for a 4-year college bound student.

Double check your graduation requirements using the Grad Progress in Powerschool. Please remember that your choices determine next years class options and availability. Your voice matters, so choose wisely!
