

KIRBYVILLE CONSOLIDATED INDEPENDENT SCHOOL DISTRICT FAMILY ENGAGEMENT PLAN

INTRODUCTION

Kirbyville CISD is committed to making parents/guardians, community members and educators full partners. Our goal is to empower families to support the early learning and development of children and by providing families educational opportunities and resources to ensure lifelong success.

KCISD will establish the following family engagement strategies that are based on best practices to support student learning and achievement. This document is based on the individual needs of the early childhood students and parents of our campus, which will include the six family engagement plan components.

 - One Stop Registration and Meet The Teacher at the beginning of each year
 - Curriculum Information Workshops
 - Contacts with every parent from her/his child's teacher before school begins

- Maintain and update campus/district websites throughout the academic year to provide parents, students, and community with current information.
 - Continue to provide training and equipment in order to facilitate effective communication, such as Skyward, and other technology integration including web pages and grade information.
- Utilize the automated phone call-out system to communicate mass messages to parents at the district or campus level.
