

WESTLAKE HIGH SCHOOL NEWSLETTER

January 29, 2024

PRINCIPAL'S MESSAGE

SCHEDULING INFORMATION

Today our counselors met with students in grades 9-11 and presented scheduling information including the Course Catalog, new courses offered next school year, and how to plan out their high school years.

[Click here to view the Course Catalog.](#)

[Click here to view the Course Scheduling worksheets](#) that were given to students to fill out in preparation for inputting their schedule requests.

Our Counselors have created videos to explain graduation requirements and review the scheduling information that was presented to the students. [These videos can be found on our website by clicking here.](#)

Tomorrow, January 30th, WHS will have Recommendation Day. Students in grades 9-11 will meet with their teachers and discuss the best placement for courses for next school year.

Next week, counselors will be assisting students in English classes with putting their schedule requests into PowerSchool. Please talk with your child about what they plan on taking next year and if you have any questions, feel free to reach out to your child's counselor.

DIGITAL DANGERS - KEEPING OUR KIDS SAFE ONLINE

The digital world can be a dangerous place where children are subjected to online bullying, child exploitation and sextortion. Learn how to keep your children safe by attending an educational presentation by the Ohio Internet Crimes Against Children Taskforce on Monday, 2/12 at 7p at the Westlake Porter Public Library. Hosted by the Westlake Council of PTAs, this event is an eye-opening look at the dangers of adolescent internet usage. It will educate parents on how to better protect their children in the digital world and how to recognize dangerous online behaviors. Space is limited. To find out more details about the ICAC Taskforce, the presenters and to reserve your seat, [click here](#). The topics discussed are not suitable for children so minors will not be allowed in the session.

Demon Proud,
Rob Woods

BUILDING HIGHLIGHTS

Bravo to all of the fantastic performances at the 38th annual Green and White Revue! Huge thank you to Bobbi Jean Palumbo, Ian Atwood, and the WHS PTSA for organizing a wonderful event. With unforgettable performances from students of all ages, we have much to be proud of here in Westlake.
