## **2023-2024 Criteria:**

This outstanding student:

- Earns an “A” average or has earned above a “90” in high school Health and Physical Education classes. This student earns an overall grade point average of 3.0 (“B”) on a 4.0 (“A”) scale at the completion of their 11<sup>th</sup> grade year and continues at their potential during their senior year.
- Demonstrates responsible, empathetic and culturally responsive personal and social skills, including confidence, character, civility, collaboration, and citizenship.
- Is a leader in Health and Physical Education class, and demonstrates the ability to accept responsibility for regular class tasks. This student makes an outstanding effort to be a self-directed learner, a critical thinker and problem solver, and an effective communicator. This student demonstrates a positive attitude toward the instructional activity and provides support for the success of others.
- Is active in a leadership capacity and is a productive citizen in and outside the school as: an officer in a Health or PE organization, President of a HE or PE related club, an active member of a school or community group, a volunteer for a support group such as Special Olympics, Athletes Helping Athletes, or Best Buddies, and/or captain of a team/club, etc.
- Is someone that teachers and students look at as “living” and advocating for healthy and active lifestyles inside and outside of school.

Our students are chosen based on the criteria listed above and by the Physical Education Staff.
