Message from the Superintendent

Dear Rebel Family:

Crestview Local School District finds itself in the familiar position of our final grading period for this school year. Can you believe we are in full swing with spring activities for our students? I encourage all of you to examine our web page, social media outlets and specific schedules for a list of those activities and events. We would love to see you supporting the students as they feature their individual skills, team achievements and bring recognition to Crestview Local Schools.

Spring also marks the important academic features related to testing. Our High School students are in the midst of End of Course assessments that are tied to graduation requirements. Grades 3 - 8 students are applying their knowledge to various achievement assessments relative to their grade level state requirements. Making sure that students are well rested and have proper nutrition will increase readiness for this important task.

Open Enrollment for the 2022-23 school year is now open! If you plan to open enroll your child in the Crestview Local School District for next school year, you must complete the online application by Friday, May 27th. The application can be found online at crestviewrebels.org, under forms and links. Returning students can use the application titled, "22-23 Returning Student Open Enrollment." Students who did not attend in the 2021-22 school year are also welcome to apply by using the application titled, "22-23 New Student Open Enrollment." Students who are accepted as new students will be invited to attend a registration day to be held in early August. All applicants will receive a letter in June advising you of your child's acceptance and/or denial into the Crestview Local School District. Acceptance is contingent upon availability of space in each grade, and first preference will be given to those students who have previously attended. If you have any questions, please call the Superintendent's office at 330-482-5526 option 1.

CHANGE.....Rebel Pride Night will be May 11, 2022 from 5:00 - 6:30 p.m. This is an opportunity for staff to feature learning projects and initiatives that were mastered by the students.

CES NEWS!

Kindergarten Registration - Coming Soon!

Kindergarten registration and screening will be held at the Crestview Elementary School on **Friday, May 27th from 8:00 a.m. - 3:00 p.m.** This is our only registration/screening day, please try your best to be available on this day. Please fill out the pre-registration form, which can be found on the elementary website at www.crestviewrebels.org. After completing the pre-registration, parents will then receive a scheduled appointment time via email. To be eligible for kindergarten, **your child must be five years old prior to September 30, 2022.** State law requires kindergarten experience before a student can attend first grade. If you do not have access to a computer or have questions about the registration process, please call 330-482-5370, option 4.

Preschool Registration

Crestview Elementary houses three preschool classrooms that are managed by the Columbiana County Educational Service Center. There are both full day and half day options available. In order to be eligible for the full day classroom your child must be at least 4 years old. Half day classrooms are for students both 3 and 4 years old. Those interested in preschool registration should call the Educational Service Center in Lisbon at 330-424-9591.

Business Partners

Our Kindergarten and 1st grade students are working in cohesion with Silver Apple and Compc. Compc is a nationally known business for the expertise in tank heads. Compc presented to the students where they were able to discuss the problem, ask/explain what a tank head is, gain information about Compc, and asked questions. The challenge the students are faced with...what else could a tank head be used for?

Mrs. Shaffer's 2nd Grade Class!

Kudos to Mrs. Shaffer and Mrs. Spencer for working together on a play performed by our students. The students read the book called Why Mosquitoes Buzz in People's Ears. This is a West African Tale picture book written by Veran Aardema and illustrated by Leo and Diane Dillon. The students worked diligently on their individual parts and then performed their skit for their special guests.

Spring is Here!

A few reminders as our weather is changing and becoming warmer. Halter tops, tank tops, muscle shirts, spaghetti straps, and see through clothing should not be worn at school. Additionally, sandals and footwear that can be

removed easily may cause injury to the student at recess, gym, or in the stairways. Student's feet shall be covered at all times, tennis shoes are the best!

Talent & Art Show

Please join us on Wednesday, May 4th in the Performing Arts Center to view our Art Show beginning at 5:00 p.m. Additionally, our drama club and our talented students will begin showcasing their talents at 6:00 p.m. Refreshments and cookies will be provided, we hope to see everyone there!
