# Informagram

March 2022

## *Message from the Superintendent*

Dear Rebel Family:

This current school year we have utilized 7 calamity days. After reviewing this information the district has adjusted how we will account for calamity days beyond day 8. Day 8 would still be the blizzard bag system. However, beginning with the 9th calamity day, Crestview Local will institute remote learning if school is canceled for weather related reasons.

For day 9, each building will conduct classes at the normally scheduled times through a remote learning platform. Google classroom instructions will be posted by each teacher for protocols related to classroom and instructional needs. If you have any further questions please contact the building principal that applies to your child.

**CMS & CHS will follow their daily schedule beginning at 7:25 a.m. and ending at 2:25 p.m.**

**CES - Kindergarten through 2nd grade will still be using the blizzard bag method for their remote learning. Grades 3 & 4 will have work uploaded to Google Classroom and the teachers will have Google Meets scheduled if/when needed. ALL grade level teachers will be available from 8:05 a.m. - 3:35 p.m.**

### **Traffic Pattern Notice:**

The "access road" from Crestview Road to Middleton Road, along the west guardrail, is currently closed to traffic from 8:35 a.m. - 3:00 p.m. daily. Please allow our student athletes access to their respective facilities during this time. Parents may park in the PAC lot if you are awaiting CES dismissal. You may **NOT** go down the access road until after 3:00 p.m.! Also, please **do NOT** block Crestview Road during this time. Utilize the PAC parking lot **ONLY** to wait to get in line.

### **Athletics:**

Congratulations to winter athletic participants and coaches. It was a pleasure to witness the competitive **Rebel Spirit** in all of our teams.

## WELCOME TO OUR YSU STUDENT TEACHERS!

**Alaina Kissinger** - I am currently enrolled as a Primary Education and Intervention Specialist at Youngstown State University, and I will be completing my student teaching experience with the fifth-grade staff and students. I believe that every student deserves to learn in an environment where growth is fostered, and they are valued for who they are. As someone who cherishes the importance of being a lifelong learner, it is my mission to spark that same curiosity in my students.

**Allison Ginty** - I am a native of Poland, OH, and will graduate from Youngstown State University in May with a degree in Special Education. I enjoy going to Notre Dame football games with my dad and brother, and I like to travel with friends whenever I have the opportunity. I plan to start my teaching career as an Intervention Specialist near Cincinnati where my brother and other family members live. I have very much enjoyed my time so far at Crestview High School working in many classes with many students and staff members.

**Samantha DuBois** - I am currently a senior at Youngstown State University majoring in Primary Education with a dual degree in Intervention Specialist. I will be working with the 5th grade staff/students then work with Crestview Elementary to finish the semester as I complete my student teaching. I have truly enjoyed being able to work with such a talented group of teachers and students and have enjoyed my time so far here at Crestview.
