## *Message from the Superintendent*

Dear Rebel Nation,

I hope this letter finds you well and that you had the chance to take some time to enjoy the Thanksgiving holiday with friends and family. Here at Crestview preparations for the holidays are in full swing. Our hallways are looking a little more festive and you can feel the excitement of the season inside our classrooms.

We have multiple events planned to celebrate this special time of year:

- Middle School Band and Choir will be performing on Tuesday, December 6th
- High School Band and Choir will perform on Sunday, December 11th
- 1st and 3rd grade Elementary classes will be performing on Wednesday, December 14th

Be sure to bring the family to these wonderful events!

During this season of giving, our Crestview Middle School students are participating in the annual "Workman Family Gift Exchange", where they are collecting new, unwrapped toys for children ages 0-13. All gifts must be turned in prior to Friday, December 9th. Our Elementary is also collecting hats, gloves and socks through December 9th as well.

Our winter sports season kicked off in November with our Rebel athletes participating in basketball, wrestling, cheer and bowling. We invite you to come out and support our Rebels at any home event. Full schedules can be found on our website at [www.crestviewrebels.org](http://www.crestviewrebels.org).

A few reminders for our Rebel families - our last day of classes prior to winter break will be Friday, December 16th. Classes will resume on Tuesday, January 3rd. Also, with winter weather approaching please be sure to sign up online for e-communications to receive up to date information on school closings and delays.

And finally, my family and I want to take the time to wish each and every one of our students, families and staff a very Merry Christmas and a Happy New Year. I hope that each of you can take the time to pause and reflect over the break on all that we have to be thankful for.

Sincerely,

A handwritten signature in blue ink that reads "Daniel C. Hill".

Daniel C. Hill, Superintendent

If you are able to give in the upcoming weeks, we will be collecting hats, gloves, and socks at Crestview Elementary from December 1st through December 9th. Any items donated will be greatly appreciated!

## **STEM @ CES**

**Longhouses:** Mrs. Crawford's class completed a STEM activity in which they used various materials to recreate the Native American Longhouses which the Iroquois, Mingo and Wyandot tribes had built in Ohio. Students had specified items they had to include in their project as well as learning to work as a team and trade with other 'tribes'.

**Wigwams:** Mrs. Leskosky's class collaborated on a STEM challenge where they modeled the wigwams that the Historic Delaware Indians built in Ohio around the late 1600's. Students were expected to engineer a wigwam that mimics the detailed homes the Delaware created. Students were also involved in trading and using their allies to complete the most detailed wigwam.

## **Art Enrichment!**

Mrs. Spencer has built extra time in her schedule to allow for those students who excel in art to get extra enrichment. Below are a few pictures of some third grade students who are creating fiber and yarn woven baskets.
